1. INTRODUCTION TO THE PARENT STUDENT HANDBOOK

Welcome to the Parent Student Handbook of St. Anthony High School. It provides essential information about the policies and procedures that the school expects parents and students to understand and follow. By reading the Handbook and signing the Acknowledgment parents and students agree to be bound by the school’s Code of Conduct and all other school policies and procedures. You can print out a copy of the Handbook if you wish, but the binding document is the one that is online. The school reserves the right to amend the Parent Student Handbook at any time. Parents/guardians will be notified of any amendments and will be asked to sign an acknowledgment of receipt.

I invite you to take time to browse and learn what it is to be a Saint. Of course, the handbook can never replace actually visiting our campus, so I personally invite you to come by and check us out! In the service of Christ, Spes Nostra (our hope)—Marcelo Eureste, Principal

Sections of this Parent Student Handbook are particular to St. Anthony High School. Other sections are policies and procedures of the Archdiocese of Los Angeles, most of which can be found in the Archdiocese of Los Angeles Handbook.

2.03 SCHOOL HISTORY

St. Anthony High School – Our Story

“Whether we will it or not, we cannot journey without leaving footprints, and others will follow where we go because we have marked the way.”

With those words, Sister Mary Gabriel of the Sisters of the Immaculate Heart of Mary opened wide the doors of the only Catholic secondary school in Long Beach in 1920.

Who would have predicted the long legacy of St. Anthony High School back in 1920, when a rudimentary two-story frame building housed a handful of Catholic teenagers and a small faculty sought an alternative to Long Beach’s public education system?

The Beginnings
In reality, the story of the St. Anthony High School of 1920 can be traced to a time much earlier, starting with the founding of the parish. In 1916, Fr. Reardon, pastor of St. Anthony parish, asked four Sisters of the Immaculate Heart of Mary to come to Long Beach. They taught at the second St. Anthony’s elementary school building that was dedicated in 1919. It was a single-story frame building with six rooms and no halls or cloakrooms. The entry into each room was from the exterior porches, or through connector doors in each classroom. 125 pupils attended school that fall of 1919. By the end of that first school year, four boys and eight girls received their eighth-grade diplomas. During the summer of 1920, Fr. Reardon had a second story added to the grade school, and this provided the rooms for the first St. Anthony High School. By September 1920, the nucleus of the founding high school students started at
St. Anthony, with Sister Gabriel, IHM, as founding principal. The building was located behind the church, facing Sixth Street (approximately where Errion Gym is now).

In 1922, St. Anthony High School received full accreditation from the University of California at Berkeley, entitling graduates to enter any university without examination.

That same year – 1922 – marked a turning point for the parish and school grounds. Fr. Hegarty (the pastor appointed after Fr. Reardon) was concerned with the increasingly crowded southeast corner of Sixth and Olive. The Elementary and High Schools, the Church, the Sisters’ Convent and playgrounds were all situated on one quarter block. Acquiring more property on this same block looked grim until one of the building and advisory committee members traded some flats he owned across the street, deeding them over to the church. This was to be the location of the new school. The Convent was moved across Sixth Street, so the sisters could be closer to the new school site and room was made near the church for a new rectory.

Paralleling the growth of the Catholic school population was the population of Long Beach in general. The discovery of oil on Signal Hill, along with the ease of mobility afforded by the railroads, the Pacific Electric car, and the automobile, caused a population boom throughout the Southland. Public schools were bursting at the seams and new Catholic parishes were being planned throughout the city. But, St. Anthony was still the first parish in Long Beach and the hub.

In late 1926, Fr. Hegarty started his building program, calling for a two and a half story grammar school with a rooftop playground and a basement for club and parish activities located on Olive just north of Sixth, together with a one-story high school located adjacent to the church. These school buildings were designed in the popular Collegiate Gothic style of the day. They were finally dedicated in May 1927 at an outdoor ceremony officiated by Bishop Cantwell attended by 20 priests and 5000 people.

Earthquake, Recovery, and Growth
Fr. Robert E. Lucey succeeded Fr. Hegarty as pastor in 1929. The Long Beach Earthquake of March 10, 1933 focused Fr. Lucey’s attention to the physical needs of the parish and school. The two-story grammar school (where the high school is located today) had sustained earthquake damage, but it could be shored up and reinforced with concrete pillars both inside and out. It was re-dedicated in October 1939. The high school across the street and next to the church was not so lucky. Although only one-story, a second earthquake on October 2, 1933 brought this building to the point of no return. The Church suffered the same fate.

At the same time, the 1933 earthquake set into motion a building program that would bring St. Anthony High School to its current situation. The Sisters of the Immaculate Heart of Mary continued to teach all grades through high school, using the two-story grammar school building where the high school is located today. Children were crammed in every square inch of the school.

Despite the tight quarters, the Saints launched a tradition of athletic prowess winning their first league championship in football in 1935. The first publication of the yearbook, The Anthonian, occurred in 1935. The year 1938 saw the appointment of Monsignor Bernard J. Dolan as pastor of St. Anthony Church, a place he lovingly and generously served for the next 30 years until his death in 1968.

Separate Boys and Girls High Schools
Monsignor Dolan, recognizing the burgeoning need for Catholic education, took on the challenge of establishing a separate boys' high school. In April 1941, he purchased additional land on Olive and Seventh Street and in June of that same year the foundation for the boys’ building was laid. Around this same time, Msgr. Dolan with Fr. John Cavanaugh, C.S.C. (a visiting Holy Cross Priest from the University of Notre Dame) conceived a plan for the Brothers of Holy Cross to lead this boys’ school in the west. Msgr. Dolan started the wheels in motion – The Holy Cross Brothers would staff the Boys School and the IHM Sisters would continue to teach the girls. Now, with Msgr. Dolan’s building plan in place, there would be separate schools for each.

The 1941 building on Seventh and Olive included a library and science laboratories. That first year over 400 students were enrolled, and the new student body moved in around Christmas time, 1941.

Once the separate schools were established and the faculty was firmly in place, St. Anthony High School took off. A series of “firsts” happened in quick succession.

The first edition of The Paduan, the student newspaper, rolled off the presses. The year 1945 saw the inaugural GAA Girls’ Basketball Tournament held in the Armory which rapidly became the preeminent tournament for girls among all Catholic high schools in Southern California. The girls quickly established themselves with their first championship.

In 1947 a track of land located at Clark and Del Amo was gifted to the high school for athletics and “Clark Field” became a remote part of the campus hosting athletic teams for both boys and girls. Clark Field continues today as “The Home of the Saints,” and its green fields have witnessed some of the best of the Saints’ athletic prowess, most notably the 1948 and 2016 CIF Championship Football Teams.

The late 1940s began a period of record-setting success in all sports. Football, baseball, volleyball, and track produced not only team championships but also individual awards that brought national recognition. The year 1948 saw the opening of the gymnasium known at the “St. Anthony Catholic Center” where to this day the Latin inscription Mens Sana in Corpore Sano (Healthy Minds Healthy Bodies) are emblazoned in the concrete façade over the entrance. Movie producers and television studios have discovered the timeless significance of the storied gym. It has become a much sought-after site by Hollywood, for film and television productions, most recently the movie Coach Carter.

Decade of Growth
The 1950s ushered in a growing awareness of the importance of a Catholic education and morals in an increasingly unstable world. With the Cold War arriving on the heels of World War II, the 248 graduates of the Class of 1958 were cautioned in the commencement ceremony about the dangers of a world filled with atomic weapons and the need for St. Anthony graduates to find ways to help humanity. In the late 1950s, “Saints Pride” became a matter of record when Fr. James O’Callaghan, along with 1200 alumni founded the Alumni Association. Their work has paid off with dividends. Of more than 16,600 graduates, over 8,000 are recorded in an ever-expanding data base, helping ensure continued connection between graduates throughout the decades.

The first of many league championships in track and baseball were won in 1953.

Highs and Lows
Early in 1960 the school cafeteria opened at the 6th and California (now Gumbiner Park) location. With 1765 students, the 1964-1965 School Year would be the largest in the school’s history and historical as
the baby-boomer population expanded St. Anthony to the largest Catholic high school enrollment west of Chicago. In 1965 the Watts Riots brought racial tension to the forefront throughout the Southland. In 1968, our beloved and tireless Msgr. Dolan died, leaving an unparalleled legacy. Msgr. Ernest Gualderon became the new pastor just as the implementation of the Second Vatican Council changes were trickling into the Archdiocese of Los Angeles.

The Sisters of the Immaculate Heart of Mary – a founding rock of St. Anthony schools – were torn between implementing the changes established by Vatican II and the conservative approach to the Council advocated by the Archbishop. This struggle between the Sisters and the Archdiocese epitomized the internal struggle many Catholics experienced during the turbulent 1960s. It was truly the end of an era in 1969 when the Sisters departed the school. Their 50 years of selfless dedication to the students and families of St. Anthony will remain as a firm foundation of the school forever.

Return to a Coeducational High School
St. Anthony High School celebrated fifty years of age in 1970. In 1971 the Boys’ and Girls’ High Schools joined and officially became one co-educational institution once again. The changes mandated by Vatican II were beginning to take effect throughout the Church. Msgr. Gualderon invited many congregations of women religious to join the faculty and administration. They included the Franciscan Sisters of Syracuse, Sisters of St. Joseph of Cluny, Sisters of Charity of the Incarnate Word, Sisters of the Holy Cross, Carmelites, Dominicans, and Religious Sisters of Charity. A further commitment in 1978 led to a better learning environment with the opening of the Educational Development Reading Laboratory in the “A” building, formerly known as the Girls’ School. The facility was funded by the SAHS Foundation, established in 1973 by Msgr. Gualderon, and the Social Justice/Peace Funds provided by the Brothers of Holy Cross, South-West Province. The 1970s also saw the Boys Basketball program dominate the highly competitive Angelus League.

Continuing the Tradition of Excellence
At the same time, the St. Anthony neighborhood became beleaguered by the same problems facing many inner cities and downtown areas throughout the nation. The City of Long Beach was experiencing a decline in urban investment, as middle-class families sought the relative security of suburban settings. This challenge for the school was met head-on, as throughout the 1980’s St. Anthony continued a tradition of academic and athletic excellence. The 1982 Boys Basketball Team played in the CIF Final Four, the Boys’ and Girls’ Track and Cross-Country Teams enjoyed banner years, Girls’ Volleyball soared to new heights, while Baseball and Football enjoyed championship seasons. Academics made their way into the championship arena with a first-place finish in the Long Beach Centennial Academic Bowl in 1988, with a repeat performance in 1989. The SAHS Foundation played a pivotal role once again by providing funds for a computer laboratory along with networking of the administrative computer system.

Decade of Change
The school continued to be blessed throughout the 1990s with a series of championship teams and a further example of the Spirit of the Saints and their traditions. The 1991 Academic Challenge Bowl Trophy made its way to St. Anthony for the third time in four years. In 1991 the Girls’ Volleyball Team capped several years of dominance by bringing home the first ever California State Championship trophy (in any sport). Also, that year, the Gymnasium was re-dedicated as the Jack Errion Memorial Gymnasium in memory of Coach Errion’s accomplishments (Head Coach 1954-76, with 12 Catholic/Angelus League titles). In 1993 Msgr. Gualderon retired after 25 years as pastor. The cafeteria was soon rededicated in his honor. Fr. Lawrence Caruso followed him as pastor and brought a wealth of
administrative experience to the parish and its schools. The Baseball Team earned its first trip to the CIF Finals in 1995, the same year St. Anthony turned 75. Fr. Caruso died suddenly in 1997 and was succeeded by Fr. Richard Krekelberg, who served until 2003 when Fr. Jose Magaña assumed leadership of parish and grade school.

Despite the academic and sports successes of this decade, the 1990s brought great challenges for the school as well as for the city. In April 1992, the Rodney King Riots spilled over into Long Beach, coinciding with the bursting of the real estate bubble. Despite external hardships, and amidst the economic downturn, St. Anthony continued to reflect the diverse population that had become the heart and soul of the city. While the population grew to nearly half million residents, St. Anthony continued to offer the only Catholic secondary education in the city. Declining vocations, expanding needs in other areas of their ministries, and a changing environment saw the departure of the Holy Cross Brothers and the Franciscan Sisters after 55 and 25 years of service respectively. Continuing economic decline in the surrounding neighborhood led to reduced enrollment and a large percentage of the student body receiving some level of tuition assistance. Many Catholic schools in the Southland faced consolidation, closure, or a reduction in services. St. Anthony – again – would meet these challenges with clarity and creativity.

New Century, New Challenges
A thorough study was commissioned in late 2001 to decide between a plan of viability or closure, when the school was at its all-time low in enrollment. Results of the study affirmed that St. Anthony High School clearly had a place in Long Beach and to this day stands alone as a beacon of hope and permanence for all who desire a first-rate, Catholic secondary education. A team of leaders made up of alumni, parents, faculty, staff, friends, and members of the community at large, led by St. Anthony’s first President, Gina Maguire (Class of ’67), appointed in 2002, took steps to ensure the long-term viability and growth of beloved St. Anthony. While some thought this hallowed institution might disappear from the educational landscape of Long Beach, they were sorely mistaken and underestimated the loyalty of the Saints, past and present. At this point, several lead gifts provided a turning point for the school. These generous supporters signed on for the long-haul by committing their time, talent and treasure to restoring St. Anthony High School as a religious, academic and athletic leader, this time for the 21st Century.

The story continued throughout the first decade of the 2000s, as the school’s visionary leadership proved itself to be both nimble and competent. This was a decade of both challenge and renewal, with many highs and lows, including a major flood in the school’s main administration building resulting in the building’s closure for 19 months during renovation. During this time, St. Anthony transitioned from the traditional parish high school to become an Archdiocesan high school and embraced the president/principal leadership model, supported by a strong consultative Advisory Council. Innovative strategies were developed to address immediate needs and prepare for the future. The Administration expanded community awareness, and alumni connection, reached out to develop new sources of funding, and forged partnerships throughout the greater Long Beach community.

In 2005 two significant gifts from the Dan Murphy Foundation, in partnership with the Archdiocese of Los Angeles, and the John and Dorothy Shea Foundation enabled the 85-year old school to jump-start much needed renovations and attract even more support. Over the next years, more than $5,000,000 was invested in facilities improvements, changing the face of the aging campus for the better. In 2010, this work was recognized by Long Beach Heritage when St. Anthony received an award for Historic Preservation.
Enrollment began to grow, and in 2008 a new Gymnasium floor was dedicated as “Darrick Martin Court” in honor of 1988 graduate Darrick Martin, who went on to play at UCLA followed by an NBA career. Also, in 2008, St. Anthony welcomed Mike Schabert as principal, whose energy and outreach resulted in significant increases in enrollment and academic and athletic program cohesion. As evidence of St. Anthony’s administrative leadership and faculty strength, in 2009 St Anthony’s Academic Decathlon Team brought back top honors from competition and did so again in 2010. In June of 2010, St. Anthony High School was awarded the highest WASC accreditation available for a six-year term.

Renaissance

The 2010s have been a landmark decade in athletics for St. Anthony High School with many league and CIF championships. In 2010, the Varsity Girls Basketball Team won the CIF Championship, the Southern California Regional Championship and played in the State CIF Championship game. The Varsity Girls Basketball Team repeated as CIF Champions in 2011 and 2016. In 2009, 2010 and 2011, St. Anthony placed first in Boys Diving as well. 2016-2017 was a banner year in sports, with the Varsity Girls Volleyball Team, Varsity Football Team, and Varsity Girls Softball Team all winning CIF Championships; Varsity Football also won the Southern California Regional Championship and played in the State CIF Championship game.

The decade has also seen the expansion of the curriculum to include more Advanced Placement courses and STEAM (Science, Technology, Engineering, Art and Mathematics) and the addition of courses in media, robotics and pre-engineering. In 2012, the school reoccupied the “Science Building,” which had been leased to a charter school for many years, and the building was renovated to include new labs, a Mac computer lab and a green room. A PC computer lab was installed in the L-Building.

The prestigious President’s Ambassadors Program was launched in 2002 and continues to groom and develop ethical student leaders for school and community service. Not coincidentally, St. Anthony’s typically has the largest number of students of any high school participating in the city’s Youth Leadership Long Beach Program. St. Anthony’s network with Long Beach Rotary has further enhanced leadership opportunities for St. Anthony students through Camp Enterprise and RYLA leadership camp.

St. Anthony High School has experienced a renaissance, witnessed through its many significant signs of growth and vitality. The freshmen class for the 2017-2018 School Year was the largest in twenty years and is proof that hard work and the relentless spirit of the Saints is alive and well at 620 Olive Avenue. One hundred percent of 2019 graduates went on to college or military service. A pervasive “Go Saints, Go” spirit is evident all around us.

In July 2019, St. Anthony welcomed new principal Marcelo Eureste to lead the school into is second century of providing quality, college-preparatory Catholic education to the youth of the greater Long Beach area.

Celebrating almost 100 years of consistent, unwavering, and joyful academic excellence validates that alumni, students, parents, faculty, staff, and community friends are determined to keep St. Anthony’s doors wide open to continue to honor the past, celebrate the present, and plan for the future. The closing words of our Alma Mater never rang so true: “Through the years, we shall renew the glory of thy name!”

In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

As an express condition of enrollment, students and parents/guardians shall follow standards of conduct that are consistent with the Christian principles of the school and the teachings of the Catholic Church, as determined by the school in its discretion. These principles include but are not limited to any policies or procedures set forth in the school's parent/student handbook.
These Christian principles include but are not limited to:

- Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
- Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
- In a place where a school employee is required to be in the course of his or her duties, any parent/guardian or other person whose conduct materially disrupts class work or extracurricular activities or involves substantial disorder may be guilty of a misdemeanor. This statement does not apply to any otherwise lawful employee-concerted activity, including but not limited to picketing and distributing handbills.
- Any parent/guardian or other person could risk his or her child's continuation in school if he or she insults or abuses the Administration, Faculty or Staff in the presence of students, parents/guardians, or other school personnel while on school premises, public sidewalks, public streets, other public ways adjacent to school premises, or at some other place if the Administration, Faculty or Staff is required to be there in connection with assigned school activities.

These expectations for students and parents/guardians include but are not limited to all school-sponsored programs and events (e.g., extended care, athletics, and field trips).

The school reserves the right to determine, in its discretion, when conduct is severe enough to warrant immediate action without warning and/or without an intermediate step short of withdrawal. 2.11 SAFE ENVIRONMENT TRAINING FOR YOUTH AND CHILDREN

Safe Environment Training for Children and Youth

2.12 GUIDELINES FOR ADULTS INTERACTING WITH MINORS AT PARISH OR PARISH SCHOOL ACTIVITIES OR EVENTS

Working or Volunteering with Children and Youth

Adults who work or volunteer with children or youth are subject to archdiocesan guidelines and regulations; they must sign the Archdiocese of Los Angeles Guidelines for Adults Interacting with Minors at Parish or Parish School Activities of Events.

Junior high and high school students who work or volunteer with children or youth must sign the Archdiocese of Los Angeles Boundary Guidelines and Code of Conduct for Middle and High School Youth Working or Volunteering with Children or Youth.

Archdiocese of Los Angeles Guidelines for Adults Interacting with Minors at Parish or Parish School Activities or Events
Adults acting in a staff, faculty, ministerial or other paid or volunteer position in the Archdiocese are role models who are called to treat each minor with respect and care. Clergy/staff members/faculty/
volunteers serving either in a paid or volunteer position need to maintain professional relationships with minors whether on or off the parish or parish school locations. Please review the following guidelines and sign the “Acknowledgement of Receipt” for the file at the parish or school where you work or volunteer.

- Clergy/staff members/faculty/volunteers will ensure that minors are properly supervised at all times, thus providing them a safe environment. Minors must be viewed as “restricted individuals” because they are not adults and are not independent.
- If clergy/staff members/faculty/volunteers who are supervising minors observe a situation where civil law, parish and/or school rules are being violated, they must take appropriate action immediately.
- Clergy/staff members/faculty/volunteers should always be aware they have considerable personal power because of their ministerial positions. Therefore, they will maintain respectful ministerial relationships, avoiding manipulation and other abuses of power.
- Clergy/staff members/faculty/volunteers must avoid assuming the role of a “father or mother figure,” which may create an excessive emotional attachment for all parties.
- Attraction between adults and minors is possible, and care and caution should be taken in all interactions. The parish/school administration should be informed immediately if such an attraction exists. Dating or sexual relationships between a clergy/staff member/faculty/volunteer and a minor are inappropriate and unethical. Dating or sexual relationships between a clergy/staff member/faculty/volunteer and a minor are unlawful.
- Communications with minors (e.g., notes, letters, email and Internet exchanges, telephone calls) must be for professional reasons only.
- Discussions of a sexual nature must always take place in an appropriate educational context. Sexual jokes, slang or innuendo are inappropriate when interacting with minors.
- Clergy/staff members/faculty/volunteers will respect confidential information concerning minors or confidential information of a personal nature shared by a minor. However, if a minor shares confidential information that could pose a threat to the minor or to others, the clergy/staff member/faculty/volunteer has an obligation to notify the proper authorities.
- When clergy/staff members/faculty/volunteers are supervising minors or young adults at parish or parish school sponsored activities, they may not be under the influence of alcohol, may not consume alcohol in the presence of persons under age 21, nor offer alcohol to them.
- When a clergy/staff member/faculty/volunteer is alone in a room with a minor, the door must be open, or there must be clear visibility through windows.
- Clergy/staff members/faculty/volunteers are to engage in games or sports activities with minors only in the presence of other adults, or in a place openly accessible/visible to others.
- Clergy/staff members/faculty/volunteers planning parish/school events in their homes with minors must have the permission of the parish/school administration. In addition, clergy/staff members/faculty/volunteers may not have any minors in their homes without the knowledge of the minor’s parent or guardian.
- Clergy/staff members/faculty/volunteers may not drive minors unless it is to or from a parish/parish school sponsored activity and may never drive alone with a minor. Driving minors requires parental permission slips that indicate the transportation is by personal vehicle. The parish/parish school administration must approve any use of personal vehicles. Trips involving minors must have a sufficient number of adult chaperones and minors to preclude the appearance of inappropriate personal involvement with minors.
- Parent/guardian written permission is required for the publication of a picture of a minor.
• Adults are permitted to interact alone with minor/minors only after complying with Archdiocesan policies regarding fingerprinting and safe environment training. They may work with minors only as part of a team if they have not met those requirements.

The location must provide annual training on these boundary guidelines. The form's signed acknowledgment of receipt must be on file at the parish or school.

2.14 **DRESS/UNIFORM CODE**

**Dress Code**

St. Anthony High School’s standardized uniform provides a positive influence upon the overall school environment. The purpose of our dress code is to promote a sense of dignity and pride, which is inherent in the values expressed in our Christian Philosophy. It fosters a disciplined atmosphere that contributes to the learning process and security of the school. In addition, it provides a first level of security, which would enable us to identify St. Anthony High School students. Our dress code, including grooming and hair styles, is based upon modesty, neatness, cleanliness, and good taste. School authorities have the right to determine whether a style of dress, grooming, or a style or length of hair is appropriate or in keeping with the school's dress code and philosophy.

Uniform items may only be purchased from **Norman’s Uniforms (310) 832-8342**, unless otherwise noted below. The School Code is 620. The website is [https://normansuniforms.com/](https://normansuniforms.com/).

The St. Anthony High School Dress Code is to be adhered to at all times. It is the responsibility of the parents and the students to ensure that each student arrives and leaves school and SAHS events in compliance with the St. Anthony High School Dress Code. Daily admission may be denied to students with dress code violations, that cannot immediately be brought into compliance. Any student not observing the dress, grooming, or hair regulations may be detained in the discipline office until he or she is in compliance with the dress code. An attempt will be made to notify parents/guardians at work or home, so that the violation can be corrected, and to inform the parents/guardians of the violation. Dress code violations are a part of the school disciplinary code and infractions will result in disciplinary action. Parent conferences and probationary status will be arranged for continued noncompliance of the dress code.

Below is the standard policy for dress, grooming, and hair style. **If an item is not listed in the handbook as acceptable, then it is unacceptable**, and the student will be asked to change or may be sent home to change attire.

Please note that Senior privileges may slightly alter the dress code for the seniors only. Faculty, staff, students and parents will be notified if and when senior privileges are in effect.
General Guidelines

2.15 RELATIONSHIP OF SCHOOL TO PARISH

Relationship of School to Parish
St. Anthony High School was founded as a St. Anthony Parish School in 1920. In 2005, the Archdiocese of Los Angeles Department of Catholic Schools assumed the governance of the high school. St. Anthony Parish retains sole and exclusive ownership of the land and buildings used by the high school, and the high school uses St. Anthony Parish property at no rental cost. St. Anthony High School is responsible for all expenses related to the high school. The Pastor of St. Anthony Parish has a responsibility to be present pastorally for St. Anthony High School students and community.
2.16 SCHOOL GOVERNANCE

Administrative Structure of High Schools
As an Archdiocesan high school, St. Anthony High School is organized and governed by the Archdiocese of Los Angeles through the Department of Catholic Schools. It is administered by a president and a principal, who are assisted by three assistant principals and an administrative team.

Consultative School Board
St. Anthony High School’s Consultative School Board, formerly known as the Advisory Council, was founded in 2002 to provide direction and vision for the high school to ensure a quality Catholic education and guarantee the sustainability of the school.

A Consultative School Board, as defined in A Primer on Educational Governance in The Catholic Church, is established to assist the President and Principal in the governance of the school. A consultative school board is a body that participates in the policy-making process by formulating, adopting and recommending policy to the person(s) with authority to enact these policies. The persons with authority are required to consult the board before making decisions in designated areas but are not bound by the board's advice.

The Consultative School Board (CSB) has as its sole concern the ministry of Catholic school education. The CSB, operating under the guidance of the Department of Catholic Schools and the Superintendent of the Archdiocese of Los Angeles, and in conformity with the Archdiocesan School Policies, shall concern itself with policy matters pertaining to the mission and goals of the school. In addition, the board provides direction and vision for the school, ensures quality Catholic education and guarantees the sustainability of the human, material and financial capital of the school.

The CSB provides advice and counsel particularly in these areas:
- Strategic Planning
- Policy Formulation
- Evaluation of plans, mission effectiveness and board self-evaluation
- Institutional Advancement/Development
- Financial Planning and Financial Management
- Communication and Mission Enhancement

The board consists of a membership of not less than nine, but not more than 21 members, appointed by the President of St. Anthony High School in consultation with the Department of Catholic Schools.

Regularly appointed members serve for a four-year term. Any board member who is absent from three consecutive regular board meetings or a total of three board meetings in a year shall be deemed to have resigned as a board member unless reinstated with written approval of the President of the high school.

Current CSB Members: The list of Consultative School Board members may be found on the school website at:
PEP (Parent and Educators in Partnership)
All parents or legal guardians of students enrolled in St. Anthony High School are automatically members of this organization. The purpose of this organization is to unite families of St. Anthony students in a common bond to:

- Promote and support Catholic education
- Provide an opportunity for parents to actively participate and assist in academic/spirit development of the students
- Work in harmony with the administration and faculty of the school
- Develop and provide means through which the parents may become better acquainted with each other
- Provide parent education enrichment
- Develop and provide financial assistance for the school
- Encourage the faculty, students, alumni and community to support all sports teams of St. Anthony High School
- Engage in other activities at the request of the Principal or President to promote the betterment of the school and its students

Meetings are held regularly each month, with the President and/or Principal, in order to plan and prepare for major fundraising events. The President/Principal will meet with the parent group regularly to discuss issues and address concerns that will be brought up at the mandatory parent meetings which are held at various times throughout the year.

Current PEP Board Members: The list of Parent and Educators in Partnership Board members may be found on the school website at:

2.17 PARENT/STUDENT COMPLAINT REVIEW PROCESS

Archdiocese of Los Angeles Parent/Student Complaint Review Process
Concern for the dignity and rights of each person is intrinsic to the Church's mission as a true witness to the spirit of the Gospel.

Conflicts may occur among students, parents/guardians, and school staff, and all parties are encouraged to use every available means to resolve these conflicts when they occur. However, if the involved parties are unable to resolve their conflicts, families may use the complaint review process for additional assistance. All those participating in the complaint review process are responsible for striving toward reconciliation and acting in good faith. Legal representation is not permitted at any meeting or mediation of the complaint review process. Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form. The complaint review process must be included in the parent/student handbook.

Addressing Complaints at the Local Level: Schools
- The person bringing the complaint is encouraged to try to resolve the complaint by discussing it with the people who are directly involved at the school.
- If the complaint is not resolved, the person bringing the complaint should discuss it with the Principal (or the Pastor, if the Principal is the subject of the complaint).
• After reviewing the facts and facilitating discussion of the problem, the Principal or Pastor will respond to the person bringing the complaint.

Escalating Complaints to the Central Level: Department of Catholic Schools
• If the complaint is not resolved at the local level, the complaint may be submitted in writing to the assistant superintendent at the Department of Catholic Schools, outlining the concerns and reviewing the local process.
• The assistant superintendent will review the complaint (with such consultation as may be appropriate) in a timely fashion and will endeavor to mediate and resolve the matter.
• However, if the parties cannot reach an agreement, the assistant superintendent will apply the policies and/or regulations of the archdiocese and school to make a final and binding determination, and then communicate that determination in writing to all parties.

2.18 MISCELLANEOUS DIRECTIVES

Student Deliveries Policy
The school only accepts deliveries for students that are beneficial to the education process. Delivery of other items is highly discouraged. Items such as restaurant purchased lunches, flowers, gifts, etc., will be held in the Main Office until an appropriate time. The school is not responsible for such items.

Student Property Lost and Found
All money or other valuables shall be kept safely on one's person or in a LOCKED locker. Excessive amounts of money are not recommended to be in a student's possession and should be checked in with the Dean's office.

Lost personal property must be reported as soon as possible to the Dean.

Any property left unattended will be turned over to the Lost and Found, located in the Front Office.

Custody of Minors
In the event of an extraordinary custody situation, a certified copy of the court order stating which parent has custody should be sent to the Principal. The information will be kept confidential.

Selective Service
All male citizens or aliens residing in the United States must register with the Selective Service within thirty days of their 18th birthday; this may be done at any U.S. post office or online.

3. CATHOLIC IDENTITY

3.01 FAITH FORMATION (MASS, PRAYER, OTHER LITURGIES)

In "The Catholic Vision of Education," Archbishop José H. Gomez describes the dynamic mission of Catholic education throughout the Archdiocese: "Catholic education is the Church's future. It is also the key to our society's future. . . . Our Catholic vision always calls us to see deeper — and to give more of ourselves in love. Our Catholic vision always calls us to see with the loving eyes of Jesus; with the eyes of
God." The Catholic school is unique because it is an academic community within a religious community. As a school it is a community of learners and teachers, administrators and parents/guardians, staff, and resource people. At the same time, it is a faith community of young Christians and adults where Christ the Teacher is present among them. A Catholic school always has a twofold purpose: learning and believing. It is exemplary when the school blends these well.

In the Archdiocese of Los Angeles, Catholic schools serve students from preschool through high school. Each local school is unique in its charism, foundation, and culture. All schools promote "knowledge of the faith, liturgical education, moral formation, teaching to pray, education for community life, and missionary initiation." General Directory for Catechesis. All schools are committed to providing an academic education that integrates Catholic values across the curriculum. In light of the great gift and contribution of Catholic education, Archbishop Gomez has expressed his strong commitment to "make sure that our schools are open to every family and every child in our city. No matter who they are. No matter where they come from, or how they got here. No matter how much money they have." (The Catholic Vision of Education, Archbishop Gomez: August 23, 2013).

Faith Formation
Spiritual formation and the imparting of religious information in an academic setting are the goals of the religion program of the Catholic school. Providing and supporting such a program is the responsibility of the school faculty under the spiritual leadership of the Principal. Accordingly, there needs to be provision for students and teachers from all academic areas to participate in the planning and implementing of the various religious activities of the school. Members of the Religion Department and the Campus Ministry program will serve as catalysts and assume leadership roles in relationship to these activities. Nevertheless, all teachers are to be concerned with the religious formation of youth.

Class time, assignments and accountability for religious studies is comparable to that of other academic areas. Religion courses are to be graded and to receive full academic credit. Students are graded on academic achievement in religion and comprehension of subject matter and not on their religious affiliation, personal belief or the practice of their faith.

Catholic School Communities
Catholic schools are communities of faith and faith formation. They are committed to developing faith-filled, morally aware, and academically strong individuals who are of service to the Church and society.

Catholic schools provide a Catholic education that illuminates academic teaching with Christian principles and prepares students to see Christ in others by the development of their talents. Catholic schools emphasize the importance of faith in the life of the individual and of morality as the life-giving principle that guides students to become self-giving, responsible citizens and leaders.

Jesus Christ gives a transcendent meaning to human existence and this spiritual dimension should inform the intellectual journey of the human person.

With the support of the Department of Catholic Schools, faculty, parents/guardians, alumni, parishioners, consultative boards, and the community, Catholic schools:
- Educate the whole person spiritually, academically, socially, and physically
- Promote the dialogue among faith, reason, and culture
- Build community through the celebration of the Church's liturgical life
- Defend the goodness, dignity, and freedom of each person
• Foster awareness of moral and social concerns
• Develop leaders for the community

Students from all faith traditions, cultures, and economic backgrounds are welcome and invited to collaborate in fulfilling the mission. All those who quest for truth contribute to and enhance the community.

The goals of the religion program in the Catholic school are to provide an environment for students to encounter Jesus Christ, to form students in the Christian faith, and to provide students with the opportunity to learn about and experience the Church's teachings and practices in an academic setting. Since Christian education and formation is carried out in a community, the entire faculty and staff are responsible for carrying out this goal. Members from all school departments form a faith-based community with students, not only in the classroom and in other school activities but also in planning and implementing the school's various religious activities and events. In this area, the religion department and campus minister together with the principal serve as catalysts and provide leadership and support.

3.02 SACRAMENTS (FIRST RECONCILIATION, FIRST COMMUNION, CONFIRMATION)

Sacraments

The Eucharist: The Eucharist is generally celebrated once a month for the entire student body. The scheduled date and time for these celebrations is found on the school calendar. Mass and/or prayer is also celebrated on other special occasions such as class retreats, holy days of obligation and in preparation for various athletic events. Lunchtime Mass in the Chapel is celebrated throughout the School Year and is open to all students.

Reconciliation: The Sacrament of Reconciliation is offered during Advent, Lent and during some retreats to the entire student body. Students desiring to receive the Sacrament at other times may schedule an appointment with the Campus Minister who will contact the Pastor at St. Anthony Parish.

Confirmation: Preparation for the Sacrament of Confirmation is provided by a student’s local parish. St. Anthony High School Religion courses compliment, but do not substitute for, this preparation. Student absences incurred because of parish confirmation retreats are excused absences.

3.03 RELIGION CURRICULUM

Religion Curriculum

Canonical Authority of the Diocesan Bishop
In accordance with canon law, the archbishop exercises full authority over the religious instruction and formation programs in all Catholic schools of his archdiocese, including both schools of the archdiocese and schools in the archdiocese that are owned and operated by religious orders, institutes, or governing boards. The authority of the bishop extends to but is not limited to the content of the religion curriculum, the hiring of teachers of religion, the visitation of schools, and the use of the title "Catholic school." The archbishop may exercise this authority in person or through designated delegates such as
the superintendent and the religion supervisor from the Department of Catholic Schools.

**Textbooks, Teaching Materials, Resources, and Content of Instruction**

Textbooks, other teaching materials, and resources are chosen on the basis of sound doctrine, attention to both cognitive and affective domains, continuity with the program of instruction, and adequacy in meeting the needs and capabilities of the students in the particular school.

All religion textbooks are to have the approval of the U.S. Conference of Catholic Bishop's Ad Hoc Committee to Oversee the Use of the Catechism. Other materials and resources used by teachers are to meet the same standards as textbooks with regard to sound doctrine and appropriateness for students.

The content of instruction must conform to the authentic teaching of the Church as summarized in the Catechism of the Catholic Church and must clearly distinguish defined doctrine from personal opinion and theological interpretation. It will stress the relevance of religious truths and principles to the personal lives and daily concerns of the students.

The U.S. Conference of Catholic Bishops’ Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age guides the written course outlines that must be developed and followed for each high school course. Course outlines are to be framework-based and not textbook-based.

Please see the foundational catechetical documents.

**Western Catholic Educational Association Catholic Identity Standards**

All schools, whether archdiocesan, parish, or those owned and operated by religious orders, institutes, or governing boards, are required to meet the following Catholic identity standards from the accrediting agency for archdiocesan elementary schools, the Western Catholic Educational Association (Improving Student Learning, 2012 ed., p. 41; Ensuring Educational Excellence, 2014 ed., p. 10 [click on 1-WCEA E3 2014 Protocol.pdf]):

- The school has a mission statement and philosophy statement that indicates the integration of the Catholic faith in all aspects of the school’s life.
- The school provides regular opportunities for the school community to experience prayer and the sacraments.
- The school has a religion curriculum and instruction that is faithful to Catholic Church teachings and meets the requirements as set forth by the U.S. Conference of Catholic Bishops.
- The local ordinary approves those who teach the Catholic faith (Canon 805) and there is ongoing formation for catechetical and instructional competence.
- The school maintains an active partnership with parents/guardians whose fundamental concern is the spiritual and academic education of their children (Canon 796).
- The school has a service-oriented outreach to the Church and civic community after the example of Jesus Christ, who said, "I have given you an example so that you may copy what I have done to you" (Jn 13:15).
- The school uses signs, sacramentals, traditions, and rituals of the Catholic Church.
- All school personnel are actively engaged in bringing the good news of Jesus into the total educational experience.
High School Curriculum
The national core curriculum for teaching religion to high school students, approved by the U.S. Conference of Catholic Bishops in November 2007, guides the religious instruction within each archdiocesan, parish, and private high school within the Archdiocese of Los Angeles. All high schools in the Archdiocese of Los Angeles are required to follow the U.S. Conference of Catholic Bishops sequence of courses as stated below:

- Freshmen Year: The Revelation of Jesus Christ in Scripture and Who is Jesus Christ? (Christology)
- Sophomore Year: The Mission of Jesus: The Paschal Mystery (Spiritual Life) and Life in Jesus Christ (Morbility and Social Justice)
- Junior Year: Sacraments as Privileged Encounters with Jesus Christ (Sacramental Theology) and
- Senior Year: Responding to the Call of Jesus Christ (Vocations) and one of the following: History of the Catholic Church, Sacred Scripture, Living as a Disciple of Jesus Christ in Society, or Ecumenical and Interreligious Issues (World Religions)

Class time, assignments, and accountability for religion classes are comparable to that of all academic areas. Specifically, religion is to be taught each semester of the Catholic school program for an average of 250 minutes per week, in conformity with the norms governing the weekly instructional time for courses earning one full unit of credit.

3.04 CAMPUS MINISTRY

Campus Ministry
St. Anthony High School students are regularly reminded of the importance of their relationship with God, their families, friends, and others in the greater community. Our Christian faith is communicated in the Catholic tradition and students of all faiths are invited to actively participate in the goals and programs of the Campus Ministry Program.

The School Chapel is one of the most significant places on the high school campus. Here students and faculty can gather to visit, relax, share their faith, and prepare for retreats. There are a number of programs sponsored through Campus Ministry Center, which promote the philosophy of St. Anthony High School. These programs include:

- Christian Service opportunities.
- Retreats
- Liturgical Celebration
- Outreach and other activities

3.05 CHRISTIAN SERVICE PROGRAM

Christian Service Program
Community service is an integral part of St. Anthony High School and all students are required to complete Christian Service hours for graduation.

Service hours are required to help the student develop a sense of commitment to the greater world. Our goal is to develop students with a passion for social justice and giving that will become part of their lives long after they graduate from St. Anthony.
The following is a minimum annual requirement for all students:

- 30 hours for the Seniors
- 30 hours for the Juniors
- 20 hours for the Sophomores
- 20 hours for the Freshmen

All service hours are due on or before May 1st. Service hours can be earned at a St. Anthony sponsored event, or with an outside agency, school, or church. Information about available service opportunities can be obtained through the Campus Ministry office or through the student’s Religion class.

Upon graduation, special recognition will be given to any student who doubles or triples their minimum number of service hours.

The **Archdiocese of Los Angeles Christian Service Award** is given to two students from the graduating class who most exemplifies the spirit of service to the school and community. The student will be recognized at a liturgy at the Cathedral of Our Lady of the Angels in Los Angeles, where they will be awarded a medal, which can be worn at graduation.

**Christian Service Supervisor Evaluation Forms** are available from Religion teachers, in the Campus Ministry Office, or on the school website at: [https://www.longbeachsaints.org/apps/pages/index.jsp?uREC_ID=1192198&type=d&pREC_ID=1435216](https://www.longbeachsaints.org/apps/pages/index.jsp?uREC_ID=1192198&type=d&pREC_ID=1435216)

### 3.06 RETREATS

**Retreats**

Retreats are a vital part of living and learning within a Christian community and are expected by all students. Retreats are designed to enhance the student’s relationships with their families, their community, their classmates and God.

All Grade levels will take part in a 1-day class retreat experience provided by the Campus Ministry team. The entire class will participate in these, which will be held on campus during a school day. These single day retreats are considered mandatory. Students who do not attend a scheduled class retreat will be required to make it up as part of an on-campus service provided through the campus ministry department.

Additionally, the Seniors will be offered to attend a 3 day/2 night overnight retreat for interested students. The Juniors will be offered a 2 day/1 night overnight retreat.

Arrangements are made in Religion Classes and parent permission slips and behavior contracts are needed for off campus/overnight retreats. An additional retreat fee may be required to attend class retreats.

Teachers, Counselors, Retreat Leaders and other school personnel will respect the verbal or written confidences of students, except in cases where the health or safety of the student or others is involved. Appropriate dress and behavior are expected from all students attending a retreat. Failure to behave in an appropriate manner or disrupting the spirit of the retreat experience may result in dismissal from the
retreat and requiring a parent come to pick up the student. Further disciplinary actions are at the discretion of the Dean(s) following the retreat.

4. ADMISSION AND ATTENDANCE

4.01 SCHOOL STUDENT NON-DISCRIMINATION POLICY

School Student Non-Discrimination Policy
St. Anthony High School, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, or national and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

St. Anthony High School does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While St. Anthony High School does not discriminate against students with special needs, a full-range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

Non-Discrimination Documentation
The Internal Revenue Service requires non-public schools to maintain a School Student Non-Discrimination Policy so those schools are recognized as tax exempt.

Archdiocesan schools must demonstrate this policy by annually publishing the School Student Non-Discrimination Policy.

For parish schools, the pastor should publish the School Student Non-Discrimination Policy in the parish bulletin. The school should retain a copy of this parish bulletin in the school file. The statement of non-discrimination also should be published each year in the staff handbook, parent/student handbook, and admissions materials. All schools should submit documentation of the published policy to the Department of Catholic Schools.

4.02 INCLUSION PROCESS/STEP

Inclusion Process/STEP
If you have a child who is struggling academically or is disabled, contact the Director of Student Learning Services. For specific information and guidance see chapter 14 of the ADLA Administrative Handbook: http://handbook.la-archdiocese.org/chapter-14

Introduction
Archdiocesan schools do not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and
athletic and other school-administered programs. However, certain schools in the archdiocese are operated as single gender.

While schools do not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic, and physical abilities and the resources available to the school in meeting the student’s needs.

Parents/guardians must be informed that they may request a minor adjustment for students with a disability and of the appropriate procedure to address any complaints of disability discrimination. These procedures are located in the Resources and must be included in the parent/student handbook.

4.03 ADMISSIONS POLICY

Admission Guidelines
In those cases, where the number of applicants exceeds the number of students the school can enroll, Catholic students are given precedence over those who are not Catholic and this without regard to race, color, or national origin. St. Anthony High School has established open enrollment policies in concert with the California Interscholastic Federation State Federated Rule 222 with the following conditions:

- St. Anthony High School is a Catholic coeducational high school whose philosophy and mission are based on the call of the United States Catholic Bishops, To Teach as Jesus Did.
- St. Anthony High School forms an Admissions Board comprised of school administrators to review the applications of prospective students, conduct interviews, and enforce the admission guidelines and procedures.
- St. Anthony High School gives preference in admissions to the students of St. Anthony Elementary School and from the other local Catholic feeder schools
- St. Anthony High School accepts students on a space available basis.
- St. Anthony High School has admissions requirements pertaining to academic standards and behavior.
- St. Anthony High School will make every effort to assist students with financial difficulties.
- St. Anthony High School follows the inoculation requirements of the California Department of Health detailed here: [http://www.shotsforschool.org/k-12/](http://www.shotsforschool.org/k-12/) Specifically, new students must provide proof of Tdap (Tetanus, reduced Diphtheria, and acellular Pertussis) and MMR (Measles, Mumps, and Rubella) inoculations administered before or during their 7th grade school year.

Archdiocesan High School Admission Guidelines
High schools should consider the following factors when establishing their admissions policies and practices:

- Parish high schools should normally give preference to active members of the parish.
- In cases where the number of applicants exceeds the number of students a school can enroll, Catholic students generally take precedence over non-Catholic students.
- Each school shall establish an admissions board that consists of some members of the administrative staff and other faculty members who are competent to administer the admissions policy.
- Each school shall make every reasonable effort to assist students with financial need.
- Schools should not admit students who owe money to another school.
• Standardized test scores, grades, and recommendations from prior school shall be taken into consideration.
• The age of a student at admission should be such that the student will be under 20 years of age at graduation.
• Ordinarily, schools should accept students from public schools only at normal transfer points at the beginning of a semester.
• For international students, see "Admissions" under International Students in the Archdiocese of Los Angeles.

Admission Procedures
Below are the procedures for the testing and evaluation of applicants to St. Anthony High School
• An application and elementary report card are required for all incoming freshmen.
• The high school placement examination for all incoming freshmen will be administered on the day established by the archdiocesan school calendar.
• Students who show skill deficiencies as indicated by scores on their high school placement examination will be required to attend and successfully complete the school’s summer program.
• An interview with student and parents is included in the admission process.
• Notification of admission status is to be given on the dates indicated on the archdiocesan calendar.
• A complete transcript for each student is requested from the elementary school at the end of the school year.
• Students applying for sophomore, junior, and senior year need an official transcript of all secondary work completed and a discipline clearance from their current school.
• Students owing money to another Catholic school will not be accepted.

Archdiocesan High School Admission Procedures
The Department of Catholic Schools recommends the following procedures for testing and evaluating high school applicants and transfer students:
• Parents/guardians of a student applying for admission must obtain the high school’s application packet. The application packet must include a permission form for the current school to release records to the high school. Parents/guardians must ensure that the current school releases all documents that the high school requests. See the Student Application for High School (sample) and the High School Application Checklist for Admissions Folder (sample).
• All high schools administer the entrance examination for incoming students on the day established on the archdiocesan school calendar.
• Schools shall cooperate with parents/guardians who request that test scores be sent to other schools.
• Admissions procedures ordinarily include an interview with students and parents/guardians and confidential recommendations from teachers or administrators at the current school. Recommendations are confidential and shall not be shared with families. See the Confidential Common Evaluation Form for Students Applying to a Catholic High School.
• Schools shall notify applicants concerning their admissions status on the dates indicated on the archdiocesan school calendar.
• At the end of the school year, high schools will request that elementary schools submit a complete transcript for each incoming freshman.
International Students
Any student from another country may attend St. Anthony High School providing he/she can demonstrate a proficiency in English as determined by the school. Proper I-20 forms must be completed and submitted to the Department of Catholic Schools. St. Anthony High School does not issue I-20 Forms.

Inoculation Requirements of the California Department of Health
St. Anthony High School follows the inoculation requirements of the California Department of Health detailed here: Shots for School.

Specifically, new students must provide proof of Tdap (Tetanus, reduced Diphtheria, and acellular Pertussis) and MMR (Measles, Mumps, and Rubella) inoculations administered before or during their 7th grade school year.

Married Students
Central to the philosophy of St. Anthony High School is the belief that parents are the primary educators of their children. In support of this, the school and parent work in close collaboration in all aspects of the student’s educational process. Since a married student is in effect no longer accountable to a parent or guardian, the relationship between the school and the parent is compromised. Therefore, any student who marries or is married at time of application will not be allowed to attend St. Anthony High School.

Emancipated or Eighteen-Year-Old Students
All school regulations apply to students who are emancipated or 18 years old as long as they are enrolled in the school.

Students Who No Longer Live with Their Parents/Guardians
Students who are legally emancipated (other than students who have been in a foster home or guardian arrangement) and are not living in the home of parents/guardians may be precluded from continuing to attend an archdiocesan or parish high school. The principal is expected to confer with the assistant superintendent of the Department of Catholic Schools before making any final decision.

4.04 ABSENCE, TARDINESS & TRUANCY

Absence, Tardiness & Truancy

School Hours: Doors open at 7:00 AM and close at 4:00 PM.

The regular school day begins at 8:00 AM with the warning bell ringing at 7:55 AM. Dismissal is regularly scheduled for 2:30 PM except as noted on the school calendar.

Regular Attendance
Regular and punctual attendance at school is required by California State Law (Education Code 46010-46014, 48200-48204). Credit is given for each course when the student has met the minimum standards established by the school for academic achievement and regular attendance.

It is the responsibility of the parents/guardians to ensure the regular attendance of students at school. Current home and work phone numbers must be provided to the school so that immediate contact can be made regarding any irregularity in attendance or any emergency. If parent(s) plan to be out of town
and supervision of the student will be assumed by someone else, the attendance office must be notified. Failure to do so may cause unnecessary difficulties.

If a student of any age moves into another residence because of family difficulties or for other reasons, it is still the responsibility of the parent/guardian to report absences, write excuses, and approve planned absences, early dismissals, or emergency medical treatment. Notification to the school regarding any changes in the student’s place of residence helps to forestall potential problems. It is expected that any living arrangements will be in conformity with the school’s basic principles.

School doors open at 6:45 AM on regular school days. Some teachers are here early for tutoring. It is imperative that proper school behavior be maintained at all times during the school day.

School doors are closed by 4:00 PM. Parent responsibility is to have made arrangements to have his/her student safely picked up at that time.

**Procedures Regarding Absences**

Parents/Guardians must call the Attendance Secretary at (562)435-4496 x1240 between 7:30 AM and 8:30 AM each day the student is absent. If you are prompted to leave a message, please leave the student name, grade, your contact phone number and the reason the student will be late or not attending school.

By 7:45 AM on the day of the return to school after the absence of any duration (even one period), a student must submit to the attendance office a parent note. The note must contain: student’s full name, student’s grade, date(s) of absence, the explicit reason for absence, the signature of the parent/guardian, and the phone number(s) at which parent/guardian may be contacted during the day. For the absence to be classified as a medical absence, there must be a note from the doctor with diagnoses and clearance to return, or it will be considered a regular absence. If a student does not present a written note, his/her absence will be considered unexcused. If a parent/guardian has already called in the absence the student will be permitted to go to class, otherwise the student must call the parent at the attendance window for verification of the absence.

**Falsification of Note and/or Misrepresentation by Phone:** Forging a parent/guardian’s name on a note, altering a note in any way, making or having someone else make a phone call in which the caller falsely claims to be a parent/guardian are all illegal and dishonest and will be subject to disciplinary action.

**Attendance Benchmarks**
The following actions will result if a student reaches certain attendance benchmarks:
- 5 absences = courtesy notification via phone call or email home
- 10 absences = loss of academic credit

**Attending/Participation in Co-Curricular Activities on Days of Absence**
Students who wish to practice for, participate in, or attend any school activity and/or athletics must be in school at least half of that given day. Any student who is absent for more than half of the academic day, suspended (in-school or out-of-school), or truant may not participate in any school co-curricular events that day (i.e., athletic events, dances, senior events, drama activities, and special programs). Special circumstances should be directed to the Assistant Principal of Student Affairs.
Make-Up Work Due to Absence
It is the student’s responsibility to arrange with his or her teacher to make up a test or work missed because of absence.

Teachers are required to permit students with excused absences to make up assignments and tests missed during the absence. The student will be permitted to make up missed work and tests within the amount of time in which the student was absent up to 10 school days after return to school.

In the case of unexcused absences, missed assignments and tests may be made up at the discretion of teachers.

In the case of a student truancy, the student will earn a zero for any assignment/test missed on the day of occurrence, and the work may not be made up.

Parents should realize that a student’s grade may suffer because of any absence.

Acceptance of late homework, except homework late due to absence, is at the discretion of the teacher.

Attendance Requirement for Academic Credit
Since both attendance and classroom participation are requirements for success in a course, it is a school policy that in the event of a student accumulating ten or more absences in a semester (per class period), the student will be denied academic credit for the semester. If a student comes to school tardy and misses any class period, each missed class will count as an absence and the class the student will be arriving to will count as a tardy.

In cases of loss of academic credit for attendance reasons, a student must petition in writing for the credit to be restored. Credit Restoration Petition Forms may be obtained from the Academic Dean or Assistant Principal of Curriculum and Instruction.

Classification of Absences

Excused Absence
Absences are excused only in cases of personal illness and documented medical or dental appointments, severe illness in the family, death in the family, quarantine, or court appearances. The student will be permitted to make up missed work and tests within the amount of time in which the student was absent up to 10 school days after return to school.

Students who are absent for illness for more than 3 consecutive school days, must have a doctor’s release before returning to school.

Unexcused Absence
Absences for other than the above reasons, even with the permission of parents, are considered “unexcused.” Teachers are not obligated to allow students to make up any or all of the work, or to give makeup tests, or extend time on assignments. Assignments and test missed due to unexcused absences may be made up at the discretion of teachers.

Authorized Family Absence/Vacations
Authorized family absences/vacations must be pre-arranged. To request approval of an authorized family absence/vacation, the parents and student must submit in writing to the Assistant Principal of
Student Affairs a petition that indicates the dates of the proposed absence and the reasons for the absence no later than two weeks prior to the scheduled absence. Such absences will be counted toward the student’s absences. Parents/guardians are asked to plan vacations during regular school vacation periods.

The student must also contact each of his or her teachers to request in advance the assignments that will be missed. Assignments missed during the extended absence must be submitted no later than the day the student returns to school. No early testing will be provided for families who plan authorized family absences/vacations during the week of final exams. Students who miss their final exams may receive a zero.

**College Visitations**
Every attempt should be made by parents/guardians to schedule college visitations so as not to interfere with the school day. Absence due to a college visit must be cleared by the Assistant Principal of Student Affairs no later than two weeks before the actual visit in order to obtain an excused status. A maximum of two college visit days per year will be allowed.

**Communicable Disease**
A student who has been absent from school because of reported communicable disease must have a permit (release) issued by the Public Health Department, a physician, or a nurse before he/she is admitted to school. The Principal may readmit a student absent because of non-reportable communicable disease, such as chicken pox, German measles and influenza.

**Television/Movie Contact**
Student absences due to television or movie contract are considered excused absences.

**Extended Absence**
An extended absence is an absence of more than 4 days. Extended absences are not in the best interest of the student. However, if parents and student find it imperative, the St. Anthony will consider releasing the student based on the student’s academic and attendance record as well as the reason for the absence. Approval must be requested two weeks in advance of the planned extended absence. Approval of an extended absence frees the student from truancy status but does not give him/her preferred status such as early testing or an extension of time before a grade is assigned. Please be aware that there are a limited number of discretionary days that the school will approve during the school year.

To request approval of an extended absence the parents and student must submit in writing to the Assistant Principal of Student Affairs a petition that indicates the dates of the proposed extended absence and the reasons for the absence. The student must also contact each of his or her teachers to request in advance the assignments that will be missed. Assignments missed during the extended absence must be submitted no later than the day the student returns to school. No early testing will be provided for families who plan extended absences during the week of final exams. Students who miss their final exams may receive a zero.

Remember, a student who accrues 10 or more absences in a semester will lose academic credit for the course(s) in which excessive absences occurred.
Leaving School Early

*No student may leave the school premises during the school day without clearance by the Attendance Office.* Normally such approval is granted only upon written request by the student’s parent or guardian. The majority of off-campus approvals are given for medical or dental appointments. Students should make every effort to have such appointments scheduled at other than school hours. If they must be scheduled during school hours, a series of such appointments should be scheduled so that the student does not miss the same class repeatedly.

**Required Call and Note:** Students who must leave the campus for any reason during the school day must bring a written request from the parent or guardian to the Attendance Office before 7:50 AM that day. Notes for medical, dental, or other appointments must include the student’s name and I.D. number and the name and phone number of the doctor or the person with whom the student has an appointment. The student’s parent/guardian must also call before 9:00 AM on the day of the appointment to verify the excuse.

**Off-Campus Pass:** The student will be issued an off-campus pass to be shown to the instructor at the time of departure. When a student returns from an off-campus appointment on the same day, the student should report to the Attendance Office before going on to class. If the student does not return until the next day, he/she is to report to the Attendance Office for a re-admit slip by 7:50 AM. In each instance, the student must return the off-campus pass with verification from the doctor or dentist’s office or place of appointment or from the parent if the early dismissal was due to a family matter.

**Illness during the school day**

- Students who become ill are to inform their classroom teacher and obtain a pass to go to the attendance office. The attendance clerk will then complete the necessary phone calls to insure the student gets home safely.
- Only minor and very basic first aid may be administered to students. No medicine of any kind, including aspirin, may be given to students without written permission from parents/guardians.
- Students may use the Sick Room for no longer than 30 minutes at a time. After 30 minutes, students must return to class or call their parents to come and get them. To be in the Sick Room for more than one hour or for recurring medical conditions requires a doctor’s note on file in the Attendance Office.
- It is school policy that a student who is too sick to remain in class is too sick to walk, use public transportation or drive home. Students must be signed out at the attendance office by parent or authorized person.

**Tardiness**

*School and classes begin at the sound of the bell.* Any student not in his/her place at that time is considered late.

**Tardy to School:** A student arriving tardy to school must report directly to the Attendance Office for a tardy slip. The slip must be presented to the teacher for admittance to class. A written note with parent/guardian signature or phone call to the Attendance Clerk from a parent excuses a tardy to school; text messages and emails will not be accepted to excuse a tardy. If a student is tardy to school, any food or drink in the student’s possession will be taken away.

Work missed due to tardiness may be made up at the discretion of the teacher.
If the student is tardy to school, whether the tardy is excused or unexcused, the following actions will take place:

- 3 tardies in a semester = courtesy notification email to parents
- 5 tardies in a semester = Saturday Detention
- 10 tardies in a semester = Saturday Detention, student/parent meeting with the Assistant Principal of Student Affairs, and Tardy Probation

**Tardy to Class:** A student late to class for any reason must report to the Attendance Office for a tardy slip. A detention will be issued if the student does not have a written excuse from a teacher, counselor, or other school personnel and/or does not have a reason deemed excusable to the school. The accrual of 3 or more tardies to class results in a detention.

**Saturday Detention**

Saturday Detentions are issued for failure to serve a rescheduled Dean’s Detention, for recurrent downloading of unapproved apps, and for the accrual of 5 tardies to school in a semester. Saturday Detentions are held on campus, in the Gym, or at Clark Field, from 8:00 AM to 11:00 AM (unless otherwise indicated). Students must be prepared to perform service (including, but not limited to, clean-up and maintenance work) for the school. Failure to serve a Saturday Detention will result in a one-day Out-of-School Suspension the following week.

**Tardy Probation**

Any student who accumulates 10 tardies in a semester in a year will be placed on Tardy Probation with a Behavior Contract. The length of probation shall not exceed one semester. Tardy Probation status requires the student to develop a plan of action to prevent future tardiness and removes the student from participation in extracurricular activities including sports, dances, non-academic field trips, and student activities, as a participant or spectator. The terms of the restriction will be spelled out in individual contracts signed by all parties involved. Tardy Probation is designed to modify the attendance habits of individual students.

**Truancy**

Truancies are those absences where a student is absent without parental knowledge and/or permission. A student will be considered truant if the parent or guardian fails to notify the school at the time of the absence. In addition, a student is considered truant when he or she is absent from school without a valid excuse for three full days in one school year or is tardy or absent for more than any 30-minute period during the school day on three occasions in one school year, or any combination thereof.

If a student is truant, he or she is subject to disciplinary action. He or she may not make up class work or tests missed because of truancy. A student who has been truant three or more times is considered a habitual truant and is subject to dismissal.

St. Anthony shall report the student to the local authorities. If a student has been absent without excuse, and it is impossible to contact parents/guardians within 24 hours and after repeated attempts, the school will notify the attendance office of the local public school district, the local police department, and or Child Protective Services.

**Work Permits**

No minor under eighteen years of age and over sixteen years of age who is required to attend school and no minor under sixteen years of age may work without a permit.
Work Permit applications may be obtained in the College/Career Office. To obtain a permit, students must present their applications at a public school in their attendance area. Work Permits will be processed within 24 hours after receiving application.

Employment of Minors
Federal and state laws restrict child labor, regulating the number of hours worked as well as the working conditions. Any employer who hires a minor (under 18 years old) must keep a copy of the minor’s work permit on file. Employers must require minors to present a work permit before allowing the minor to work. Students can obtain work permits from the local school district (for public school students) or their archdiocesan, parish, or private school. However, a minor who is 16 or 17 years old and has graduated from high school is not required to show a work permit and may be employed for the same hours as adults; evidence of high school graduation must be kept on file.

Ages 16 and 17
A minor can work only a restricted number of hours outside of school. A minor can work for no more than four hours in any day on which the minor is required to attend school. A minor who is at least 16 years old may work up to eight hours on a day that precedes a non-school day. Minors may not work more than eight hours in a day or more than 48 hours in six days in a week. They may not work before 5:00 a.m. or after 10:00 p.m. on an evening preceding a school day. A minor can work until 12:30 a.m. during any evening preceding a non-school day.

Ages 14 and 15
Employers may not hire children under 14 years except in some agricultural jobs. It is permissible to hire 14-year-old and 15-year-old minors. However, there are some special restrictions for this age group. Minors aged 14 and 15 may not work more than three hours on any day in which the minor is required to attend school, more than eight hours on a non-school day, more than 18 hours in a school week, or more than 40 hours in a non-school week. They may work only between 7:00 a.m. and 7:00 p.m. except during the summer (June 1 to Labor Day) when they are permitted to work until 9:00 p.m.

Minimum Wage for Minors
California law requires minors to be paid the state minimum wage unless they qualify as learners, who are defined as "employees during their first 160 hours of employment working in occupations in which they have no previous similar or related experience. A learner may be of any age."

Archdiocesan policy requires that all employees of the Archdiocesan Catholic Center, cemeteries, mortuaries, and parishes be paid at least the state minimum wage or the minimum wage in effect in the location's city or county. Consult with the Human Resources Department before establishing a wage rate for minors. For additional information, see the California Child Labor Laws pamphlet.

4.05 COMMUNICATION PROCEDURES

Parent/Teacher Conferences
Parent/Teacher conferences are available at all times by appointment with individual teachers.

Parent Messages and Phone Calls
Under ordinary circumstances, classes will not be interrupted to relay telephone messages to students.
If parents must contact their student in emergency situations, a message can be left with the main office at extension 0. In an emergency situation, parents will be asked to explain the nature of the emergency to an administrator before a class will be interrupted. Parents are asked to refrain from contacting their children directly via cell phone as students are not permitted to have cell phones out during the school day and risk disciplinary consequences.

A phone is available in the office for students to use if they need to call home in the case of an emergency.

Since student use of cell phones on the main campus and in the school building is prohibited during school hours, parents are asked to refrain from contacting their students via personal cell phones or other electronic devices.

**Communications Procedures**

**Voicing Concerns**

Students and parents should feel free to voice their concerns about any aspect of school life at St. Anthony High School. As a matter of policy, it is expected that the caller or writer will identify him/herself. If St. Anthony High school is to truly be a faith community, then fear of retaliation should not compel a person to remain anonymous when presenting or discussing a situation or concern. It is also good policy to deal with the person immediately involved in a situation, be it a teacher, coach, moderator, or administrator. If a satisfactory resolution is not reached, then it is appropriate to contact the Assistant Principal or Principal.

**Communication Protocol**

Parents are encouraged to participate in the education of their sons/daughters. We encourage and recommend regular communication with faculty and administrators. In order to resolve questions about grading, classroom procedures, controversial issues, or class-related discipline problems, we ask parents to:

1. First, contact the teacher, coach, or program coordinator to discuss the situation.
2. Second, if parents do not receive satisfaction, call:
   a. The Assistant Principal of Curriculum and Instruction for matters relating to curriculum or grading;
   b. The Assistant Principal of Student Affairs matters relating to discipline, attendance, or extra-curricular activities;
   c. The Assistant Principal of Mission and Catholic Identity for matters relating to Campus Ministry, Retreats or Christian Service; or
   d. The Athletic Director for matters relating to sports.
3. Third, if the situation is still not resolved contact the Principal.

Actions/Attitudes of Parents, Guardians or Others

Students can best receive a quality, morally based education if students, parents/guardians, and school officials work together. Normally, these parties can resolve their differences. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.

Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive. Parents/guardians may not reproach, insult, or abuse any teacher or administrator of the school, in the presence or hearing of a pupil or another teacher or administrator.

Any parent, guardian, or other person whose conduct in a place where a school employee is required to be in the course of his or her duties materially disrupts classwork or extracurricular activities or involves substantial disorder is guilty of a misdemeanor. (Education Code: 44811)

Any assault, battery, or threat of force or violence directed toward a teacher or staff member of St. Anthony High School by any parent, guardian or other person is grounds for immediate expulsion.

Under normal circumstances a student is not to be deprived of an education at St. Anthony High School on grounds relating to the actions/attitudes of parents. It is recognized, however, that a situation could
arise in which the uncooperative or disruptive attitude of parents might so diminish the effectiveness of the education process that continuation of the student in the school may be impossible. The school reserves the right to determine, in its discretion, when conduct is severe enough to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

4.06 CLOSED CAMPUS POLICY

Closed Campus Policy
To preserve the academic environment and school security, St. Anthony High School is designated as a Closed Campus. No person may enter the campus unless authorized by the school administration. Visitors, including parents, must sign-in and register at the Main Office if they are seeking information or have business to conduct with the school.

4.07 SAFETY & SECURITY PROCEDURES

Safe Environment
For the safety of St. Anthony High School students, faculty, staff, and coaches comply with Archdiocesan fingerprinting and safe environment guidelines. Faculty, staff, coaches and adult volunteers sign and adhere to the Archdiocese of Los Angeles Guidelines for Adults Interacting with Minors at Parish or Parish School Activities of Events. St. Anthony students who work or volunteer with children or youth sign and adhere to the Archdiocese of Los Angeles Boundary Guidelines and Code of Conduct for Middle and High School Youth Working or Volunteering with Children or Youth.

St. Anthony High School will not knowingly assign or retain a priest, deacon, religious, lay person, or volunteer to serve in its school or in any other assignment when such an individual has previously engaged in the sexual abuse of a minor.

Emergency Policies and Procedures
St. Anthony High School has implemented emergency policies, plans and procedures. It regularly drills its students and faculty on procedures in case of an emergency (i.e., fire, natural disaster, earthquake, and civil disturbance). The school has enough water, food, blankets, and first aid supplies to supply the entire student body and faculty for a period of 72 hours. Parents have made the school aware of their wishes for evacuating the campus on their emergency forms; however, please note the following:

- **Please do not telephone the school.** If our phone lines are operational, we will be using them for life-threatening emergency calls to outside agencies.
- The decision to cancel, dismiss, or to continue school will be made by the administration. We will use local news media (Radio Stations KABC-790 AM, KNX-1070 AM, and KFWB-980 AM, as well as Television Stations KCBS-Channel 2, KNBC-Channel 4, and KABC-Channel 7, to communicate with parents.

A copy of the school’s emergency plan is on file in the office at all times for review. These are only plans, which may be modified as situations dictate. We also ask each of families to go over their individual plans with their sons/daughters.

If an emergency occurs which effects the whole community, the safety of the students is the primary responsibility of the school administration, teachers, and staff. The following should be remembered:
- St. Anthony High School will not send students home in an emergency unless dismissal can be done with complete safety.
- An accurate and complete school Emergency Information form should be on file for every student. *Any changes should be noted immediately.*
- Parents should monitor the emergency broadcast system for information related to the schools.

St. Anthony High School will work cooperatively with all agencies in providing the care and comfort of its students. Students will be released to parents or to an adult supervisor designated by the parent.

**Emergency Drills**
The Long Beach Fire Department requires that every school conduct regularly scheduled emergency drills. Everyone on campus participates in fire, earthquake, and lockdown drills throughout the year. Evacuation plans are displayed in every room in the school. When an alarm bell rings, all students are to leave their places immediately and follow instructions. Silence and obedience to faculty directives are required during these exercises.

**4.08 ARRIVAL/DISMISSAL PROCEDURES**

**Arrival/Dismissal Procedures**
The school campus is open between the hours of 7:00 AM and 4:00 PM. When the campus is closed, students may not be on campus unless involved in a supervised activity.

Parents are expected to arrange transportation and supervision of their students in accordance with the dismissal times. The school assumes no responsibility for a student before or after the stated times unless he or she is participating in an approved, school sponsored activity.

St. Anthony faculty and staff chaperones will supervise students for up to one half-hour after the completion of an event, e.g. a dance, a game, a banquet, etc., in which they were attending or participating. It is expected that parents will pick up their student(s) during that time and no later. Parents may be charged the cost of supervision if they fail to pick up their student(s) within that time frame.

**4.09 AUTOMOBILES & PARKING LOT**

**Student Parking**
It is a privilege to bring a vehicle to school, and parking facilities are provided as a convenience for students. St. Anthony High School has a limited number of parking spaces available for students. Parking is by Parking Permit, only. All vehicles must be parked in designated areas. Students may not park in staff parking, visitor parking, handicapped parking, or any red zone.

Any student who drives recklessly in the parking lot or in the immediate vicinity of the school will lose his or her on-campus parking privilege, and, if the case warrants, the matter will be turned over to the police. Any student who drives or parks in school areas without permission will be subject to disciplinary action and may have his/her vehicle towed away at personal expense. Students may also lose parking pass privileges due to chronic tardiness to school or disciplinary reasons.

Vehicles parked on campus are subject to search.
Parking Permits will be issued to students with valid Driver’s Licenses. Permits will be issued to drivers of carpool first, and then to individual drivers, in the following order as space remains: Seniors first, then Juniors, and then Sophomores. A lottery system will be used if more applications are submitted than there are spaces available.

To obtain a Parking Permit, students must present a valid driver’s license, registration, and proof of insurance to the Assistant Principal of Student Affairs. The fee for a Parking Permits is $50 per semester, billable via FACTS. Fees are not refundable.

Permits are valid for one semester for one vehicle only. Students will be given the opportunity to renew their permits for Second Semester provided they have complied with parking policy guidelines First Semester.

Failure to comply with all St. Anthony High School and/or the California Vehicle Code Regulations may result in disciplinary action and a citation.

St. Anthony High School, St. Anthony Parish, and the Archdiocese of Los Angeles, and their employees are not responsible for any loss or damage to vehicles parked in campus and church parking lots.

Commuter Bus
St. Anthony High School has contracted with a licensed, outside bus contractor to provide a daily student commuter bus for a fee. Buses transport students before and after school between St. Anthony High School, Clark Field, and select parish schools.

Bus Passes
Monthly bus passes for students utilizing the commuter bus are available for purchase at the beginning of each month in the Front Office before school, at break, or during lunch. Any student riding a St. Anthony High School commuter bus, including athletes going to home games, must have a valid bus pass.

- One Way Bus Pass, AM or PM: $95 per month
- Round Trip Bus Pass, AM and PM: $190 per month

Bus Rules and Regulations
Bus rules are developed for the safety of all students who ride the school bus and for the safety and well-being of the drivers who transport our students on a daily basis to and from school. These rules are also to help us present a positive, Christian image to the community that we serve. We are convinced that all students can behave appropriately and safely while riding on a school bus. The school will not tolerate a student who prevents drivers from driving safely or prevents students from having a safe trip. Disciplinary consequences will occur and students may lose bus privileges in event of rules violation.

Basic Rules to be Followed:
- The bus driver is in charge at all times - passengers must obey.
- Loud talking and boisterous behaviors are prohibited.
- Hands, arms, and heads are to be kept inside the windows at all times.
- There is to be no yelling at persons outside the bus or throwing of anything inside or outside the bus.
• Bus passengers will not carry anything that will cause harm to another student.
• Food and drinks on the bus are prohibited at all times.
• Damage to the bus will be reported immediately and students who do damage will be required to pay for any repairs or replacements.
• Students should always be on time! If the bus is on schedule and the students are not at the specified bus stop, the bus does not have to wait for any late student.
• Drivers are not permitted to make any schedule adjustments or stop changes.
• All students shall share their seats and to move over to provide additional room as the bus fills with students. Drivers are not expected to stop the bus and walk down the aisle to create more seating places for students joining the bus.
• Passengers are required to be seated at all times.
• Passengers are not to use the rear emergency door except for emergency purposes only.
• Students are to enter and leave the bus in an orderly manner. Students are not to cross behind the bus. Students are expected to obey the rules of the road when walking to or from the bus stop (facing traffic if walking on the roadway).
• In the event of a mechanical problem or emergency situation, students are required to follow the instructions of the driver, and the students will remain on the bus. Passenger safety will be the number one factor.
• There is no pushing, shoving, fighting, or playing at any time on the school bus.

4.10 PARENT/GUARDIAN & NON-CUSTODIAL PARENTS RIGHT OF VISITATION

Rules for Parent/Guardian Visits
The school may adopt rules regarding the right of any parents/guardians to visit their child during school hours. This policy must be clearly stated in the parent/student handbook.

As a general matter, it is advisable that the principal and parents/guardians work out a mutually agreeable alternative to interrupting the student’s schedule at school.

While parents/guardians are welcome to visit their child during school hours, arrangements must be made with Assistant Principal of Curriculum and Instruction prior to the visit. There may be times when parent visits cannot be accommodated; in such cases, other arrangements will be made.

Rules for Non-Custodial Parent/Guardian Visits
Parents/guardians are responsible for providing any custody orders or other legal documents to the school that they wish the school to follow. Schools should take all reasonable steps to comply with these orders and are advised to ask the parents/guardians to provide the underlying agreements for these matters. The archdiocesan Office of the Legal Counsel is available to advise on how to handle these matters. The parent/guardian who has custody should be encouraged to present legal evidence to the school regarding the extent of the visitation rights of the other parent/guardian.

If a parent/guardian does not have legal custody of his or her child but has visitation rights, that parent/guardian may visit the child (subject to the school’s visitation policy and if the school does not have a legal order prohibiting such a visit). Prior to taking action, the Principal must identify the parent/guardian and determine if he or she has visitation rights.
Visitation rights are usually limited by the court to specified days and hours. The Principal must be aware of these restrictions. If a parent/guardian without visitation rights attempts to visit a student at school, the Principal shall inform the custodial parent/guardian.

Schools may not provide legal analysis of custody orders or advise parents/guardians on the interpretation of custody orders. If parents/guardians disagree on the meaning of a custody order, the parents/guardians must consult legal counsel or come to an agreement on its meaning and provide the school with written documentation of their decision. Schools do not guarantee enforcement of custody orders. If a parent/guardian violates a custody order, schools should call the other parent/guardian, the police, or both for assistance.

Children in Foster Care
When a child is in a foster home and the parents/guardians request to visit the child at school, the school shall inform the agency that is responsible for placing the child in the foster home.

4.11 HEALTH, ILLNESS, ACCIDENT PROCEDURES

Student Emergency Card
The Emergency Card for each student shall be complete and current, must be readily available to authorized employees, and shall indicate whether or not the parents/guardians have given the school permission to choose a physician in an emergency.

At the beginning of each school year as well as mid-year, the Emergency Card for each student should be completed by the parents/guardians. Subsequently, the parents/guardians must inform the school when there are changes to key information, including addresses for home or work, numbers for cell or work phones, names of persons to notify in case of an emergency, or medication prescriptions for the student.

In case of an emergency, the Emergency Card should be shown to the paramedics or emergency room staff in order to authorize treatment and advise them if a student has any particular medical needs or is on medication. Therefore, it is imperative that the Emergency Card information be accurate, complete, and current. Parents/guardians are required to update information about any medication the student takes on a regular basis.

When a student becomes ill or injured, the parents/guardians must be contacted immediately. If the parents/guardians cannot be reached, the school shall contact another person listed on the Emergency Card.

Policies Applicable to All Field Trips, Excursions, and Activities

The policies listed below apply to all excursions, including but not limited to trips for parish religious education, youth ministry and youth groups, traditional class field trips, travel for specific group events (e.g., choir, adult retreats and outings, science fairs, and academic decathlon), graduation and other celebratory trips, athletic games and practices, and certain ministerial and extracurricular activities held at locations. Contracts for field trips, excursions, and activities must follow the rules on signing authority.
Locations may, at their option, plan trips and activities for one or more days, including overnight field trips, retreats, and other excursions. All excursions, whether day or overnight, must comply with the following requirements:

- The excursion must be approved in advance by the person in charge or, if cosponsored or sponsored by an outside entity, by the regional bishop’s office or the Department of Catholic Schools, as applicable.
- Traditional field trips for elementary school and high school classes must have specific educational goals for students.
- For excursions outside a 100-mile radius of the location, in which the participants are students or youth, the person in charge should consider the budgetary constraints of parents/guardians, the excursion’s financial impact on other fund-raising activities, and class work that students will miss.
- The person in charge should have a detailed itinerary of any field trip or excursion that involves travel and hotel accommodations, including contact information for all transportation and lodging vendors, coordinators, and sponsors. Verify the licensing and Better Business Bureau ratings of travel agencies, especially those that operate only online.
- On field trips, excursions, or activities with participants who are minors, the supervising adult must have in his or her possession a signed and dated Student and Youth Activity Permission Form for each minor.
- On field trips, excursions, or activities with participants who are minors who take medication, the supervising adult must have in his or her possession a signed and dated Medication Authorization and Permission Form for each minor who takes medication. During the excursion, the supervising adult also must have any necessary medications in his or her possession.
- All participants—adults and minors—must have appropriate identification and, as necessary, travel documents.
- All chaperones and any vendors who both provide the trip and have contact with minors must follow archdiocesan safe environment policies, including fingerprinting requirements and background checks. No chaperone should ever be alone with a minor who is not his or her own child.
- The supervising adult or adult group leader must have immediate access to a first aid kit. First aid kits must be in all vehicles that transport participants to and from activities.
- In any area where there may be poisonous snakes, the group must have a snake bite kit.
- Vehicles used to transport participants must adhere to the rules on transportation for parishes and schools set forth in Transportation for Parishes and Schools.
- The supervising adult on field trips, excursions, or activities involving minors must have immediate access to student emergency information.
- At least one adult chaperone for field trips, excursions, or activities involving minors shall be in possession of a cell phone.
- Chaperones driving minors should be at least 25 years old. Non-driving chaperones should be at least 21 years old.
- Both male and female chaperones must supervise coed events.
- There should be at least two chaperones on every trip and two chaperones of each sex on every coed trip, so that no chaperone is alone with a minor. The number of chaperones who must be present to supervise minors should be decided on a case-by-case basis, giving consideration to the age of the participants and the nature of the activity. Locations with any questions should contact the Department of Catholic Schools or the Office of Religious Education.
• Clergy/staff members/faculty/volunteers who supervise minors or young adults, or who are group leaders of parish- or school-sponsored activities, may not be under the influence of alcohol or any substance that can cause impairment and may not offer alcohol or any controlled substance (except medication that is prescribed for a minor or young adult) to anyone under age 21.

• Adult participants should fill out and sign the Adult Consent and Release Form.

Assessing Risk of Certain Activities and Excursions
All activities present some degree of risk. Locations need to identify and evaluate the risks presented by their activities and, when necessary, take extra precautions or avoid certain activities that present greater-than-normal risk. Each location should be aware of which activities may involve additional risk and seek assistance if there is any question in this regard.

Generally, activities have greater-than-normal risk when:
- Participants are exposed to potentially significant risk of bodily injury.
- Property damage can be extensive.
- The location has no previous experience with the activity.
- The activity is not typical to the location's operations.
- The activity requires a license or other certification for operations.

It is not possible to list every activity that may expose locations to greater-than-normal risk. Locations should seek the assistance of the appropriate archdiocesan department before engaging in activities that may involve greater-than-normal risk and locations should use common sense at all times. See the basic risk management strategies below.

Seek Guidance Early in the Planning Process
If a location is considering any activity or excursion that may involve greater-than-normal risk, the person in charge should seek guidance from the appropriate archdiocesan department early in the planning process. Early contact will allow for a determination if the event is, in fact, risky, and if so, provide time to assess options.

Avoid Taking on Outside Risks
Occasionally, a location may be asked to collaborate on or cosponsor an activity with another organization.

If a location is collaborating with an outside entity for such an activity or program, it is important that the location clearly communicates to the participants, as well as parents/guardians of minors participating, that the activity is not sponsored by the location or the archdiocese and that the location assumes no responsibility for the activity. For example, a location may host a vision or high blood pressure clinic operated by licensed and insured persons/entities, but the location must inform the participants that the outside persons/entities, and not the location, are responsible for any consequences of participation in the clinic. Similarly, if, for example, certain activities or trips are organized and coordinated by outside travel groups, participants and their parents/guardians must be informed that the outside entities, and not the location, are responsible for any consequences of participation.

Obtain Informed Consent and Follow Safe Environment Programs
Irrespective of the degree of risk presented by an activity, the location needs to make sure that all program participants and parents/guardians of all participants under the age of 18 are fully aware of the nature of the proposed activity, including the mode of transportation, if any. Parents/guardians must
sign standard permission slips and medical releases for all school students regardless of age and all participants under the age of 18; see the Student and Youth Activity Permission Form (English version and Spanish version) and the Medication Authorization and Permission Form. No exceptions are allowed.

Locations must adhere to archdiocesan safe environment programs.

Always Use Qualified, Insured Contractors and Vendors
The use of experienced outside entities and vendors to provide services or sponsor activities can reduce the risk of an activity to the location by transferring some of the liability and insurance responsibility to the contractor. Contractors should not be used, however, as a justification to engage in activities with a greater-than-normal degree of risk. See also Volunteers and Volunteer Construction Work.

Be Flexible
Most activities that locations engage in do not exceed a normal degree of risk. Advance planning (especially for youth activities) and flexibility when selecting prospective activities can reduce frustration and allow the location to meet its objectives while insulating it from an unacceptable level of risk.

Have an Emergency Plan
All field trips, excursions, and activities require an emergency plan. These plans need to be responsive to reasonably foreseeable emergencies.

Be Aware of Insurance Coverage
Archdiocesan liability insurance generally covers all locations, employees, and volunteers in the event of a loss, an injury, or a claim by a participant that is caused by the alleged negligence of the location, employee, or volunteer.

Myers-Stevens & Toohey & Co. insurance, which is provided by the location to students, including religious education students, covers participants with no-fault, supplemental medical insurance in case of an accident. See Student Accident Insurance. Generally, Myers-Stevens & Toohey & Co. coverage does not cover participants when they are not actively supervised (i.e., during the night), unless the location has purchased additional coverage.

Employees who are injured in the course and scope of employment may make a claim for workers' compensation benefits.

Adult participants and volunteers who are injured are not covered by any archdiocesan medical insurance programs. They must look to their own insurance policies to cover medical expenses for their own injuries, and/or they can file a claim against the location in the event that the location is at fault for the injury.

If you have questions, please contact the Archdiocese of Los Angeles Risk Management Hotline at 1-800-877-9300, extension 8610.
Policies for International Travel with Minors

General Requirements

- Any group traveling internationally under the sponsorship of the Archdiocese of Los Angeles, or any parish or school, must have the approval of the person in charge who shall designate one participating adult as the group leader ("Leader") and a second participating adult as the assistant leader ("Assistant"). The Leader will have overall management responsibility. Should something happen to the Leader, the Assistant should be sufficiently familiar with the policies and procedures applicable to the trip to assume the Leader's responsibility if needed.

- All trips must adhere to the policies and procedures of the Archdiocesan Administrative Handbook (handbook.la-archdiocese.org) under section 12.3.1.1 - Policies Applicable to All Field Trips, Excursions, and Activities. Section 12.3.1.1, contains the required release forms, medical forms, safe environment/fingerprinting requirements, and insurance requirements. Necessary forms are linked within this section.

- Leaders should ensure all members of the group receive relevant information and training for traveling abroad, including (but not limited to) topics such as:
  o Obtaining all necessary documents (passport, visas if necessary) in a timely manner.
  o Being familiar with the itineraries, including all transportation, lodging and contact information (Leaders or travel agents must provide copies to all participants).
  o Staying safe when traveling internationally.
  o Packing, especially for first time international travelers. (Packing appropriately for weather and activities, mode of travel, etc. Poor packing can affect the group's ability to travel smoothly.)
  o Medications and prescriptions. Members of the group who need to take medication during the trip, must consult with their physician prior to leaving, particularly if they rely upon access to particular medications or require some accommodation for their medications, and must carry with them a copy of their prescription(s).

- When a group is traveling with minors, the Leader, Assistant and chaperones have supervisory responsibility at all times during the trip. Therefore, the Leader, Assistant and chaperones should not use alcohol, illicit or recreational drugs at any time. Other adult participants should not be under the influence of alcohol, nor illicit or recreational drugs in the presence of minors. Alcohol, illicit substances, and recreational drugs may never be given to minors.

Requirements for Adults Traveling in a Group with Minors

Any group traveling with minors must ensure all adults (18 and over) in the group, including other participants, clergy, parish or school staff, volunteers, chaperones and parents:

- Are fingerprinted by the Archdiocese of Los Angeles and verification of compliance is confirmed on VPIN (Volunteer and Personal Information Network). Fingerprinting Office phone: (213) 637-7411.

- Comply with the VIRTUS® Safe Environment Training by:
  - attending a VIRTUS® "Protecting God’s Children" Adult Awareness session, or
  - having a valid VIRTUS® Certificate dated within the past four years of their last session. Office of Safeguard the Children phone: (213) 637-7227.

- reviewing and signing the "Guidelines for Adults Interacting with Minors at Parish or Parish or Parish School Activities or Events." Handbook section 13.5.4.
Minors must not be roomed with those 18 or over, unless they are with a parent or relative. Copies of proof of Fingerprinting, current VIRTUS® Certificate, Guidelines for Adults, and Release of Liability must be on file with the sponsoring parish or school.

Requirements for Minors Under the Age of 16
The Archdiocese strongly discourages bringing minors under 16 years of age to international events. However, if the sponsoring archdiocesan entity allows minors under the age of 16 to participate, the minor must be accompanied by a parent/guardian, or another family member (grandparent, aunt, uncle, or sibling) who is 21 years of age or older and is designated by the parent/guardian in a written, notarized document stating that the designated person has the authority to act "in loco parentis". This document is required in addition to all the other required documents. The accompanying family member/legal guardian must comply with all policies and procedures established by the Archdiocese of Los Angeles.

Requirements for Minors Aged 16 to 17 Traveling without a Parent
• A parent or legal guardian must sign the "Student and Youth Activity Permission Form" which gives permission for the child to travel with the designated group.
• A parent or legal guardian must sign the "Medication Authorization and Permission Form" if the minor needs to take medication.
• Each Leader, Assistant and chaperone traveling with the group must accept in writing that he/she will have responsibility for the minors in the group.
• Minors traveling with the group must be informed which adult to contact if a concern arises.
• All minors shall sign a conduct agreement, which must include an acknowledgement by the minor and his/her parent/guardian that if the minor is sent home for any breach of the conduct agreement, the parent/guardian will be responsible for any and all costs associated with the transportation home.

Minors Aged 16 to 17 Traveling with a Parent
• If a minor is traveling with a parent or adult family member, then the parent or other family member shall assume the normal legal responsibility for that minor.
• If a parent or other adult family member is traveling with minors as part of a larger group, the adults in the family (meaning all members 18 or older) shall abide by the Requirements for Adults Traveling in A Group with Minors.
• If a family with minors is traveling as a family and not as a part of the official parish/school trip, the parents or other adult family member(s) shall be responsible for the minors and not the group Leaders or chaperones.

Age of Chaperones – Adult/Minor Ratio
• Chaperones and group leaders must be at least 21 years old (preferably 25).
• The adult/minor ratio must be at least 1 adult for every 5 minors.

Policies Related to World Youth Day
All policies stated above apply to World Youth Day, with the addition of these particular instructions:
• Participants must be 16 by the date established by World Youth Day to be a registered pilgrim and may be registered as a pilgrim of a parish/school group if the minor is traveling as part of a registered group for the whole period of attendance at World Youth Day.
• World Youth Day offers a variety of registration packages. Groups with pilgrims 16-17 years old may not choose the simple accommodations package nor participate in Days in the Dioceses.
These options involve the possibility of staying with local families or sharing rooming space with pilgrims from other groups.

- Minors may be registered as Pilgrims if they are traveling with one or both parents for the whole period of attendance at World Youth Day, including Days in the Dioceses (if they are participating).

**Immunization and Medical Screenings**

The California Health and Safety Code requires students to provide proof of immunization for school entry and also requires schools with kindergarten or seventh grade to assess and report annually on the immunization status of students in these grades. Schools may report online at Shots for School. Issued annually by the State of California, all directives regarding immunization shall be implemented.

Up-to-date information on immunization requirements can be found at Shots for School, the County of Los Angeles Department of Public Health, and the California Code of Regulations section on immunization.

School procedures pertaining to the health of students must be communicated in writing to parents/guardians, generally in the parent/student handbook. Students, with the permission of the parents/guardians, may be subject to routine examinations in school, including hearing, vision, dental, head lice, and scoliosis.

**School Procedures for Immunization and Screenings**

St. Anthony High School follows the immunization requirements of the CA Department of Health detailed here: Shots for School. Specifically, California State law requires proof of immunization against polio, measles, diphtheria-tetanus (Tdap) for first admission students. Students must also have a tuberculosis test if they are entering a California school for the first time.

**Health Records**

St. Anthony High School complies with all department of public health requirements. The school maintains on file a health record for each student. Upon a student's transfer, student health records are forwarded with the student transcript to the receiving school. St. Anthony High School complies with all Family Educational Rights and Privacy Act (FERPA) rules as applicable.

**Medical Appointments**

Early dismissal for medical or dental appointments shall be granted when the parents/guardians make a request. Parents/guardians are urged to keep such requests to a minimum and encouraged to make arrangements for care during vacation periods or after school hours.

**Medications Administered at School**

Students may only be administered medications that are prescribed for them personally. Any medications they bring to school that are not prescribed for them will be confiscated and they may be subject to appropriate discipline.

The school may not furnish medications. All medications administered at school must be provided by the parents/guardians.

- The Medication Authorization and Permission Form must be provided. This form, which states the nature of the medication, must be signed and dated by the doctor and the parents/guardians.
• Medication administered at school must be in the original container and labeled. The day's dosage must be sealed, be labeled, and have the student's name attached. It shall be in an appropriate container and be kept in the school office or nurse's office.

• The student must come to the office for medication.

• Because of the risk of students sharing medications, students may not carry medication of any kind to be self-administered at school. If a student is seriously at risk without an EpiPen or inhaler on his or her person, the student may receive special consideration.

• A student may not be given medicine prescribed for other family members.

• These medication regulations apply to both prescription and non-prescription medications.

• A student who is diabetic is allowed to test his or her blood sugar at school in the health room or office and self-administer medication as necessary. If a student is too young or otherwise unable to self-test his or her blood sugar, a location may make arrangements with the student's family to assist with testing. All medications must be kept in the school office or nurse's office and appropriately labeled as described above. School employees may not administer injections to a diabetic student except in emergencies, unless other arrangements are made in advance.

If parents/guardians do not complete the Medication and Authorization Form by indicating the student's prescribed medication, the parents/guardians will have to come to school and personally administer that medication.

Communicable Diseases
When communicable diseases are identified, the Principal shall immediately refer to the reporting requirements of the Los Angeles County Department of Public Health in accordance with local requirements. The Principal shall cooperate with the local health officer on necessary measures to prevent and control communicable diseases.

A reported communicable disease may cause a staff member to miss work or a student to miss school. Before the staff member can return to the workplace or the student can return to school, he or she must have appropriate permission issued by the department of public health, a physician, or a nurse.

Food Allergies
While St. Anthony High School endeavors to minimize exposure to food products to which a student may be allergic, the school cannot guarantee an allergen-free environment. The school cannot preclude other students from bringing foods that contain potential food allergens in their lunches or for their snacks. However, the school will inform faculty and staff of a student's allergies and ask them to reduce the risk of exposure to the allergens. It is understood that by enrolling a student at St. Anthony High School, parents accept the risks of allergen exposure.

Student Sexual Conduct and Pregnancy

Introduction
The following guidelines of the Archdiocese of Los Angeles call upon clergy, religious educators, teachers, youth ministers, young adult ministers, family life ministers, parents/guardians, and Church leaders to collaborate in fostering among all age groups a healthy and holistic Christian attitude toward human sexuality.

Catholic Vision of Human Sexuality
Human sexuality and sexual morality are studied within the context of moral formation in Christ.

A positive and balanced Catholic view of sexuality begins with the premise that human sexuality is a gift from God in whose image human beings are created. Human sexuality should be viewed as a gift possessing inherent goodness and properly placed within a faithful, fruitful, and lifelong marriage (National Directory for Catechesis, 45.F).

A primary purpose of Catholic education in a school, religious education program, or another parish program, whether for youth, adults, staff, or clergy, is to guide all persons in the growth and formation of Christian values and moral conduct, including Catholic teachings on the sanctity of all human and family life and a recognition that the sanctity of family life is enhanced by a loving, permanent, and mature commitment in marriage.

While psycho-sexual development is an important aspect of the transition to Catholic adulthood, Catholic moral teachings frame this process through age-appropriate expressions of affection, friendship, and love. Parents/guardians are expected to love and respect each other and their children. To their children, they are to be the principal role models, examples, and educators of these teachings. All faithful are called to continue their formation and serve as examples for others throughout their life. Those who are not married should reserve for marriage the expressions of affection that belong to married love.

"All the baptized are called to chastity. The Christian has 'put on Christ,' (Gal 3:27) the model for all chastity. All Christ's faithful are called to lead a chaste life in keeping with their particular states of life. At the moment of his Baptism, the Christian is pledged to lead his affective life in chastity" (Catechism of the Catholic Church, 2348). Chastity is not limited to sexual conduct, but includes moral decision-making and mutual respect for people, through interactions with others and respect for one’s own body. Accordingly, whether in thoughts or acts, lust, masturbation, fornication, adultery, prostitution, pornography, and rape involve a disregard for the call to chastity.

Pornography and sexting immerse all who are involved in the illusion of a fantasy world. They offend against chastity because they pervert sexual acts. They do grave injury to the dignity of participants: actors, vendors, the public (see Catechism of the Catholic Church, 2354).

"Homosexual persons are called to chastity. By the virtues of self-mastery that teach them inner freedom, at times by the support of disinterested friendship, by prayer and sacramental grace, they can and should gradually and resolutely approach Christian perfection" (Catechism of the Catholic Church, 2359).

Sexual activity that is unwelcome, that threatens an individual or involves any misconduct by a youth or an adult toward another person, not only violates these moral teachings but also may be unlawful under civil law. Misconduct, whether it occurs in the school, church, home, or elsewhere, may be subject to mandatory reporting laws and can subject youth and adults to criminal sanctions. In certain circumstances, sexual conduct, even if it is apparently consensual, must be reported and can have criminal implications if one of the participants is not yet 18. For more information, see Safe
Environment.

**Education in Human Sexuality**

Education in sexuality is a continual process, an invitation for people to grow and develop as morally mature sexual beings, regardless of age or calling in life. Parents/guardians are the first educators of their offspring. In our Catholic tradition, education in human sexuality begins with them as parents/guardians and educators imparting understanding and knowledge in the context of Catholic teachings and its vision of the development of morally mature sexual beings. A Catholic vision of human sexuality, from childhood through adulthood, affirms that:

- All human life is created in God's image and has inestimable value.
- All persons are challenged to develop moral decision-making skills that would enable them to make responsible choices in human sexuality.
- All persons, while recognizing that weakness and sinfulness are part of the human condition, are called to respond with compassion and understanding to those who misuse the gift of human sexuality. Interior transformation in light of the Paschal Mystery and the role of grace, virtue, formation of conscience, and sin are foundational themes that pave the way for a balanced approach to human sexuality.

The ultimate objective of education in human sexuality is the personal realization of total sexual identity and the effective maturation of the person. The purpose of education in human sexuality, whether formal or informal, is threefold:

- To give each person an understanding of the nature and importance of sexuality as a divine gift, a fundamental component of personality, and an enrichment of the whole person.
- To give each person an understanding of chastity as a key virtue that develops a person's authentic maturity and makes one capable of guiding the sexual powers in the service of love and integrating it into psychological and spiritual development.
- To give each person an appreciation that sexuality is intended to express and to lead all to a knowledge of, respect for, and sincere personal adherence to the moral norms regarding sexuality that are taught by the Church.

**Educational Framework for Human Sexuality**

Programs and courses in human sexuality must be holistic, positive in their approach, and based on the fundamental truth that all human life is created in God's image and has inestimable value. "Sexuality affects all aspects of the human person in the unity of his body and soul. It especially concerns affectivity, the capacity to love and to procreate, and in a more general way the aptitude for forming bonds of communion with others" (Catechism of the Catholic Church, 2332). Education in human sexuality must be designed to assist each person in the Catholic Christian community to form a correct and informed conscience in order to be morally responsible. Persons given the responsibility of assisting others in their sexual formation should be:

- Committed to their own growth in sexual development.
- Accurately informed with the necessary knowledge to discuss sexual issues.
- Able and willing to follow and communicate authentic Church teaching regarding sexual morality "with authority, candor, sound reasoning and fidelity" (Human Sexuality: A Catholic Perspective for Education and Lifelong Learning, p. 25).

Those engaged in human sexuality education and formation must demonstrate, in word and attitude, a sensitivity to gender issues by presenting the equality of the sexes as designed by the Creator and discourage stereotyping and/or exploitation of the sexes.
Curriculum content and concepts must be introduced at maturity levels according to the emotional, intellectual, and physical development of the person. Programs and courses in human sexuality formation require ongoing collaboration and evaluation involving those affected by the process. The decision to implement programs and courses in human sexuality education must involve parents/guardians, pastors, teachers, catechists, and other leaders in catechetical ministry. Parent/guardian representation is important in setting goals and selecting programs and courses for children and youth. All parents/guardians should be given reasonable opportunity to preview the selected materials. Having studied a program, they have the right to remove their children from any human sexuality course. In addition to formal instruction, consideration should be given to providing informal opportunities to address these issues, including activities such as retreats and other programs.

The content of the instruction and the textbooks and supplementary materials must conform to the authentic teachings of the Church as proposed in the Catechism of the Catholic Church. The promotion of Catholic Christian values in the midst of the pervasive influence of media (advertising, books, films, magazines, music, radio, television, videos, and the Internet) requires that:

- Media be considered a valuable and effective educational tool
- Care be taken to provide the learner with the skills of discernment in the use and evaluation of all forms of media, particularly the media of the Internet
- Prudent judgment be exercised in the selection and use of all media for human sexuality programs and courses

**Pregnancy Involving Students or Other Minors**

Should a pregnancy occur involving a student or other minor, the entire school or parish community should offer Christian support to the mother and father to assure appropriate prenatal medical and counseling care so that the pregnancy can be brought to term and the infant will have an opportunity to grow and be nurtured as a child of God. In such circumstances, the principal, pastor, youth minister, and other appropriate staff should meet with the pregnant couple and their parents/guardians to plan for the pregnancy, including discussing alternatives to school and religious education arrangements that are appropriate for the needs, health, and safety of the child in the womb, the pregnant couple, and the school or parish community. In schools, the principal, in consultation with the Department of Catholic Schools and the pastor (for elementary schools and parish high schools), shall review all aspects of each case and make a determination, based on the particular circumstances, of the need for any schooling accommodations or arrangements.

In cases of pregnancy, the father (if known) and mother of the child should be encouraged and assisted to obtain professional medical care and counseling consistent with Catholic teachings, including teachings on the immorality of abortion. The Department of Catholic Schools can assist in the process and serve as a resource for services and referrals.

Please see the list of foundational documents on human sexuality.

**Procedures Related to Student Pregnancy**

St. Anthony High School upholds the Archdiocesan policy regarding the pregnancy of a student. Although the school subscribes to the Church’s teachings regarding premarital sex and the sanctity of the human body and family life, it realizes that when a pregnancy occurs the total school community should seek to offer support to the pregnant student and/or the student father in a Christian and humane manner.
The school assists the pregnant student to complete her high school education either by allowing her to continue attendance or by referring her to an alternative program or programs recommended by the Catholic Social Services.

If the student chooses to remain in school, she must provide medical clearance from her doctor attesting to her participation in classes and all school activities. She will be allowed to participate fully in all activities to the extent that the condition of the student and the common good of the school shall allow. The Principal, in consultation with the Regional Supervisor, shall review all aspects of each case and make determination based upon its unique circumstances. If the student desires to return to school after the birth of the child, the school will facilitate her enrollment.

Without jeopardy to the above guidelines, the school shall retain the right and the responsibility to promulgate and implement disciplinary measures, including expulsion for public and overt breaches of Catholic moral teaching.

**Policy Regarding Abortion**
The teaching of the Catholic Church is clear regarding the inviolable right to life of all human beings, the reverence and respect owed to each person including those conceived and not yet born, and the morally indefensible procurement of abortion.

Abortion, which disregards innocent human life, is incompatible with and contradictory to the fundamental teaching of the Church, the mission of the Catholic school and the values that ought to permeate Catholic education. (*Gaudium et Spes*, 51; Code of Canon Law, 1398)

Catholic teaching does not accept that anyone may justifiably arrange for or procure an abortion for oneself or for another person, be forced or pressured into having an abortion or influence or coerce another person to have an abortion. Moreover, given the already existing network of prenatal programs and pregnancy counseling available in the Archdiocese of Los Angeles, there is no acceptable reason why any student should be coerced into having an abortion.

Therefore, the involvement of any student in procuring or assisting in the procurement of an abortion is cause for such student to be dismissed from school. Furthermore, if any student's parent or guardian coaxes and/or assists in the procurement of an abortion for his/her daughter or any other student, this action is also cause for the son/daughter of that parent/guardian to be dismissed from school.

In accord with the policy above, each situation regarding abortion will be handled on an individual basis, applying the following suggested procedural guidelines.

**Research Projects and Rights of Parents**

**Rights of Parents/Guardians**
St. Anthony High School will inform parents if a research project involving their child is to be conducted at the school and will provided them with sufficient information about the research to enable them to give informed consent. Parents/guardians have the right to withhold permission allowing their child to participate in research studies. Parents/guardians have the right to withdraw their child at any time from a research project without reprisal.
Parents/guardians have the right to request to preview the materials to be used in a research study that involves their child. Requests to review the Research Materials should be made with appropriate written advance notification to the school and to the researcher.

Except in a limited range of research areas where an Institutional Review Board determines that a waiver of assent is appropriate, student assent to participation in a research project must be obtained. If a student reaches the age of consent applicable to the subject matter of the research project, the student must be given the opportunity to provide informed consent. Students have the right to withhold their assent and have the right to withdraw without penalty. Students who are not participants in research studies may not be singled out in any way or penalized.

**Responsibilities of the School Administrator**

Although a research project may have received prior approval from the Department of Catholic Schools, the principal, in consultation with the pastor, is responsible for determining whether to participate in the research project.

The researcher must provide the participating principal with a copy of the approval letter from the Department of Catholic Schools; a copy of any communication to teachers, parents/guardians, etc.; and a copy of all materials and/or instruments to be used.

The school and researcher must make every effort to minimize disruption to the daily school schedule.

If the subjects involved are students, permission for their participation must be obtained in writing from parents/guardians and Informed Consent Forms and Subject’s Bill of Rights forms (“Disclosure Materials”) must be provided to students and parents/guardians.

Informed consent requires that parents/guardians are given sufficient information about the research, prior to granting permission for their child’s participation in the research project. Informed consent also implies that parents/guardians, upon written request to the school and to the researcher, may preview the Research Materials at the school. Except where the school is informed that the Institutional Review Board has waived the requirement, minor students who participate in the research project must give their assent.

If requested, all Disclosure Materials and, where possible, all Research Materials must be provided to the students and parents/guardians in the language with which they are most familiar.

Disclosure and Research Materials must be carefully supervised by the principal or the researcher, since appropriate ethical and professional standards must be observed in the use of copyrighted materials, such as test instruments. (Some tests are protected under copyright laws and ethical guidelines prohibiting prior review by test subjects must be observed.)

Appropriate educational activities for children in control groups or for children not participating in the research project should be considered and provided, if necessary.

Communication to parents/guardians about research projects should be handled in collaboration with the principal. The names and addresses of students or parents/guardians should not be given to the researcher without the prior consent of the parents/guardians.
The local school administrator, in consultation with the Department of Catholic Schools, retains the right to withdraw from participation in a research project.

**Accident Procedures**

In cases of student accident or injury on campus or at a school sponsored activity, the following actions will be taken.

- The condition of the injured student will be assessed by the adult supervisors.
- Depending on the severity, parents/guardians or emergency services (911) followed by parents/guardians will be contacted.
- First aid will be administered if necessary.
- An Accident Report Form will be completed and submitted to the Assistant Principal of Student Affairs.
- A copy of the Accident Report Form and school insurance forms will be provided to the student or parent/guardian.

**Student Accident Insurance**

The Student Accident Insurance Program is provided for all full-time students in archdiocesan and parish schools. This program supplements other health insurance maintained by the family and assists only with medical expenses incurred because of accidental bodily injury sustained by students while attending school, while traveling to or from school, or while participating in school-sponsored and school-supervised activities, including school-sponsored sports, field trips, and extended school day programs. Information concerning the Student Accident Insurance Program should be provided to parents/guardians by each school.

In the event of a school-related injury, the archdiocese accident claim form should be used to make a claim under the Student Accident Insurance Program. See the Myers-Stevens Student Insurance Claim Form and the Archdiocese of Los Angeles Incident/Accident Report (Non-Automobile). Myers-Stevens offers other insurance that school parents/guardians are not obliged to purchase.

**4.12 PRIVACY AND ACCESS TO RECORDS**

**Privacy and Access to Records**

“Parents of currently enrolled or former pupils have an absolute right if access to any and all pupil records related to their children which are maintained by school districts or private schools.” (Family Rights and Privacy Act, 1974).

By definition, “parent” means a natural parent, an adoptive parent, or a legal guardian. Under federal regulations, “parent” includes a natural parent, a guardian, or an individual acting as a parent of the student in the absence of a natural parent or guardian. An educational agency or institution may presume that a parent has the right of access to pupil records unless it has received evidence that a state law or court order has indicated otherwise.

“Access” means a personal inspection and review of a record or an accurate copy of a record, receipt of an accurate copy of a record, and oral description or communication of a record, or an accurate copy of a record and request to release a copy of any record.
**Pupil Records**

"Pupil records" means any record related to a student that is maintained by a school or one of its employees. It includes health records. It does not include directory information or a school employee’s informal notes, if the notes remain in the sole possession of the maker and are not made available to others, except to a substitute teacher.

Only the principal, as custodian of the records, may authorize the release of pupil records. Only teachers or administrators charged with pupil oversight have the right to view or use pupil records. A teacher’s aide may view or use pupil records only with direct teacher supervision. Pupil records may be released by judicial order, such as a subpoena or search warrant. In specific cases, such as suspicion of kidnapping, police officers may be given access to records.

Parents/guardians of minors have the absolute right to access their child's pupil records in accordance with the school’s reasonable procedures for providing such access. Parents/guardians may grant any specified person written consent to access specifically identified pupil records. In cases of legal separation and/or divorce, California state law gives the custodial parent/guardian and non-custodial parent/guardian with visitation rights the right to access and examine pupil records. However, only the custodial parent/guardian may consent to the release of records and has the right to challenge the content of the records and to write responses to information regarding disciplinary action. A non-custodial parent/guardian without visitation rights has no right of access to records of any kind. Questions about releasing pupil records can be directed to the Office of the Legal Counsel.

**Permanent Student Records**

Permanent student record cards include the following information:

- Personal and family data with certification of name, place and date of birth of the student and the name and address of the parent or guardian having custody of the student.
- Test data
- Transcript of courses
- Record of withdrawal or graduation and place to which any copy of the record is sent
- Verification of exemption from required immunization

When a student transfers or graduates, St. Anthony High School retains the permanent record.

**Directory Information**

Directory information means one or more of the following items: a pupil’s name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the pupil.

To the extent possible, the school will minimize access to student phone numbers and email addresses, unless the parents/guardians consent to broader access. To the extent possible, other users of directory information should also try to minimize access to and distribution of student phone numbers and personal email addresses, unless the parents/guardians consent to broader access.

In no case, should commercial enterprises have access to directory information.
Lists of room parents/guardians, students in each grade, phone numbers, email addresses, and any other personal information about families and students are considered confidential and may be used only for the purposes specified.

**Release of Directory Information for Tracking Purposes**

Catholic high schools in the Archdiocese of Los Angeles participate in programs in which students' personally identifiable information is disclosed to school officials for purposes of tracking alumni throughout college. This data enables schools to better serve their alumni and helps evaluate the effectiveness of schools' curriculum, instruction, and support services.

A school may disclose directory information as defined above to school officials, including contracted individuals or organizations such as the National Student Clearinghouse, to assist the school in tracking its alumni throughout the college. Unless a parent, student, or former student files a notice to prevent disclosure of directory information, a student's information may be released for the purposes described herein.

Any parent or student over 18 ("eligible student") wishing to prevent disclosure of directory information for tracking purposes must file a written notification to this effect with the Principal. If a parent or eligible student submits a request to the Principal, it becomes effective on the day it is received by the Principal, except for directory information that has already been disclosed.

Once a parent or eligible student places a hold on the release of directory information, the restriction remains in effect permanently, unless rescinded by the parent or eligible student. For this reason, each parent and eligible student is encouraged to review the student's demographic data periodically.

**Parent Authorization to Use Student’s Image, Name, Voice and/or Work**

Without the written permission of the parents/guardians of a student or minor, St. Anthony High School will not publish or use for noncommercial purposes the image, name, voice, or work of the student or minor. This policy includes but is not limited to publicity, exhibits, printed or electronic media broadcasts, student publications, marketing, or research. Parents may rescind authorization at any time by submitting a request in writing to opt out to the registrar.

**Verbal/Written Confidences**

Students or parents/guardians may provide confidential information to school employees in many ways. Students may communicate verbally or in writing, such as using a note or writing/journal assignment.

All school employees must respect the verbal or written confidences of students and adults, *except in cases that involve the health or safety of students or others*. If the confidence relates to a health or safety issue, the school must promptly notify the Principal, other person in charge, or appropriate authorities, keeping in mind the privacy rights that apply. The school will follow the archdiocesan policy on reporting suspected abuse of children or vulnerable adults.

**Disclosure of Student Personal Information**

St. Anthony High School will not disclose student personal information without written student/parent consent.
4.13 TRANSFER OF RECORDS

Student Transfers, Withdrawals and Graduation
Whenever a student transfers, the former school shall provide a copy of the Cumulative Pupil Record form and the original health records to the intended school when the intended school requests the information and the student’s parents/guardians submit a release. The original Cumulative Pupil Record form will remain at the school.

On the original Cumulative Pupil Record form and in the attendance register, the former school shall record the transfer, reason for the transfer, and name of the school where the student is transferring or entering after graduation.

A school will not give official transcripts to students or parents/guardians.

Principals may be required by the county office of education to report the transfer, withdrawal, or expulsion of any student.

The school grants full credit for all work a student accomplishes up to the time of transfer, withdrawal, or expulsion.

Withdrawal/Dropout
The name of any student who is a minor that drops out of school for any reason is reported to the county superintendent of schools. Whenever a pupil transfers from St. Anthony High School to a district within the state, the pupil’s permanent enrollment and scholarship record or a copy thereof shall be transferred by St. Anthony High School upon request from the district or private school where the pupil intends to enroll. The school reserves the right to make the final determination regarding how much, if any, tuition is refunded. As a matter of policy, the monthly tuition is not refunded if the student has attended the school for even a single calendar day of that month, regardless of the reason for leaving the school.

There are five types of student withdrawal:

- **Parent Withdrawal**
  A student transferring to another school must bring to the Registrar’s Office a note from his/her parents requesting the transfer. After a conference with the parents and Principal is held, the registrar will issue an official transfer paper, containing the appropriate signatures to be signed and returned to the registrar. Failure to comply with this process will delay the issuance of transcripts to the receiving school.

- **Disciplinary Withdrawal**
  Upon the recommendation of the Discipline Board and/or Assistant Principal of Student Affairs, and with the approval of the Principal, the Assistant Principal will inform parents and students of the school’s decision for withdrawal. The Assistant Principal will also inform the Registrar’s Office of the withdrawal. In most cases the Assistant Principal will give the Registrar’s Office forty-eight hours’ notice to complete transfer forms. However, situations may arise when the parents may request the forms immediately. The registrar will inform teachers at least twenty-four hours in advance of the withdrawal so that transfer papers may be competed. Completed transfer papers will be turned in to the registrar. The Assistant Principal will assist the registrar if necessary. Any student asked to withdraw from St. Anthony High School for disciplinary reasons must do so within seventy-two
hours of the school’s request. Automatic expulsion may occur if withdrawal procedures are not competed within this time frame.

- **Academic Withdrawal**
  A student receiving three or more F’s in any one academic school year may be asked to withdraw from St. Anthony High School. The Registrar will follow the same procedures as in the disciplinary withdrawal.

- **Confidential Withdrawal**
  In special cases of confidentiality, the administrator to whom the case is referred will handle the transfer forms. The Registrar will be informed of the withdrawal.

- **Graduation**
  Students who successfully complete all the graduation requirements for St. Anthony High School withdraw upon graduation, and transcripts are sent to post-secondary institutions upon request.

**Withholding of Records**
Under California law, a private school cannot refuse to provide student records to a requesting elementary school or high school because of any outstanding charges, including tuition or fees that the student or parents/guardians owe.

However, in accordance with school policy, the school may withhold from parents/guardians the grades, diploma, or transcripts of a student pending the payment of certain amounts for damaged property, the return of loaned property, or unpaid tuition or fees.

**Cumulative Pupil Record**
On the official archdiocesan Cumulative Pupil Record form for each student, the school enters full and accurate records, including standardized test results.

Cumulative Pupil Record forms should include only the following information:
- Personal and family data: Name, date of birth, and place of birth of the student, and the name and address of the custodial parent/guardian
- Standardized test results
- A transcript of classes
- Attendance information
- A record of withdrawal or graduation and the location that receives a copy of the record
- Verification of or exemption from required immunization (recorded through high school graduation)

Cumulative Pupil Record forms are kept on file permanently as hard copies in secure fireproof containers or as electronic copies. Only authorized personnel may have access to these records. The school maintains health records in a separate file for four years.

**4.15 INTERNATIONAL STUDENTS**

**International Students**
The Archdiocese of Los Angeles welcomes international students. Through the cultural exchange of learning, praying, playing, and growing together, the presence of these international students enriches the educational and religious experiences of everyone in the school community.
All international students who do not live with a relative must live with host families who are identified on the student's I-20 forms. Student apartments, dormitory-style living, and unsupervised living are not permitted, even if the students are 18 years old or older.

St. Anthony High School is not involved in the selection of host families. A letter from the student's parents/guardians that identifies and approves the host family and place of residence is required.

The parents/guardians, host family, and/or ISEVPO, if used, shall notify the school if there is any change in the student's host family or residence.

Faculty, staff, coaches, and/or their spouses may not serve as host families or guardians.

Host families are required to meet with the school for orientation and periodically thereafter. Host families must attend meetings and functions required of domestic parents/guardians. Host families that are not contractually required to attend safe environment training are nevertheless encouraged to do so.

All international students are required to be enrolled in a religion course for a grade/credit each semester. The international student will be expected to participate, as appropriate, in religious functions and events.

For more information about international students see: [http://handbook.la-archdiocese.org/chapter-13/section-13-1/topic-13-1-6](http://handbook.la-archdiocese.org/chapter-13/section-13-1/topic-13-1-6)

### 5. ACADEMICS

#### 5.01 CURRICULUM

Curriculum
The curriculum at archdiocesan Catholic schools integrates the mission of Christ to teach the Gospel message to all. The archbishop and archdiocese are committed to providing strong academic experiences for students in school communities that reflect two purposes: the teaching mission of the Church and the need to educate youth for life in a way that relies on academic skills and requires sound preparation.

The curriculum consists of all learning experiences that are planned and organized under the principal's leadership, implementing the school's educational goals in a manner that reflects a commitment to Catholic teachings. The curriculum must be consistent with the philosophy of the school, educational policies of the archdiocese, and requirements of the applicable sections of the California Education Code. The commitment to ongoing academic excellence, personal growth, leadership, and service as components of Catholic identity extends to all aspects of the academic program.

The curriculum at St. Anthony High School is planned at each school to meet these overall objectives and the particular needs of the individual school community. The Department of Catholic Schools provides support for curriculum matters. The archdiocesan high school curriculum is coordinated by the principal with senior academic and administration staff. While the principal may raise curriculum issues with consultative school boards and groups, the principal reserves responsibility for curriculum matters.
St. Anthony High School endeavors to develop in its students’ intellectual growth, moral and spiritual maturity, responsible citizenship, social awareness, physical well-being, and an understanding of the alternatives in his/her vocational and educational future. St. Anthony High School provides for both the college-bound and non-college bound student. The schools’ curriculum meets all State, Archdiocesan and college requirements. Please note the requirements for graduation for St. Anthony High School correspond to entrance requirements for the University of California and the California State University systems.

It is important that parents understand that occasional scheduling conflicts and enrollment numbers may necessitate a change in student schedules and courses offered. For this reason, students cannot be guaranteed a place in all their first choice classes.

Course Offerings
Current course offerings may be found on the school website at: https://www.longbeachsaints.org/apps/pages/index.jsp?uREC_ID=54336&type=d&pREC_ID=1435220

Notes
• Students must demonstrate minimum proficiency to progress to the next sequential math or world language.
  o Minimum proficiency for math is a grade of C or better in the current course and a passing score on the readiness test for the next course.
  o For Spanish progression, a grade of C or better is required in Spanish 1 to progress to Spanish 2. To progress to Spanish 3 students must earn a B or better in Spanish 2.
• Students are permitted to repeat only one sequential course, i.e. Spanish or math, at St. Anthony High School during the regular school year. All other courses must be made up during summer school.

For additional information, refer to the ADLA Administrative Handbook at http://handbook.la-archdiocese.org/chapter-4/section-4-3/topic-4-3-13.

Advanced Placement and Honors Courses
Advanced Placement (AP) and Honors Courses are designed for students who are prepared to enter into a more rigorous course of study than that of a college preparatory course. AP and Honors Courses require more coursework and study time than college preparatory courses. Prerequisites for enrollment in AP Courses vary by department and are listed on department webpages. In addition, work may be
assigned during the summer preceding an AP or Honors Course, and students may be required to meet after school and/or on Saturdays to prepare for the AP Exam.

**Advanced Placement Program**
St. Anthony High School offers a variety of Advanced Placement Courses.
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP English Language and Composition
- AP English Literature and Composition
- AP Environmental Science
- AP Government
- AP Human Geography
- AP Macro Economics
- AP Physics
- AP Psychology

- AP Statistics
- AP US History
- AP World History

Students who take Advanced Placement courses are expected to take the exam for that course in May. An extra grade point and recognition for Advanced Placement/Honors courses is awarded to students who successfully complete their coursework, which includes taking the exam.

AP exam scores are accepted by colleges and universities all over the country. For more information on specific colleges and universities, please refer to the College Board website at [www.collegeboard.com](http://www.collegeboard.com) for more details.

**Homework**
In order to achieve satisfactory results and maintain a 2.0 grade point average, a minimum of two hours of homework are required of each student each evening preceding a school day (Sunday through Thursday). This should be dedicated time free of distractions and interruptions. This amount of time is recognized as a minimum and should include completion of all written and reading assignments, reading and review of class notes, looking ahead to future chapters, and, when all else is completed, reading from a book of choice.

Teachers are required to permit students with excused absences and sports/school-activity-related absences to make up assignments missed during the absence. The student will be permitted to make up missed work within the amount of time in which the student was absent up to 10 school days after return to school. It is the student’s responsibility to arrange with his or her teacher to make up a test or work missed because of absence.

In the case of unexcused absences, missed assignments may be made up at the discretion of teachers.
In the case of a student truancy, the student will earn a zero for any assignment missed on the day of occurrence, and the work may not be made up.

Parents should realize that a student’s grade may suffer because of any absence.

Acceptance of late homework, except homework late due to absence, is as the discretion of the teacher.

**Graduation Requirements**

To receive a diploma from St. Anthony High School a student must have:

- A record of good conduct and citizenship
- Successfully completion of a course in Religious Studies during each semester of his/her enrollment
- Attendance at a retreat during each year of his/her attendance
- Completion all required Christian Service Hours
- Payment of all tuition/fee accounts
- Earned the minimum number of required credits:

**Additional Considerations**

- Students planning to attend University of California or California State University must have completed Algebra 1, Geometry, Algebra 2.
- Four-year universities strongly recommend taking 3 years or 30 credits of the same World Language.
- Pre-Algebra does not fulfill a year of math requirement.
- Only designated biological and physical lab science courses fulfill science requirement.
Graduation
Participation in the commencement exercises at St. Anthony High School is a privilege, not a right. Only those students who have satisfactorily completed all the requirements for a diploma may participate. Students will be excluded from participating in the commencement exercises for a scholastic failure, a serious breach in the school’s discipline code, failure to fulfill financial requirements, excessive absences, and failure to complete the school Christian Service Hours requirement.

A senior who does not satisfy all his or her course requirements by the end of her senior year and fails to graduate, must attend an accredited summer school program and attain a passing grade in the missing course(s) according to the standards prescribed by August 31 of the summer immediately following senior year. Likewise, any student who fails to satisfy the school’s Christian Service Hours requirement, must complete the missing hours by August 31 of the summer immediately following senior year. Failure to meet this requirement results in forfeiture of a St. Anthony High School diploma.

5.02 GRADING POLICIES

Assessment/Grading Policy
The primary purpose of evaluation is to determine the extent to which a student has achieved success in terms of course objectives. This level of achievement is to be determined through a systematic process and communicated to the students and his/her parents in the form of a letter grade.

While grades do not normally reflect behavior, teachers are permitted to make a participation grade part of the overall grade and to deduct points from this grade when the student disrupts the academic flow of the class or fails to bring needed materials to class. Grades also serve a diagnostic role. They may be the basis for recommending remedial work, evaluating the success of a curriculum, or determining those students ready for an accelerated program.

Grades determine the extent to which a student meets course objectives. Therefore, it is the teacher’s responsibility to clearly state those objectives at the beginning of the course, in writing. The teacher defines the conditions that must be met by the student to receive a passing grade and what weight is assigned to each component of the final grade (test, reports, homework, class performance, etc.) Course work assessment is an essential aspect of every course. Homework is assigned on a nightly basis. Frequent assessment reduces subjectivity in grading.

Semester Final Exams
Comprehensive final exams are administered to students in every course at the end of each semester. Early final exam will not be given. Make-up final exams may be given at the discretion of the Assistant Principal of Curriculum and Instruction.

The semester grade appears on the report card and is the only grade recorded on the student's permanent record. The quarter grades indicate the progress of the student at the midpoint in the semester.

#### Computing of Quarter & Semester Grades

Grades are computed on a semester basis. Quarter grades are issued on the date ending the quarter. This grade is emailed out at the end of Quarter 1 and 3 as a “progress report” and does not appear on the official transcripts. Semester grades are the final grade at the end of each semester and appear on the official transcript.

#### Grade change policy

A student requesting a change in his grade is required to first see the instructor. If he/she feels intervention is necessary, he/she to submit a formal request to the Assistant Principal of Curriculum and Instruction within two weeks of the date that grades were released to students. Documentation should include any discrepancies in grades, corrected tests, quizzes, homework, essays, etc., and a written statement as to why he feels a grade change is necessary. The student will be notified in writing as to the outcome after meeting with the instructor and the Assistant Principal of Curriculum and Instruction.

#### Grade point average

Grade points are awarded according to a four-point scale: A = 4 points; B = 3 points; C = 2 points; D = 1 point; F = 0 points. When calculating an applicant's grade point average, the University of California, the California State University, and most institutions of higher learning award an extra grade point for an A, B, or C grade in approved Advanced Placement and honors courses.

#### Grade Reporting

Report Cards

The scholastic year is divided into two semesters, each of which is composed of two quarter grading periods. At the end of each quarter and semester, the student's report card is emailed home.

#### Progress Reports/PowerSchool

Student academic progress can be monitored by parents/students utilizing the PowerSchool student information system. To access PowerSchool, please contact the Front Office for a username and password. It is the responsibility of the parents/students to regularly monitor grades. Teachers are strongly encouraged (but not required) to notify parents by phone or email when a student's grade is at a “D” or an “F” within three weeks of the end of the grading period.
Protocol for Contesting Grades
When students or parents are concerned about the circumstances in which a particular grade was given, the following procedures should be followed:

- First, talk directly to the teacher involved.
- Second, if talking to the teacher does not clarify the situation to the student’s or parent’s satisfaction, contact the student’s counselor.
- Third, if communicating with the counselor does not clarify the situation to the student’s or parent’s satisfaction, contact the Assistant Principal of Curriculum and Instruction.
- Fourth, if speaking with the Assistant Principal does not clarify the situation, contact the Principal.

Protocol for Appealing a Course Grade
In order to appeal a grade, students must contact the Assistant Principal of Curriculum and Instruction within two weeks of receiving their Report Cards.

Make-Up Work Due to Absence
It is the student’s responsibility to arrange with his or her teacher to make up a test or work missed because of absence.

Teachers are required to permit students with excused absences and sports/school-activity-related absences to make up assignments and tests missed during the absence. The student will be permitted to make up missed work and tests within the amount of time in which the student was absent, up to 10 school days, after return to school.

In the case of unexcused absences, missed assignments and tests may be made up at the discretion of teachers.

In the case of a student truancy, the student will earn a zero for any assignment/test missed on the day of occurrence, and the work may not be made up.

Parents should realize that a student’s grade may suffer because of any absence.

Acceptance of late homework, except homework late due to absence, is as the discretion of the teacher.

Course Deficiency/Failure
Credit Recovery
If a student fails a course, he or she must make up the missing credits prior to readmission at the beginning of 1st Semester of the following school year. He or she must attend an accredited summer school program, and successfully pass the course(s) in accordance with the standards set at the summer school in attendance. If the course is offered at St. Anthony High School, the course must be taken at St. Anthony High School. Failure to satisfy this requirement by the end of the immediately following summer may result in forfeiture of enrollment at St. Anthony High School. The grade/credits from the summer school of attendance must be transferred to St. Anthony High School by the middle of August.

When credit is recovered, the original grade of F remains on the student’s transcript.

Course Repetition
If a student repeats a course which he or she passed the first time, he or she receives credit for the course with the better grade; the other course earns no credit and remains on the student’s transcript.
Academic Dismissal
Any student who is missing 25 or more credits (F’s in 5 or more courses) at the end of the school year will be dismissed.

Courses Taken at Other Schools
Students must obtain written permission from the Principal to take any course at another school, including community college. Courses taken at another school, without prior written permission, will not be included in the student’s cumulative record. An official sealed transcript from another accredited school must be submitted to the student’s counselor for credit consideration. Once credit is awarded for a course, that course may not be repeated for additional credit.

Conduct/Citizenship Grades
St. Anthony High School does not give citizenship grades. Conduct is monitored through the school’s discipline program and parents are notified each time a student earns a detention.

5.03 STANDARDIZED TESTING

Standardized Tests
St. Anthony High School offers the following standardized tests during the School year:
- Applicants: HSPT
- Freshmen: PSAT 9
- Sophomores: PSAT/NMSQT
- Juniors: PSAT/NMSQT
- All Students, every year: Star 360°

Students are encouraged to take the SAT or ACT in their Junior and Senior year. The SAT and ACT are administered off-campus on multiple dates. Students must register online at the College Board (https://collegereadiness.collegeboard.org/sat) for the SAT and at ACT (http://www.act.org) for the ACT.

HSPT
The Scholastic Testing Service High School Placement Test is comprehensive placement exam for 8th Grade students for placement in the 9th Grade. The exam measure students’ cognitive and basic verbal and quantitative, reading, mathematics, and English language skills.

PSAT 9 and PSAT/NMSQT
The College Board Preliminary Scholastic Aptitude Test 9 and the College Board Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test measure literacy, and writing, analytical, and problem-solving skills that are needed for academic success in college. The tests provide Freshmen, Sophomores and Juniors with practice for the SAT. The scores of Juniors taking the PSAT/NMSQT are used to determine eligibility and qualification for the National Merit Scholarship Program.

SAT
The College Board Scholastic Aptitude Test is a college admissions test that measures literacy, and writing, analytical, and problem-solving skills that are needed for academic success in college.
**ACT**
The ACT college readiness assessment is a high school achievement and college admissions test that measures students' general educational development and their capability to complete college-level work in English, mathematics, reading, and science.

**STAR 360°**
Renaissance Learning STAR 360° testing program is a comprehensive K-12 assessment package that screens and groups students for targeted instruction, measures student growth, and monitors achievement on Common Core State Standards. Results are used for both curriculum improvement and individualized student academic intervention. Star 360° tests are administered at least three times during the school year.

**College Entrance Requirements**
Successful completion of St. Anthony High School’s graduation requirements enables a student to qualify for admission to the University of California and California State University systems and to public and private four-year universities nation-wide.

**5.04 RECESS & LUNCH/NUTRITION**

**Food Services**
St. Anthony High School contracts with a licensed, outside food service company to provide breakfast, lunch and snacks to students.

Breakfast and lunch are available from the cafeteria between the hours of 7:00 AM and 1:00 PM.

The consumption of food and drink is restricted to the outdoor areas except on rainy days when a change in eating locations may need to be made. All left-over food, drink containers and food wrappings are to be placed in the recycle and trash containers. Only closed containers of food and drink may be brought into the building or stored in lockers during the day. Under no circumstances is food ever to be left behind in lockers. Loss of locker privileges will result if a student violates this policy. Only bottled water is allowed in the building.

If a parent is bringing lunch to school for his or her student due to “forgetfulness”, the parent must bring the lunch to the school office for pick-up. The office will contact the student regarding the delivery. Food...
may not to be delivered “over the fence” to the students. The perimeter of the school grounds is closed to students during the school day.

5.05 SUPPLIES AND TEXTBOOKS

Textbook Policy
Students are expected to obtain required textbooks by the end of the second week of the semester and bring those textbooks as required to each class. A list of required e-books, print books, apps, and other materials is available at the beginning of the school year in the St. Anthony Bookstore on the school website: St. Anthony Bookstore.

It is the responsibility of students/parents to purchase books in a timely manner to ensure delivery by the deadline. Students who fail to obtain textbooks are unprepared for class and subject to disciplinary consequences. Failure to obtain textbooks and materials detrimentally impacts student learning and affects his or her grades.

5.06 HONORS & AWARDS

Honor Roll
If a student meets the following criteria he/she is placed on the school honor roll which is published each semester:
• Minimum 3.200 GPA in all academic subjects,
• No "F", or "I" in any subject.

Honor Roll distinctions are:
• Summa Cum Laude (Highest Honors) 4.0 GPA and above
• Magna Cum Laude (High Honors) 3.600 GPA - 3.999 GPA
• Cum Laude (Honors) 3.200 GPA - 3.599 GPA

Honor Societies
• California Scholarship Federation (CSF)
The Purpose of the CSF is to promote high standards of scholarship and service. Membership is on a semester-to-semester basis. To become a member, a student must apply to the Chapter moderator for membership during the designated application period within the first month of a semester. No late applications are accepted. The requirements for membership are:
  o At least 3 "A" grades and one "B" grade for the semester in classes that meet CSF requirements.
  o At least a 3.5 grade point average.
Students become Life Members (Seal Bearers) of the CSF if they have earned membership in five semesters in high school provided that one of these membership semesters is earned in the senior year. Students become 100% Life Members if they have earned membership in seven semesters of high school. Second semester Freshmen and first semester Sophomores are admitted as Associate Members.

• National Honor Society (NHS):
Sophomores, Juniors, and Seniors are eligible for the NHS. Students may not apply for membership. Membership is an honor bestowed on students on behalf of the school. However, selection is based
on Scholarship, Leadership, Service, Character, and Citizenship. To fulfill the scholarship requirement, the student must have a recommendation and a cumulative scholastic average of 3.0.

- **Sociedad Honoraria Hispánica**
  The *Sociedad Honoraria Hispánica* (Spanish National Honor Society) *Los Cervantinos de San Antonio* Chapter, which recognizes high achievement in the Spanish language and promotes continued in Hispanic studies, is open to all Sophomores, Juniors, and Seniors. Membership is an honor bestowed on students on behalf of the school. Selection is based on academic excellence in Spanish, character, leadership, seriousness of purpose, cooperation, honesty, service and commitment to others.

**Awards Convocation**
At the end of the school year, an awards convocation is held to honor students of outstanding achievement.

**Valedictorian/ Salutatorian**
The valedictorian and salutatorian are chosen from those students with the highest cumulative grade point average with honor points after the seventh semester of high school who have attended St. Anthony High School for at least their entire junior and senior years. The valedictorian and salutatorian are selected (after a speech competition and resume review) from the top ten students in the senior class, who have demonstrated academic excellence, commitment to community, participation in extracurricular activities, and demonstrated personal, spiritual, and intellectual growth.

**5.07 TUTORING**

**Teacher Tutoring Hours**
Students who need help in subject areas may utilize the services of their teachers during the teacher “office hours”. Individual tutoring to students of teachers will be provided free of charge. Teachers will be available Mon, Tue, Thu 2:30-3pm.

**Private Tutoring**
If a student requires private tutoring or parents wish to have a student tutored in school subjects, the parents are responsible for engaging the tutor and paying all tutoring costs. The school may assist the parents in identifying tutoring resources.

Teachers may not be paid for tutoring students assigned to their classes. With prior permission from the Principal, teachers may tutor other students who attend the school and be paid for such tutoring by the parents.

A school may arrange with independent contractors or entities not employed as teachers or staff at the school to provide tutoring on a fee basis. For individuals hired by the school as tutors, the Professional Services/Contractor Agreement may be used; for tutoring companies, the Independent Contractor Agreement is appropriate. To use archdiocesan facilities, the independent contractors or entities must have appropriate licenses, sign agreements to use the premises, and obtain liability insurance.

All tutors and entities must comply with the procedures and policies of the extended school day program and the safe environment policies and vendor policies of the archdiocese.
5.08 ACADEMIC PROBATION, RETENTION/TRANSFER

Academic Probation
A student who has a grade point average below 2.0 in any grading period will be placed on Academic Probation. Academic Probation lasts for one grading period during which time the student may participate in all athletic or extra-curricular activities.

- Probation becomes effective the day report cards are issued.
- Parents will be notified, in writing, when students are placed on Academic Probation.
- Students placed on Academic Probation should discuss with any teacher who has given the student a grade of D or F ways to improve performance. The student needs to sign an academic probation contract.
- Students will be required to attend the Academic Monitoring Program (AMP) until achieving a 2.0 GPA for a grading period.

Academic Monitoring Program (AMP)
The Academic Monitoring Program supports students who earn a GPA below 2.0 at the end of a grading period. These students and their parents meet with the appropriate administrator to review the student’s academic status and to sign the Academic Contract. The program includes a supervised, mandatory study hall, as well as regular consultation with the Director of Learning Services. During these meetings, the director and student review grades and to develop study skills and learning strategies.

Academic Ineligibility
- A student on Academic Probation who does not raise his/her grade point average to a 2.00 at the end of the probationary period will be declared ineligible to participate in any athletic or extra-curricular activity.
- Ineligibility becomes effective on the first school day of the week following the issue of report cards and lasts for a minimum of one grading period. Students will remain ineligible until they raise their GPA above a 2.0 at the end of a grading period.
- Any student who wishes to participate in fall sports and/or extra-curricular activities, who becomes ineligible at the end of the regular school year must raise his/her GPA and recover the credit for any Fs during the summer. However, the student remains ineligible until summer school grades have been published. If the student fails to meet this requirement, then he/she will be ineligible to compete or participate in sports or extra-curricular activities until he/she becomes eligible again at the end of the first grading period. This includes practices, traveling to away games, and having any association with the sport or activity.

5.09 COUNSELING

Counseling Policy
The mission and purpose of the school is education. Schools may not assume the responsibility for psychological counseling or therapy because they are not qualified or licensed to do so.

In addition to providing classroom instruction, schools may engage in the following limited counseling activities:
- Provide advice and counseling regarding academic subjects, class selection for high school students, and student progress in school
- Give limited guidance to students who present with non-academic personal issues or situations
- Provide students with referrals to marriage and family therapists, child psychologists, licensed educational psychologists, psychiatrists, and similar professionals for diagnosis and treatment; if the school provides referrals to parents/guardians, the list must include at least three names of qualified people or entities
- Provide career counseling through career information centers and plan periodic career days or career sessions during which students meet representatives of different professions
- Retain, where necessary, appropriate professionals to provide psychological counseling services for the school or include educational testing to assess a student's academic ability, learning patterns, achievement motivation, and personality factors that are directly related to academic learning problems (prior to a contractual relationship, the principal will ensure that the professional is credentialed, licensed, insured, or otherwise properly qualified); as appropriate, the school may refer a student for specific or additional testing, generally at the expense of the parents/guardians (see School Inclusion)
- Provide high school and college counseling, sharing information with parents/guardians and students about application procedures, entrance exams, scholarships, and financial aid; schools may also provide catalogs and information sessions

In cases of actual or suspected cases of child abuse or neglect, please see Legal Responsibility to Immediately Report Suspected Child Abuse or Neglect.

Guidance
The student support services reflect St. Anthony High School’s philosophy that God has endowed each person with intrinsic value, uniqueness and a capacity to grow. St. Anthony High School is committed to the spiritual, intellectual, personal and social development of the student in a Christian environment. The services are value-centered and attempt to meet the needs of the individual student. In the process of development, the student will not only be led to recognize certain rights as an individual, but also realize a role in contributing to the benefit of society as exemplified in the Integral Student Outcomes (ISOs).

Career, College and Guidance Counseling
Each student is assigned a counselor with whom he/she will meet throughout the school year. Detailed information on colleges, job careers, scholarships, placement tests, analysis of test results, student performance, and student interest are available to all students in the College/Career Center.

College Applications
All activities related to applying for college admission are coordinated through the College/Career Center. Applications for the University of California (UC) and California State University (CSU) systems are made available in the College/Career Center. Often, a private university will leave applications in the College/Career Center during a visit but, in general, a student should use the common application available online or write to a private university for application materials. Addresses and inquiry cards are available in the College/Career Center. Students with the support of the college counselor, independently file all necessary application materials. It is the student’s responsibility to watch for deadlines.
Transcript Requests
Requests must be made in writing in the College/Career Center. In general, the UC and CSU systems use student-reported grades and do not require a transcript with the applications. After an initial review, a transcript may be required, and the student will be notified. Most private universities will require a transcript with the application. Because of the high volume of transcripts processed, all transcript requests must be made 10 school days prior to the university's deadline.

Letters of Recommendation
The UC and CSU systems do not require letters of recommendation for admission purposes but may require one or more if a student is applying for a specific scholarship. Private universities usually require a recommendation from the counselor and at least one teacher. Often, a university will have specific forms for recommendations. Always refer to the application instructions to verify requirements. A student should first ask a teacher or counselor to write the recommendation. Then the student should supply the teacher/counselor with a list of accomplishments (activities and awards) and the address where the recommendation should be sent. Students should request recommendations at least 10 days in advance.

College Financial Aid
St. Anthony High School sponsors a college financial aid night each fall where information about applying for aid is disseminated.

All families of seniors applying to college should complete the Free Application for Federal Student Aid (FAFSA). Federal and institutional financial aid cannot be awarded to any senior who has not filled out this form. Forms will be available online beginning in October and must be completed by the June 30 deadline. Parents should retain their year-end payroll stubs and file their taxes as early as possible to facilitate the completion of these forms.

Cal Grants – A number of grants are awarded each year to students from the California Student Aid Commission. Students qualify based on merit and need. Students must complete a GPA verification form and a FAFSA form if they wish to be considered for this award. File Cal Grant forms as soon as possible. Forms must be submitted by March 2. Forms are available online only but must be submitted by student using US mail.

The CSS Profile is another tool used to determine financial need. Private universities may request this form.

Personal Counseling
St. Anthony High School engages the services of Counseling Partners of Los Angeles which offers a full program of services to Catholic school students. Their therapists are on campus five days a week to provide social and emotional counseling. They are available by request from students or parents or by referral from a teacher, coach, or administrator. While there is a counselor-student code of confidentiality involved, when issues of that require the intervention of parents, the Department of Child and Family Services, and/or law enforcement, the counselor will take appropriate action. The mental and spiritual health and safety of the student is the primary focus.
5.10 VIDEO/FILM POLICY

Copyright Law
The Copyright Law of the United States protects all original created works "fixed in any tangible medium of expression," including the airwaves or the Internet (17 U.S.C. § 101–122). These works include:
- Literary works.
- Musical works, including any accompanying words.
- Dramatic works, including any accompanying music.
- Pantomimes and choreographic works.
- Pictorial, graphic, and sculptural work.
- Motion pictures and other audiovisual works.
- Sound recordings.
- Architectural works.
- Computer software.

All these works may be reproduced only with their creator's permission. Popular belief that materials found on the Internet are not copyright protected and may be used at will is incorrect. All materials posted on the World Wide Web enjoy copyright protection, whether or not a copyright, trademark, or other symbol is apparent, and whether or not the creator is identified. Certain materials state that they may be used under a Creative Commons license, without a payment of a royalty. Even these free materials may be used only in ways that are stated on the site.

A limited fair use exception exists for general users and a more generous exception applies to teachers and classroom use.

Fair Use Allowance for Teachers and Classroom Purposes

Single Copy
For scholarly research or for use in teaching or preparing a class, teachers may make a single copy of the following:
- A chapter from a book.
- An article from a magazine, newspaper, or Internet website.
- A short story, short essay, or short poem.
- A chart, graph, diagram, drawing, cartoon, or picture from a book, magazine, newspaper, or Internet website.

Multiple Copies
Multiple copies may be made for classroom use (one copy per student) only if your copying meets all four of the following conditions:
- The content of the copies is brief. The following guidelines for brevity apply:
  - Complete poems of not more than 250 words or excerpts from not more than 250 words from longer poems may be copied.
  - A complete article, story, or essay of less than 2,500 words, or a maximum of either 1,000 words or 10% of any prose work with a minimum of 500 words may be copied.
  - One chart, graph, diagram, drawing, cartoon, or picture per book or per magazine may be copied.
  - "Special works" for children that combine pictures and have fewer than 2,500 words may not be copied in their entirety and only 10% of the words or not more than two (2) pages of special works that have more than 2,500 words may be copied.
• **Your decision to distribute copies in the classroom is spontaneous.**
  o That is, you thought of distributing the materials so close to the time you have to use them in class that you could not seek and obtain permission for copying.

• **Your copying does not violate the rule against "cumulative effect."** This rule provides that you:
  o May make copies only for your class.
  o May not copy more than one short poem, article, story, or essay from the same author; more than two excerpts from the same author; or more than three poems, articles, stories, essays, or excerpts from the same anthology or magazine during one class term.
  o May not engage in multiple copying more than nine times for one class in one term.

• **Each copy identifies the creator and includes a notice of copyright.** Notwithstanding the copying allowed above, you may **not**:
  o Make copies to create, replace, or substitute for anthologies, compilations, or collective works
  o Make copies of works that are intended to be "consumable," such as workbooks, exercises, standardized tests and test booklets, answer sheets, and the like.
  o Make copies of the same material from term to term.
  o Make copies solely because the Principal requests copies.
  o Use copies as a substitute for buying books, magazines, reprints, etc.
  o Charge students for copies beyond the actual cost.

**Screening Films, Videos, Documentaries, and Other Recorded Materials**
If you want to show your students a film, video, documentary, or television program, you can do so without having to obtain prior permission from the creators or a screening license **only if all seven of the following conditions apply**:

• You are a member of the faculty of the school.
• The class is part of the regular offerings of the school.
• The work was acquired lawfully (i.e., it is not a bootleg or a duplicate copy of a rented work).
• You plan to display, perform, or transmit the work over a secure inside-the-school-only network, only to students in your own class.
• You do not transmit the work via your own website or disseminate it through email or any other electronic means.
• The work is directly related to the content of the class (i.e., it is not for entertainment or your own research).
• You make sure that the work’s copyright notice is shown, or you post a notice saying that the work may be copyright protected.

If the seven conditions set forth above do **not** apply, you need to obtain a license for use.

Before sharing any media with students, teachers must familiarize themselves with the Educator’s Guidelines for the Use of All Media.

Teachers shall inform parents/guardians if media are going to be used in the classroom and allow them to opt out (see Parent/Guardian Permission for Child to View Media).

**NOTE:** Before sharing any media with students, teachers must familiarize themselves with the Educator’s Guidelines for Use of All Media.
Teachers shall inform parents/guardians if media are going to be used in the classroom and allow them to opt out.

Using Copyrighted Material on the Internet, in Online Presentations or Distance Learning

The "fair use" rules that apply to legally permitted use of copyrighted materials do not provide a blanket automatic permission for use in the online or internet setting. Generally speaking, unpermitted "fair use" of copyrighted materials for educational purposes applies only inside the four walls of a classroom. Once teaching or training moves online, the following additional rules apply as provided by the TEACH Act, 17 U.S.C. § 110(2)(A)-(D):

- You are teaching at an accredited nonprofit educational institution
- You have lawfully made or acquired the content (no bootleg or pirated copies)
- You are transmitting the following content: (a) a performance of a nondramatic literary or musical work (i.e., not a play or a musical or an opera), or (b) reasonable and limited portions of any other work, or (c) a work in an amount comparable to that which is typically displayed in the course of a live classroom session
- The content was not produced or marketed primarily for online classroom learning (you need permission and probably have to purchase a license for course materials developed for online use)
- You are the instructor (or someone acting at the instructor's direction or supervision) and the material is used as an integral part of a class and as a regular part of the course
- The performance or display is directly related to and of "material assistance" to the teaching content
- The transmission is only distributed to, and to the extent technologically feasible, is only received by, students enrolled in the course
- The educational institution has copyright policies in place, specifically: informational materials provided to faculty, students, and relevant staff members that accurately describe and promote compliance with U.S. Copyright Law, and notices to students that materials used in connection with the course may be subject to copyright protection (if you make this Chapter 10 in the Administrative Handbook available, you have complied with this requirement)
- Technological measures are in place that reasonably prevent retention of the work by the students for longer than the class session and prevent dissemination of the work to others
- You prevent conduct that could reasonably be expected to interfere with technological measures used by copyright owners to prevent retention or unauthorized dissemination

NOTE: These rules also apply to any instructional materials such as PowerPoint presentations used in web-based settings such as Zoom, Microsoft Teams, Adobe Connect and the like.

5.11 SUMMER SCHOOL

Summer School
St. Anthony High School offers a summer school program for remediation and enrichment. If a St. Anthony High School student has failed a course and the course is offered at St. Anthony High School Summer School, the course must be taken at St. Anthony High School. Summer School courses taken at a school other than St. Anthony High School must have prior written approval from the Principal. The St. Anthony High School summer session is co-educational and is open to students attending St. Anthony High School and other Catholic high schools. At times, public school students may also attend summer school.
A summer school mark will only be accepted as a grade after official transcripts have been submitted to the Academic Office. No schedule changes will be made without official transcripts. It is the responsibility of the student to make sure transcripts are submitted by the middle of August if the course is taken at another institution.

A summer school mark will appear on the transcript in addition to, not in lieu of, the previous mark. Courses are to be made up during the summer of the year in which the failures occurred. Students that do not make up their credits during the summer jeopardize their academic standing and may not be allowed to return for the new school year. Only courses taken at a community college or Catholic high school will be accepted. Students who must take a class at a non-Catholic high school must gain prior permission from the Principal. Students who wish to take a summer school course for enrichment must receive prior approval of the administration.

6. CO-CURRICULAR ACTIVITIES AND ATHLETICS

Co-Curricular and Athletic Activities
Co-curricular and athletic activities are scheduled in the calendar. Each activity is assigned a moderator or coach. All activities and events are opportunities for the school community to apply the teachings of the Church to human relationships. Parents, coaches, and administration will be responsible for promoting the qualities of healthy competition and good sportsmanship, self-discipline, teamwork, emotional control, doing one’s best, and good citizenship.

Co-curricular and athletic activities are not an adjunct to the high school program but are an essential part of our educational goals. Regulations for such activities are in accordance with Archdiocesan policies. Proper supervision is provided at all events. Scheduling of practice and events should not interfere with obligations, like family, homework, etc.

6.01 BEFORE & AFTER SCHOOL POLICIES AND PROGRAMS

Before & After School Policies and Programs
The school campus is open between the hours of 6:45 AM and 4:00 PM. When the campus is closed, students may not be on campus unless involved in a supervised activity.

The following activities may happen before or after school. Times and sites vary depending on the activity.
- Teacher tutoring.
- Academic Monitoring Program.
- Sports conditioning and practice.
- Band practice.
- Drama rehearsals.
- Co-curricular activities.
6.02 FIELD TRIP AND EXCURSION POLICY

Field Trip and Excursion Policy

The policies listed below apply to all excursions, including, traditional class field trips, travel for specific group events (e.g., choir, adult retreats and outings, science fairs, and academic decathlon), graduation and other celebratory trips, athletic games and practices, and certain ministerial and co-curricular activities held at locations.

Locations may, at their option, plan trips and activities for one or more days, including overnight field trips, retreats, and other excursions. All excursions, whether day or overnight, must comply with the following requirements:

- The excursion must be approved in advance by the person in charge or, if cosponsored or sponsored by an outside entity, by the regional bishop’s office or the Department of Catholic Schools, as applicable.
- Traditional field trips for elementary school and high school classes must have specific educational goals for students.
- For excursions outside a 100-mile radius of the location, in which the participants are students or youth, the person in charge should consider the budgetary constraints of parents/guardians, the excursion’s financial impact on other fund-raising activities, and class work that students will miss.
- The person in charge should have a detailed itinerary of any field trip or excursion that involves travel and hotel accommodations, including contact information for all transportation and lodging vendors, coordinators, and sponsors. Verify the licensing and Better Business Bureau ratings of travel agencies, especially those that operate only online.
- On field trips, excursions, or activities with participants who are minors, the supervising adult must have in his or her possession a signed and dated Student and Youth Activity Permission Form for each minor.
- On field trips, excursions, or activities with participants who are minors who take medication, the supervising adult must have in his or her possession a signed and dated Medication Authorization and Permission Form for each minor who takes medication. During the excursion, the supervising adult also must have any necessary medications in his or her possession.
- All participants—adults and minors—must have appropriate identification and, as necessary, travel documents.
- All chaperones and any vendors who both provide the trip and have contact with minors must follow archdiocesan safe environment policies, including fingerprinting requirements and background checks. No chaperone should ever be alone with a minor who is not his or her own child.
- The supervising adult or adult group leader must have immediate access to a first aid kit. First aid kits must be in all vehicles that transport participants to and from activities.
- In any area where there may be poisonous snakes, the group must have a snake bite kit.
- Vehicles used to transport participants must adhere to the rules on transportation for parishes and schools set forth in Transportation for Parishes and Schools.
- The supervising adult on field trips, excursions, or activities involving minors must have immediate access to student emergency information.
- At least one adult chaperone for field trips, excursions, or activities involving minors shall be in possession of a cell phone.
- Chaperones driving minors should be at least 25 years old. Non-driving chaperones should be at least 21 years old.
- Both male and female chaperones must supervise coed events.
- There should be at least two chaperones on every trip and two chaperones of each sex on every coed trip, so that no chaperone is alone with a minor. The number of chaperones who must be present to supervise minors should be decided on a case-by-case basis, giving consideration to the age of the participants and the nature of the activity.
- Clergy/staff members/faculty/volunteers who supervise minors or young adults, or who are group leaders of parish- or school-sponsored activities, may not be under the influence of alcohol or any substance that can cause impairment and may not offer alcohol or any controlled substance (except medication that is prescribed for a minor or young adult) to anyone under age 21.
- Adult participants should fill out and sign the Adult Consent and Release Form.

**Academic Field Trips**

The policy of the Department of Catholic Schools provides for the curriculum in a Catholic High School to incorporate field trips during the regular school day. Field trips must be educational in nature and related to the curriculum and content of the course for which the trip is being planned. For proper supervision, the teacher must check with the destination to find out about any supervision requirements (often suggested is one adult for every 10 students). If the destination does not have a supervision requirement, the school’s minimum supervision requirement is one adult for every 15 students. The school’s rules of conduct must be followed. Students must wear the school uniform unless dispensed of by the Assistant Principal of Student Affairs or Dean of Discipline for extraordinary reasons.

**Co-Curricular Field Trips**

Club-sponsored field trips, social excursions, and overnight trips are strongly discouraged but must follow the same procedures as those for educational field trips. These excursions may never take place during regular school hours.

**Overnight, Out-of-State, and Foreign Travel**

Additional guidelines apply for field trips that include overnight stays, out-of-state, or foreign travel. For out-of-state and foreign travel, student participants will assume all costs related to the trip (inclusive of purchasing additional insurance through the Archdiocese of Los Angeles), must have met all current financial obligations to the school, and must be in good academic standing and have records of good conduct and attendance.

**Non-School Sponsored Trips**

St. Anthony High School does not endorse or assume liability for any unauthorized field trip or excursion organized by an employee of the school. Only Principal or Principal designee can authorize a field trip.

### 6.03 TRANSPORTATION

**Transportation**

Transportation to co-curricular activities and athletics may include personal motor vehicles, on-demand transportation services, vans, buses, boats, or airplanes.

**Personal Motor Vehicles**

Although this is discouraged, employees and volunteers (including teachers, religious education instructors, and coaches) may use their personal motor vehicle to drive two or more minors to and from athletic, youth, and other trips or events. Employees and volunteers may not be alone in a vehicle with a
single minor who is not their own child.

School staff, parish staff, parents/guardians, and volunteers who drive students in their own vehicles must be at least 25 years old, have a clean driving record for the past three years, possess a valid Class C driver license, and have current and valid California automobile insurance. The school must keep on file a copy of that driver's license and proof of current insurance.

**On-Demand Transportation Services**

Parents/guardians who wish to use an on-demand transportation service to transport their child(ren) are solely responsible for determining if the service allows its drivers to transport unaccompanied minors. Note that, for example, currently neither Uber nor Lyft permits drivers to pick up children under the age of 18 unless accompanied by an adult account holder.

If the location restricts the release of minors from its custody only to certain authorized individuals, parents/guardians must sign the Minor Pickup Permission Form and Release for Parishes and Schools, giving permission for their child(ren) to be picked up by a transportation service and absolving the location and the archdiocese of any liability. These forms must be kept on file by the location. Licensed day care centers and preschools are required to maintain these documents by state regulation.

Parents/guardians who have submitted a signed permission form must call the location each day of pickup and inform the location that the transportation service is picking up the child(ren). If possible, the parents/guardians must give the name of the driver who will be picking up the child(ren).

At time of release, the transportation service driver must identify himself or herself to the person in charge, showing a valid driver license and proof of his or her relationship to the transportation service. The driver must sign the child(ren) out. Drivers must be instructed by the parents/guardians that transportation service drivers may not pick up students in the car line of the location.

The child(ren) are then released to the driver.

**Vans**

Schools and parishes may transport students in vans or other vehicles designed for 10 passengers or fewer, including the driver. Vehicles designed for more than 10 passengers may not be reconfigured to seat only 10 passengers, including the driver.

A driver of a vehicle designed for 10 passengers or fewer does not need a commercial driver license.

**Youth Buses**

Schools and parishes may use vehicles designed for 15 persons or fewer to transport students within 25 miles of the school or parish. Individuals who drive these vehicles must have a commercial driver license with a youth bus certificate. Every youth bus must have on the front and rear a plainly visible sign with the words "YOUTH BUS" in letters at least eight inches high.

A school may not use a youth bus without the consent of the Department of Catholic Schools.

**School Pupil Activities Bus**

A school pupil activities bus (SPAB) is any motor vehicle other than a school bus that is operated by a common carrier for the purpose of transporting K–12 pupils to or from a school activity. SPAB drivers
are subject to the school bus regulations promulgated by the California Highway Patrol, except that SPAB drivers do not have to take first aid courses and are not allowed to drive school buses.

**Commercial or School Buses**

Locations may only hire buses, vans, or other passenger carriers from transportation companies that have valid permits, licenses, or charters approved by the State of California and that maintain current insurance on their vehicles. Locations must verify this information through the California Public Utilities Commission and its list of passenger carriers.

Locations should further make sure that drivers of commercial or school buses that are transporting K–12 students inside the State of California have the appropriate driving certificate, which must be an SPAB driver’s certificate or a school bus driver’s certificate issued by the California Highway Patrol.

Prior to signing any contracts with bus companies or other transportation vendors, locations must submit the contracts to the archdiocesan Office of the Legal Counsel for review.

**Minors Leaving On Their Own**

Parents/guardians may grant permission for their children to leave school, the parish, or another location, or a location-sponsored event on their own. Persons in charge of the location must obtain from the parents/guardians a written, signed, and dated Permission to Walk/Bike/Drive from Location and Location’s Sponsored Events form and file it with other permissions and waivers.

The Principal may appoint a moderator who exercises whatever control is necessary regarding material submitted for publication. Before the material is printed and distributed, the moderator must review all material and submit a copy of the publication to the principal for approval.

Additionally, the principal (or the moderator, if one has been designated), shall:

• Establish a clear understanding of the purpose of the publication and the limitations on the editor's authority
• Confirm that topics are in good taste
• Assure that material complies with Catholic teaching

Sportsmanship Code for Spectators
Code of Ethics—Parents/Guardians
Parents and guardians play a critical role in the success of the St. Anthony High School Athletic Program. Student participation in athletics is a privilege, not a right. Participation in athletics serves both as a vital component in the education of the whole person and a valuable tool in teaching our students the value of hard work and the essence of teamwork. Our athletic department strives to be a positive extension of the excellent education in our classrooms, where lessons in self-discipline, self-confidence and character building through adversity abound. Parents and guardians play a critical and central role in this process. We expect our parents and guardians to model this commitment and philosophy and be examples of good sportsmanship and Christian behavior.

The following are some things we expect parents and guardians to do to help make their student’s experience in the athletic program a positive educational endeavor.

- **Keep athletics in perspective**
  - Emphasize the right priorities: God, Family, Academics, Athletics.
  - Place value in the positive participation, not the winning or losing of a contest.
  - Remember as parents at St. Anthony High School, they represent the school and its mission.
  - Do not publicly demean participants in an athletic contest (players, officials, coaches, other parents or spectators, etc.).

- **Support their student athlete**
  - Talk to their student about how things are going with his or her sport.
  - Let their students select a sport based on his or her perceived ability and preferences.
  - Come to as many of their student’s contests as possible.
  - Stress and model the importance of a healthy lifestyle free of drugs, tobacco, and alcohol.
  - Encourage their student to accept victory and defeat with both pride and compassion.
  - Do not support “quitting” as the best way to solve problems, but rather stress perseverance.

- **Support the Athletic Program**
  - Be supportive of the coaching staff and game officials and respect their professional integrity and judgment.
  - Follow the communication procedure outlined in the Athletic Handbook.
  - Model positive, respectful behavior when attending contests.
  - Understand the time commitment and needs of the particular sport, as many of them involve significant commitments of time and financial resources.
  - Help their students follow the guidelines in Athletic Handbook and the CIF-SS Code of Ethics.
  - Display, by their actions and words, an understanding of the Mission of St. Anthony High School, to enhance the image of our school to the community.

St. Anthony High School believes that a positive and constructive partnership with a student’s parents or guardian is essential to the fulfillment of the School’s mission. Parents and guardians who do not support the mission, or fail to be civil, and/or become disruptive in their relationship with the School or its constituents, jeopardize that relationship. Thus, St. Anthony High School reserves the right to prohibit attendance at sporting events and practices if the School reasonably concludes that the actions of any
parent or guardian make such a positive, constructive relationship impossible, or otherwise interferes with the School’s accomplishment of its educational purposes.

**Coach/Trainer Certification**
St. Anthony High School coaches are fingerprinted and have completed safe environment training through Virtus and Play Like a Champion. In addition, all coaches have completed First Aid/CPR/AED certification every two years; tuberculosis Mantoux skin testing every four years; annual concussion training, sudden cardiac arrest training, and heat illness training. Football coaches must also complete annual tackling and blocking training and opioid fact sheet training. Cheer coaches must also complete CIF cheer coaching training. New coaches must also complete the archdiocesan harassment training program.

**CIF**
St. Anthony High School coaches comply with California Interscholastic Federation (CIF) *Blue Book* and National Federation of High School Association (NFHS) guidelines for sports.

A $400 discount will be awarded if tuition is paid in full by June 8, 2020. Payment must be made using cash, check or money order. Credit cards are not accepted for payment-in-full discount. Students who receive tuition assistance are not eligible for the Paid in Full Discount.
Delinquent Tuition

Any account more than two months past due will be considered to be in default. The student will be suspended from school until the account is brought current.

If tuition falls behind more than one month, the parent will be contacted and if satisfactory arrangements are not made, the student may be suspended. If tuition is more than two months in arrears, the amount may be handed over to a collection agency.

Exams, grades, and diplomas may be held if all financial obligations are not cleared. The school may also deny to the student the privilege of attending retreats, prom, and/or receiving a yearbook in cases where financial obligations are not being met.

The school is grateful to all parents who take their financial obligations seriously and meet them in a timely manner. It is imperative that parents who are unable to make a payment for any reason contact the school immediately to discuss the matter.

Tuition Adjustment Policy for Non-Completion of the Semester:
If a student withdraws or is dismissed after the fourth week of either semester, the parent(s) or guardian(s) are responsible for paying the full semester tuition and all semester fees. When a student leaves the school within the first four (4) weeks of a semester, the parent(s) or guardian(s) are responsible for a prorated share (20 percent each week) of the semester’s tuition and semester fees. The tuition charged and percent of financial aid credited is based on the date that a written notice of withdrawal is received by the school.

Other Payments
Payment of fees, other than tuition, may be made by cash, personal check, debit card, credit card, money order, certified check. However, costs of field trips will be billed through FACTS.

The return of a personal check for insufficient funds (NSF) by a bank will result in the assessment of a $30.00 charge plus collection fees to the student’s account. The school may re-deposit the check or ask parents to remit by another acceptable method.

During examinations, the school will not accept payment by personal check, but only by cash, debit card, credit card, money order, or certified check. The last day to pay by personal check before semester exams is December 10 and May 10.

The school reserves the right to:

• Withhold transcripts to colleges and universities if tuition accounts are not current.
• Refuse students admittance to or participation in any extra-curricular activities including interscholastic/athletic events if tuition and fees are not up to date.
• Place any account for collection when our sole efforts do not yield timely settlement.
7.03 TUITION ASSISTANCE

Tuition Assistance
St. Anthony High School, through the generosity of benefactors, is committed to making a Catholic education possible for as many young people and families as possible. This policy applies not only to entering students but also to students already enrolled. It is a fact that financial situations change, and so a family is requested to apply or reapply each year.

St. Anthony High School offers some financial aid to students who need assistance in meeting tuition costs. The student's family must truly need tuition assistance, without which the student could not attend the school. Even so, the parents are expected to make some financial sacrifice and commitment to the school.

Through the Catholic Education Foundation of Los Angeles, the Archdiocese of Los Angeles also provides tuition assistance to students from families with demonstrated financial need.

Tuition Assistance applications are available in the fall and must be returned by the published deadline. Students must reapply each year to receive tuition assistance for the next year. All students applying for aid must meet the eligibility guidelines to be considered for tuition assistance.

Eligibility Guidelines
Students receiving tuition assistance must:
- Demonstrate financial need.
- Maintain at least a 2.0 GPA.
- Maintain a record of good conduct.
- Contribute positively to student life through campus involvement.
- Meet their tuition and fees payment commitments, as agreed upon each year.
- Fulfill annual parent service hour and parent support requirements.

Although tuition assistance is given on a year-to-year basis, it is subject to cancellation at the end of any semester for any reason. Students must maintain a 2.00 GPA, or forfeit eligibility for tuition assistance.

St. Anthony High School Tuition Assistance Program
Parents are required to complete an online Application for Tuition Assistance from St. Anthony High School through FACTS Grant and Aid for each student and upload a copy of their previous year’s Federal Income Tax Return Form 1040 along with W-2 forms before the January 8 deadline. These forms are then submitted to Tuition Assistance Committee which determines the amount of assistance the student may receive. Families will be notified of tuition assistance awards by mail.

Catholic Education Foundation Tuition Assistance Program (TAP) applications are available in September for 8th Grade (Incoming Freshmen) applicants and November for both new and renewal high school applicants. Parents are required to complete a TAP application for each student and submit it to the school by the January 8 deadline along with copies of supporting financial documents including previous year’s Federal Income Tax Return and other proof of income. The Catholic Education Foundation will notify applicants of TAP awards by mail.
Catholic Family Discount Program
A $1000 tuition discount is available to families who will have a student both at St. Anthony High School and at least one other student in a Catholic elementary school. To qualify for this discount, families must have a household income of $100,000 or less and provide income verification. Students receiving this discount must maintain all requirements as stated above. Parent/Guardian must provide a copy of the current year tuition statement or letter from the Principal of that Catholic Elementary School as evidence of sibling’s registration and attendance there. Please note: families receiving financial assistance from the Catholic Education Foundation do not qualify for this additional discount.

7.04 PARENT SERVICE AND FUNDRAISING REQUIREMENTS

Parent Service Hours
Parent service hours are coordinated through the school and serve to benefit the school specifically. Annual events, work days, working at athletic events, special functions and other opportunities will be made available to parents via the Track It Forward site or through the athletic program. Additionally, attendance at monthly PEP meeting will serve for service hours. Events such as back-to-school night, athletic meetings and parent conferences are not considered service hours.

25 hours per family (12.5 hours for single/military) are required. To encourage parent participation in school events each hour is valued at $25. In addition, 5 hours are restricted to attendance at designated Parent Association sponsored meetings/events. Parents with an outstanding balance of service hours as of April 30 will be billed at $25.00 per hour.

It is the responsibility of parents to complete the parent service hours requirement. Student are not eligible to earn credit for parent service hours for their families. Other adult family members may earn these credits.

Parent Service Hours are logged through PEP using the Track It Forward website: https://www.longbeachsaints.org/apps/pages/index.jsp?uREC_ID=286573&type=d&pREC_ID=1265133
Parents are asked to open a family Track It Forward account to be notified of service opportunities and to log completed service hours. All Parent Service Hours must be entered into Track It Forward by no later than April 30 to earn credit.

Annual Saints Run Participation
Each family is required to participate in the annual Saints Run held each Spring by registering two adults and each student attending SAHS. In the event this requirement is not met, the student account will be billed $75 per two adults and one student, and an additional $15 for each additional student in the family.

Scrip Program
SAHS will offer a scrip program for school families and friends through Great Lakes Scrip. Families are encouraged to sign up through the school website using the Supporting SAHS tab. Participants may purchase either electronic or physical gift cards, but all transactions will be done online – we will not accept hard-copy orders or payment directly to the school.

Each purchase accrues a rebate of 1-14%, depending upon the retailer. Families who accrue scrip rebates in excess of $50 may be eligible to receive tuition credits to be applied to their May tuition
payment. The accrual period is from May 1 through April 30 of each calendar year. Rebate accruals are not carried over from one year to the next. For more information, review the FAQ posted on the Scrip page on the SAHS website.

8. DISCIPLINE

8 PHILOSOPHY

Discipline in the Catholic school is considered an aspect of moral guidance and not a form of punishment. The purpose of discipline is to provide a school climate that is conducive to learning and promotes character development and the common good.

Discipline is maintained in a classroom or school when students work cooperatively with the principal, the teachers, and their classmates towards class and school objectives. However, the legitimate interest of the school extends beyond the school day and school hours.
Discipline Program

The goal of the Discipline Program is to encourage students to develop into responsible Christian adults and good citizens through self-discipline. In order for the school community to function properly, there are rules, regulations and policies. Guidelines exist to promote and reinforce Gospel values and Christian virtues, allow for safety, individual and community welfare, and to build character; others exist to guide and direct conduct.

When a student enrolls, it is understood that the individual and the family agree to comply with the school rules, regulations, policies and procedures.

A well-educated citizen always makes good choices and exercises ethical conduct. Where the student is not yet able to exercise self-discipline and makes poor choices, he or she will enter into the Discipline Program at the appropriate level.

At the end of each semester, each student’s discipline file will be reviewed by the Dean. St. Anthony High School reserves the right to ask any student not to return to St. Anthony High School if that student has failed to follow the rules of the school and its attempts to correct negative behavior.

Classroom Behavior

Students are expected to be on time for class and ready to begin on schedule. They should have with them their iPads, books and supplies. During class, it is expected that students be polite, open-minded, tolerant and respectful. Courtesy to the teacher and other students should be shown at all times. Students must also abide by each teacher’s individual class rules and expectations.

Discipline and Procedures

Students violating school rules will be issued a Detention Form and must serve detention as required.

Teachers and staff will be the first to deal with minor classroom or campus violations by the following steps:

- Correct the student behavior
- Assign student detention, using the detention form, for rule infraction if behavior is not corrected

If the misbehavior continues, the student will be suspended.

Accountability

A student will be held accountable for misconduct related to school activities either as a spectator or as a participant; while on school grounds; during any school-sponsored activity whether on our campus or at another school.

Agents of School Discipline

All administrators, teachers, support staff, and coaches are responsible for reporting violations of school rules to the Dean. Teachers, staff and coaches will be the first to deal with minor classroom or campus violations.

Due Process

- If a student contests a violation, he/she should first speak to the teacher or staff member who issued it. This conversation should happen within one week of receiving the violation.
If the issue is not resolved, the student may request a meeting with the Dean of Discipline or the Assistant Principal of Student Affairs, whose decision is final.

In more serious matters, the Assistant Principal of Student Affairs may convene the Discipline Review Board. In that setting, the decision of the Principal is final.

An appeal beyond the Principal’s decision involves the Archdiocese of Los Angeles, through the Archdiocesan Grievance Process.

Policies Related to Discipline

Backpacks
Students may not write on, color, do art work on their own back pack or another student’s back pack. Students will be required to get a new backpack if it has been altered. Backpacks must be removed during class time and placed under the desk. Writing, or marking on another person’s property is a violation.

Canine Contraband Detection Program
St. Anthony High School is committed to providing its students, faculty, and staff with a learning environment and workplace free of drugs and alcohol, as well as the violence that often accompanies such things. To this end, as a proactive measure to ensure student safety, St. Anthony High School periodically invites the Impact Canine Solutions to conduct random searches of student backpacks, lockers, and vehicles parked on campus using canines trained in the detection of the following odors:

- Illegal Drugs (marijuana, heroin, cocaine, opium, etc.)
- Over-the-Counter and Prescription Drugs (aspirin, muscle relaxants, etc.)
- Alcoholic Beverages (beer, wine, liquor, etc.)

Distribution of Literature
Distribution of literature, advertising, questionnaires, etc. by students or any outside agency is not permitted on campus unless authorized by the Principal.

Food in the Building
Except on rainy days, food is not to be eaten in the buildings or classrooms.

- All students have the responsibility for keeping the campus clean by throwing papers and garbage in the trash cans.
- All students must participate in campus clean up under the direction of the faculty, staff, and administration.
- Students who eat in the building will earn a detention.

Gangs
Any student who professes membership in a gang or publicly displays support for membership in gangs will be asked to withdraw from St. Anthony High School.

Gum Chewing Policy
Students will be issued a detention for chewing gum anywhere on campus during the school day. Violations may be issued by any member of SAHS faculty or staff.
Hall Passes
Any student who finds it necessary to leave the classroom during class must secure the permission of the teacher and must sign out on the classroom log. The student will be issued a hall pass to carry while out of class. Upon returning to class, the student must sign back in on the classroom log. Failure to follow appropriate procedures and/or abuse of permission to be out of class will result in disciplinary action.

Jaywalking/Compliance with Traffic Regulations
Students are to cross the streets bordering the school campus only at the marked crosswalks. “Jaywalking” is illegal and carries a substantial financial penalty in addition to school disciplinary action.

Lockers
Lockers are provided to students only by request, as needed. Although a student may have the use of a locker for his/her belongings, a locker is still the property of and under the control of the school and its officials. It is the proper function of the school authorities to inspect the student lockers upon reasonable suspicion to prevent use in illicit ways or for illegal purposes.

- A locker can be requested by a student at the beginning of the school year. Students may not change lockers or use another student's locker without the approval of the Dean or Assistant Principal of Student Affairs.
- Students may go to their lockers only before school, at the beginning and end of the morning break, at the beginning and end of the lunch period, and after school.
- At all times, lockers are to be kept locked. They must also be clean and neat. There will be periodic health and safety checks and those with untidy lockers will be subject to disciplinary action.
- Students are responsible for the loss or theft of any articles stored in a student locker. Students are responsible for any articles stored in their locker and any writing/marking on the inside of their lockers.
- At the end of the year, a deadline date will be given for cleaning out all lockers. Students who fail to clean out their lockers, will be assessed a $10 cleaning fee.
- Students must use combination locks that are distributed by the school and should not give their locker combination to any other student. Defective lockers or locks should be reported to the Dean immediately. Lost locks will be charged $10.
- Students may request from the Athletic Director the use of an athletic locker in A building basement during the sports season, only, on a first-come-first-served basis.

Personal Property
Students are discouraged from bringing large amounts of cash and/or valuable or expensive personal property to school. If it is necessary to do so on occasion, valuables may be checked in at the Main Office. When paying for event tickets, dance bids, etc., it is recommended that students pay by check. If it is necessary to pay in cash, students should take care of that business first thing in the morning before school. Under no circumstances can the school be held accountable for lost/stolen money/valuables, including textbooks and iPads. It is the responsibility of the student to properly take care of personal property.

Public Displays of Affection
It is the expectation of St. Anthony High School that Catholic values dictate the behavior of students at all times. Public displays of affection are not appropriate in a high school setting. Inappropriate displays of physical intimacy contradict the values of modesty and respect. They distract from learning. Any
student engaging in inappropriate public displays of affection, physical or written, will be subject to disciplinary action. The administration reserves the right to determine what is appropriate behavior.

Appropriate displays are limited to the following:
- Quick hug.
- Handshake.
- Brief shoulder pat of encouragement.

Unacceptable behaviors and inappropriate displays include, but are not limited to, the following:
- Prolonged hug or embrace.
- Hand holding.
- Walking with arms around each other’s shoulders or waists.
- Sitting on laps.
- Any intimate physical contact.

Restricted Areas
Students should not be present in restricted areas. Restricted areas include designated faculty areas; unsupervised classrooms: unsupervised gym, locker rooms and weight rooms; and any other unsupervised area. Unauthorized student presence in a restricted area will result in disciplinary action.

Sales and Fundraising
Sales or fundraising by a student or staff member for personal gain or for an outside agency is not permitted on campus unless authorized by the Principal.

Unauthorized Student Internet Websites/ Internet Behavior
It is unacceptable to use the St. Anthony High School name, initials, logo, or pictures of staff, students, the school or school activities with anything that is degrading, lewd, threatening or violent. Deliberate publication on the Internet, or anywhere else, may result in serious disciplinary action, including expulsion.

In addition, use of the internet and other social media in which disparaging and harmful comments are made regarding SAHS, teachers, or other students, are subject to appropriate disciplinary action. Students/parents, by being a member of the SAHS community, must use appropriate methods of communication when conflict arises. If there is a personal conflict, the student/parent should make effort to resolve these conflicts in an appropriate way. In addition, student “bullying” of other students will be taken seriously and could be cause for harassment leading to suspension, dismissal from SAHS, and/or referred to outside law enforcement.

Vandalism and Graffiti
Any student who vandalizes or leaves graffiti marks on the school premises, public property, or on the belongings of others will be prosecuted to the fullest extent of the law and restitution will be required. If any St. Anthony student should so act, assist or be present during such markings or vandalism he or she may be required to immediately withdraw from St. Anthony High School.

Disapproved Disciplinary Measures
The following disciplinary measures are disapproved:
- All corporal punishment, including shaking and slapping.
- Language that is sarcastic or ridicules a student, his or her parents/guardians, or his or her family background.
- Using religious exercises or important class assignments as punitive measures.
- Bizarre and unusual punishments.
- Withholding or altering rightfully earned academic grades.
- Any disciplinary action that isolates a student without proper supervision.

**Detention**

No student shall be required to remain in the classroom during any recess or lunchtime.

Detention before or after school hours is considered an appropriate means of discipline.

A student shall not be detained in school for disciplinary or other reasons for more than one hour after the close of the school day.

The school must give a notice of the detention to the parents/guardians verbally by phone, in writing (hard copy or electronic), or in person during a conference. Under no circumstances shall a student be detained at school without the knowledge of the parents/guardians, who should also be informed of the reason for detention and the exact time the period of detention will begin and end.

**Detention Procedures**

Students who are issued a detention for a rule infraction will be assigned a detention on a specific date, by the teacher, Dean of Discipline, or Assistant Principal of Student Affairs. It is the responsibility of the student to serve a detention on the assigned date. Failure to serve an assigned detention will result in the student having to serve the next possible detention date. Failure to serve a rescheduled detention will result in the student having to serve a Saturday Detention. Continued failure to serve will be considered a serious infraction resulting in a possible suspension. Parents will be contacted via email and students must return the detention notice signed by a parent for the detention to count.

Students may receive any of the following types of detentions:

**Teacher Detention**

A student is issued a teacher’s detention due to violations of classroom rules and/or activities that causes interruption of instruction or affects classroom environment. A teacher may schedule a detention after school for thirty minutes, before school, at lunch, or after school. Students must serve the detention at the designated time set by the teacher; however, detentions may not be scheduled on days in which the student has to travel on school business. Proof of such travel can be confirmed with administration. *Students who fail to report to a teacher detention will be assigned a Dean’s detention on the next detention day. Teacher detentions will also be reported to the Deans for violation tracking.*

**Dean’s Detention**

Dean’s detentions are issued for infractions of school rules and can be given by any teacher or staff throughout the day. A Dean’s detention takes place in the Dean’s office before or after school on the day assigned. Students must serve their Dean’s detention within one week of receiving the violation. Students must have the parent signed Detention slip to enter detention. *Dean’s detentions will also be recorded for violation tracking.* Failure to serve a rescheduled Deans Detention one time will result in a Saturday Detention.
Saturday Detention
Saturday Detentions are issued for failure to serve a rescheduled Dean’s Detention, for recurrent downloading of unapproved apps, and for the accrual of 5 tardies to school in a semester. Saturday Detentions are held on campus, in the Gym, or at Clark Field, from 8:00 AM to 11:00 AM (unless otherwise indicated). Students must be prepared to perform service (including, but not limited to, clean-up and maintenance work) for the school. Failure to serve a Saturday Detention will result in a one-day Out-of-School Suspension the following week.

Rules for Teacher and Dean Detentions:
• Students must turn in signed violation slip or signed note from a parent for admittance.
• Students are to be seated promptly by the time assigned.
• For the duration of detention students must:
  o Sit up straight against back of chair.
  o Avoid using hands or arms to keep head up.
  o Keep feet off any desk or furniture in front of them.
  o Sit Still.
  o Keep eyes open.
  o Remain Silent.
• Students may be asked to perform clean-up/maintenance duties if necessary.

Students may be dismissed from detention if rules are not followed, and the detention will be reassigned to the next detention date. Consequences for not serving detention will then follow.

Possible causes for receiving a Detention Form include but are not limited to:
• Chewing gum.
• Class disturbance.
• Copying/plagiarism/cheating.
• Disrespectful behavior.
• Dress code violation. (Parents may also be called to deliver appropriate change of clothing.)
• Facial Hair/not shaving. (Students may be required to shave that day oncampus.)
• Failure to comply with health and safety directives.
• Failure to comply with instructions or follow class rules.
• Failure to serve detention.
• Grooming in class.
• Horseplay, throwing objects, etc.
• Inappropriate use of digital/social media.
• Leaving class without permission.
• Littering on campus.
• Locker abuse.
• Misuse of iPad.
• Misuse of classroom equipment.
• Out of class socializing or loitering.
• Out of class without having a hall pass.
• Presence in a restricted area.
• Public display of affection.
• Riding bikes/skateboards on campus.
• Sitting on desks/tables.
• Tardiness to class.
• Teasing or name-calling.
• Unauthorized food/drink in classroom/hallway. (Item will be confiscated and thrown away.)
• Unprepared for class.
• Use of cell phone/electronic device and ear buds/head phones during school hours. (Item will be confiscated and given to the Dean of Discipline, and a $25 fine will be assessed for the first infraction and a $50 for any additional infraction.)
• Wearing hoods/hats/sunglasses. (Item will be confiscated and given to the Dean of Discipline.)
• Writing on the school’s or another’s property.
• Other – at the discretion of the Administration.

Record of Violations
A record of all violations is kept by the Deans of Students. A student’s discipline record is cumulative for each school year. Students do not start with a clean slate at the semester.

Penalties for Accumulated Violations
For each violation (in-class or out-of-class), detention must be served. The following consequences will be in effect for accumulated detentions:
• 3 violations = courtesy notification via phone call or email home.
• 6 violations = one day Out-of-School Suspension & phone call or email home.
• 9 violations = two-day Out-of-School Suspension, parent conference, disciplinary contract & probation, loss of all extracurriculars.
• 10 violations = dismissal from school.

Detentions at the End of the School Year
Those who owe detentions will not be allowed to receive their yearbook or participate in any summer programs until the detentions are served. Seniors will not be allowed to receive their diploma with any outstanding detentions.

Disciplinary Probation
A school may accept a student for admission on probation for an initial trial period if circumstances warrant it.

A school may decide to place an enrolled student on probation as a disciplinary matter. Disciplinary probation occurs when student’s behavior has reached a point where a more serious response from the school is required. If the student’s behavior does not improve while on probation, the disciplinary process may lead to suspension and/or expulsion or withdrawal.

The probationary status of the student and the terms of the probation must be clearly documented in writing and signed by the parents/guardians.

If a school decides to place a student on disciplinary probation, it must insure that the seriousness of this status is communicated to the student's parents/guardians. Due to the great variety of student offenses that can result in disciplinary probation, a school has many options in determining the extent of a student’s probation (limiting activities, no athletics, community service, etc.). At the high school level, a High School Disciplinary Probation Agreement must be completed and signed by parents/guardians.
Any student who accumulates 9 violations in a year or who commits serious rule infractions will be placed on Disciplinary Probation with a Behavior Contract. The length of probation shall not exceed one school year. Disciplinary Probation status removes the student from participation in extracurricular activities including sports, dances, non-academic field trips, and student activities, as a participant or spectator. The terms of the restriction will be spelled out in individual contracts signed by all parties involved.

Disciplinary Probation is designed to change or modify inappropriate conduct of individual students. A student who is placed on a contract or probation during the school year must demonstrate a marked improvement in behavior to remain at St. Anthony High School.

A student who goes on Disciplinary Probation a second time in the same year may be asked to withdraw from St. Anthony High School.

At the end of the school year the administration meets to review the records of students who had contracts during the year. The result may be that certain students will begin the new school year on probation or restriction, or may be required to withdraw, or may be refused re-registration.

**Suspension/Disciplinary Measures for Grave Offenses**

**Suspension**
Any of the listed reasons for expulsion with mitigating circumstances are adequate cause for suspending a student. The suspended student shall be responsible for all academic assignments while on suspension.

No student shall be suspended from school for more than two consecutive weeks, unless there is an ongoing archdiocesan investigation or a police investigation of a possible crime, in which case the student may be suspended during the entire investigation.

The school must give notice of the suspension to the parents/guardians verbally by phone, in writing (hard copy or electronic), or in person during a conference.

The principal shall schedule a conference with the suspended student's parents/guardians to discuss matters pertinent to the suspension, especially the means by which the parents/guardians and school can cooperatively encourage the student to improve his or her behavior. The suspended student may be present at the conference.

In no case will a teacher on his or her own authority suspend a student.

**Types of Suspension**
Any student who chronically violates school rules or commits a major or serious violation of school rules may be suspended from school. There are two types of suspension.

- **In-School Suspension:** A student is removed from classes because of a disciplinary infraction or noncompliance with school rules, or while a disciplinary situation is investigated by the Dean(s). The student remains in the Dean’s office up to a full day or until parents are contacted and come to the school to pick the student up and remove him/her from campus. A parent or guardian conference may be required before the student can return to the classroom.
• **Out-of-School Suspension:** A student is removed from school for a period of time. The student is not allowed on campus for any reason until a parent or guardian conference with the Assistant Principal or Dean occurs.

The consequence of a student being suspended for disciplinary reasons may be restriction from certain extracurricular activities at the discretion of the Administration. During the time of the suspension, the student may make up missed class work at teacher discretion.

Students who are suspended from school more than three times during a school year will be called before the Discipline Review Board for possible dismissal.

**Serious Violations**
Depending on the circumstances, any of the following serious violations could result in suspension, expulsion, and/or possible intervention at the discretion of the Administration:

- Actions in or out of school that are detrimental to the school's reputation.
- Actions that are gravely detrimental to the moral and spiritual welfare of other students.
- Assault, battery, or any threat of force or violence.
- Being on probation with law enforcement.
- Bomb threats.
- Copying/plagiarism/cheating.
- Destruction of property.
- Display or writing satanic or gang symbols.
- Failure to comply with health and safety directives.
- Fighting.
- Forgery of signatures.
- Habitual profanity or vulgarity.
- Habitual truancy.
- Harassing, bullying, or hazing other students or school personnel.
- Inappropriate conduct or behavior unbecoming a student in a Catholic school.
- Inappropriate social media posts.
- Knowingly receiving stolen property.
- Lying to authority.
- Major theft.
- Membership in, active involvement in, or affiliation with a gang or group responsible for coercive or violent activity.
- Obscene acts (possession of obscene materials).
- Possession of harmful weapons (e.g., knives or guns) or materials that can be used as weapons.
- Possession/use of lighters or matches.
- Setting off Fire Alarm.
- Smoking, vaping, or possession of tobacco or vaping device.
- Threatening a student or faculty/staff member.
- Truancy.
- Use, sale, distribution, or possession of alcoholic beverage, narcotics, drugs, or other controlled substances on or near school premises.
- Vandalism, graffiti, willful destruction of property.
- Verbal abuse of a teacher.
• Violation of the Acceptable Use Policy (AUP).
• Vulgar language or swearing.
• Willful defiance of authority, insubordination.
• Other, at the discretion of the administration.

**Student Behavioral Referral**
When a teacher attempts to correct a student behavior and the student continues to practice such behavior, the student may be referred to the Deans by way of referral form. Student referral will also be used when a student commits a major violation.

**Penalties for Accumulated Referrals:**
- 1 Referral = One Day Out-of-School Suspension & Parent Contact
- 2 Referrals = Two Day Out-of-School Suspension, Parent Conference, Disciplinary Contract & Probation
- 3 Referrals = Indefinite Out-of-School Suspension & Discipline Review Board Hearing for possible expulsion.

A single referral or major violation may lead to immediate expulsion.

**Restitution**
A student may be required to reimburse, repair or otherwise compensate the school or an individual for theft or damage of school or personal property. California law provides that a parent or guardian may be held liable for damage to school property when such damage is the result of vandalism.

**Withdrawal**
If after exhausting the steps of the discipline procedure there is no significant improvement in a student’s behavior, the school will assume the student no longer wishes to attend and will mandate the student withdraw and terminate enrollment at St. Anthony High School.

**Discipline Review Board**
The Discipline Review Board is composed of the Assistant Principals, Dean of Discipline, and three appointed faculty members. The Discipline Review Board acts as an advisory board to the Principal, who is not present at Board meetings. The Assistant Principal of Student Affairs may convene the Discipline Review Board for serious or chronic misconduct, or parents may request that the Board meet to revisit disciplinary decisions. In cases where a decision has been made by the school, the Board can recommend to uphold, reduce, or increase the consequence. After the hearing, the Discipline Review Board makes a recommendation to the Principal as to the disposition of the case. This could be either a Behavioral Contract, expulsion or other appropriate action. The Principal makes the final decision in disciplinary matters.

Only parents and the student may attend the Discipline Review Board hearing. Legal counsel is not permitted at Discipline Review Board hearings.

**Archdiocesan Grievance Process**
If a student or family wishes to contest a decision of the Principal, they may appeal through the Archdiocesan Grievance Process. More information can be requested from the Principal.
Expulsion
Reasons for Expulsion
Reasons for expulsion include but are not limited to the following offenses:

- Actions that are gravely detrimental to the moral and spiritual welfare of other students.
- Habitual profanity or vulgarity.
- Assault, battery, or any threat of force or violence directed toward any student or school personnel.
- Harassing, bullying, or hazing other students or school personnel.
- Open, persistent defiance of the teacher's authority.
- Continued willful disobedience.
- Use, sale, distribution, or possession of narcotics, drugs, or any other controlled substance.
- Use, sale, distribution, or possession of any alcoholic beverages on or near school premises.
- Smoking, vaping, or possession of tobacco, cannabis, and cannabis-containing product.
- Theft.
- Forgery of signatures.
- Cheating or plagiarism.
- Willful defacement or damage of school property, real or personal.
- Habitual truancy.
- Possession of harmful weapons (e.g., knives or guns) or materials that can be used as weapons.
- Membership in, active involvement in, or affiliation with a gang or group responsible for coercive or violent activity.
- Actions in or out of school that are detrimental to the school's reputation.
- Violations of the electronic acceptable use policies and guidelines.
- Inappropriate conduct or behavior unbecoming a student in a Catholic school.

Procedure for Expulsion
Except in cases involving grave offenses, the school must take the following steps to expel a student:

- The principal, teacher, parents/guardians, and student must attend a conference. The principal will advise the family that the student could be expelled unless there is immediate improvement in the student's behavior. In parish schools, the pastor should be notified of the conference, given an opportunity to attend, and provided a report of the discussion.
- If the student's behavior does not improve, the final decision will be communicated at a second conference attended by the principal, teacher, parents/guardians, and pastor (if applicable). If the parents/guardians fail, without cause, to attend the conference, the final decision will still apply and the parents/guardians will be notified. In a parish school, the final decision rests with the pastor in consultation with the principal.
- In no case will a teacher on his or her own authority expel a student.
- The school will give full credit for all work the student accomplished up to the moment of expulsion.
- In high schools, the Disciplinary Review Board listens to the facts of the case, discusses the matter, and makes a recommendation to the principal.

Written Records
The school must keep on file a written record of the steps leading to an expulsion, with copies of all communications and reports. This record should be maintained for one year following the expulsion.

Cases Involving Grave Offenses
In a case involving a grave offense, which may include a violation of law or actions so outrageous as to
shock the conscience of the community, the student is immediately suspended and there is no requirement to hold the initial conference. The school should follow this procedure when the continued presence of the student at school (even for a short period of time) will pose, in the reasonable judgment of the Principal, a serious threat to the health and welfare of students, faculty, or staff.

When a student is immediately suspended and expulsion is probable, the school should clearly explain the rules and consequences of the violation to the student and his or her parents/guardians while the case is being investigated.

**Time of Expulsion**
A school may immediately expel a student if the reasons are urgent.

Only in exceptional cases shall a school be allowed to expel a graduating student who has been in the school one or more years.

For elementary schools, if an expulsion happens during the last quarter of the school year or during the last semester in the case of a graduating student, the school needs prior approval of the Department of Catholic Schools before the expulsion can take effect. It is recommended that high schools consult with the Department of Catholic Schools before expelling a graduating student.

**Reporting of Expulsions**
Even if they occur at the end of the school year, all expulsions are to be reported by phone to the Assistant Superintendent at the Department of Catholic Schools within 24 hours and subsequently submitted in writing.

The school shall immediately notify the county office of education of expulsions. A copy of the Cumulative Pupil Record should be held until requested.

**Right to Make Exceptions**
The Principal, in consultation with the Pastor (for a parish school), retains the right to make exceptions in cases where mitigating circumstances call for a different response than policy suggests.

**Home Study**
Certain circumstances may dictate that a student, at the discretion of the Principal, be excluded from school attendance for a period of time. This is a remedy for unusual situations and is not considered a suspension. The school may give students tests, etc., outside school hours so that grades can be reported. A student placed on home study is expected to pay full tuition. Parents/guardians are responsible for supervising a student on home study.

At the discretion of the Principal, any student who is accused of a felony may be placed on home study until the case is resolved.

**Academic Dishonesty Policy**

**Academic Integrity**
St. Anthony High School students are expected to demonstrate high standards of academic integrity and to adhere to the school Honor Code at all times. Cheating, plagiarism, and other manifestations of academic dishonesty are contrary to the philosophy and teachings of St. Anthony High School. The school does not tolerate such behavior, and violations of this policy will result in disciplinary consequences.
Honor Code
St. Anthony High School endeavors to form a faith community among parents, faculty and students by providing an atmosphere, which fosters Catholic values and helps students develop as knowledgeable and involved Christians.

St. Anthony High School embodies a spirit of mutual trust and intellectual honesty that is central to the very nature of learning and represents the highest possible expression of shared values among the members of the school community.

The core values underlying and reflected in the Honor Code are:

- Academic honesty is demonstrated by students when
  - The ideas and the writing of others are properly cited.
  - Students submit their own work for tests and assignments without unauthorized assistance.
  - Students do not provide unauthorized assistance to others.
  - Students report their research or accomplishments accurately.
  - Students will hold each other accountable and respect the learning process.

- Students will make safe, responsible, and ethical choices in their use of technology and fully comply with the Acceptable Use Policy for Technology.

- Responsibility is recognized by all to demonstrate their best effort to prepare and complete academic tasks.

- Fairness and equity are demonstrated to create an academic environment that is free from any injustice caused by any form of intellectual dishonesty.

This Honor Code summarizes the philosophy, mission statement, and ISOs results. The student body and faculty at St. Anthony High School will not tolerate any violation of the Honor Code.

Copying, Cheating and Plagiarism
Honesty is the responsibility of each student. St. Anthony High School considers cheating to be a voluntary act for which there may be reasons, but for which there is no justification. The term "cheating" includes, but is not limited to:

- Plagiarism - representing someone else's work or ideas as one's own without giving credit to the source.
- Receiving or knowingly supplying unauthorized information.
- Copying the work of another student or permitting copying by another student during an exam.
- Possession of any unauthorized materials during an exam.
- Changing an answer after work has been graded and presenting it as improperly graded.
- Copying and submitting the homework, notebook, assignment or project of another student or person.
- Permitting the copying of homework, notebook, assignment or project.

To assist teachers in determining the authenticity of student work the school has authorized the Faculty to use turnitin.com. Please refer to each teacher’s course policy statement for clarification of this review service.

In case of cooperative learning assignments, students are to adhere to the teacher’s policy.
Consequences for Copying, Cheating and Plagiarism
When a student is involved in a cheating incident, the following actions will be taken:

- **First Offense**
  - Teacher will call or email parents and notify the Deans.
  - Student will be issued detention.
  - Grade of “0” will be given for the exam or assignment.
  - Student may be placed on a Behavior Contract, depending on situation.

- **Second Offense**
  - Grade “0” will be given for the assignment.
  - Student will be given a one day out-of-school suspension.
  - A student/parent conference will take place.
  - Student may be put on a Behavior Contract, depending on situation.

- **Third Offense**
  - A student may be dismissed from school.

Depending on the value of the assignment or type of cheating, or if numerous students conspired together, the Administration reserves the right to elevate to second or third offense consequences.

Student Harassment, Bullying, and Hazing Policy
This policy, which encompasses all inappropriate behavior, including harassment, bullying, and hazing, must be published in the parent/student handbook and applies to all students. This policy shall be communicated clearly to faculty, staff, volunteers, parents/guardians, and students. Harassment of employees, parents/guardians, and other adults in the school community are addressed elsewhere in separate policies.

The school is committed to providing a safe and comfortable learning environment that respects Christian values and is free from harassment, bullying, or hazing in any form. Harassment, bullying, or hazing of any student by any other student, lay employee, religious, clergy, school volunteer, or parent/guardian is prohibited. The school will treat allegations of any such conduct seriously and will review and investigate such allegations in a prompt, confidential manner that is appropriate to the claim.

Credible acts of harassment, bullying, or hazing by a student will result in disciplinary action up to and including dismissal of the student. Students who file false or frivolous charges will also be subject to disciplinary action up to and including dismissal.

Harassment and Bullying
Harassment or bullying occurs when an individual is subjected to treatment that is hostile, demeaning, intimidating, or threatening, and communicated in person, in hard copy, or electronically, including on social media. A determination that a student has engaged in harassment or bullying does not require that the conduct meets applicable legal standards. Examples of harassing or bullying conduct, which can occur once or habitually, include:

- Derogatory, demeaning, humiliating, inflammatory, intimidating, or threatening words spoken to, written to, or written about another person
- Unwanted physical touching, contact, or assault
- Deliberate impeding or blocking of another’s movement
• Intimidating interference with normal work or movement
• Derogatory, demeaning, inflammatory, intimidating, or threatening gestures, posters, cartoons, drawings, images, and photos
• Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature

Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion.

Cyberbullying or cyber harassment occurs when students bully or harass each other using electronic devices. This can include but is not limited to:
• Sending inappropriate texts, emails, or instant messages
• Posting inappropriate pictures, videos, or messages about others on blogs, social media, or websites
• Using someone else’s username to spread rumors or lies about another person
• Read about cyberbullying on StopBullying.gov.

Hazing
Hazing is any method of initiation or pre-initiation into a student organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to any student or other person. All hazing is prohibited

Harassment Complaint Filing and Investigation Processes
The following procedures must be followed for filing and investigating a harassment claim:
• The student may first choose to tell the individual causing the harassment that his/her conduct is offensive and must stop. If the objectionable behavior does not cease immediately, the student must report the harassment to the Principal, or to a teacher who will report it to the Principal, or to a regional supervisor if the Principal is the subject of the allegation. Additionally, in the case of sexual harassment allegations, the student is free to raise the issue with another, same sex, administrator if he/she prefers to do so.
• The student alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly and will involve only the necessary parties. Confidentiality will be maintained as much as possible.
• The investigation will include a meeting with the person alleged to have harassed, sharing with that person the nature of the allegations as well as the name of the person bringing the allegations. If appropriate, the alleged harasser will be placed on administrative leave during the course of the investigation.
• Once the facts of the case have been gathered, the Principal, in consultation with the regional supervisor, and, in the case of a parish school, with the Pastor, will decide what, if any, disciplinary action is warranted. The disciplinary action will relate to the nature, context, and seriousness of the harassment and can include all disciplinary actions up to and including immediate termination.

Responsibilities of the school and students
It is the responsibility of St. Anthony High School to:
• Implement this policy through regular meetings with all administrators, including the pastor in the case of a parish school, ensuring that they understand the policy and its importance.
• Make all faculty, staff, students, and parents aware of this policy and the commitment of the school toward its strict enforcement.
• Remain watchful for conditions that create or may lead to hostile or offensive school environment.
• Establish practices designed to create a school environment free from discrimination, intimidation, or harassment.

It is the student’s responsibility to:
• Conduct himself or herself in a manner which contributes to a positive school environment.
• Avoid any activity that may be considered discriminatory, intimidating, or harassing.
• Consider immediately informing anyone harassing him or her that the behavior is offensive and unwelcome.
• Report all incidents of discrimination or harassment to the Principal.
• Discontinue any actions perceived as discriminatory, intimidating, or harassing.

If the complaint is against a non-employee or non-student such as a parent, parishioner, volunteer, or vendor, the school will take steps, within its power, to investigate and eliminate the problem.

**Student Threats**
St. Anthony High School will take all student threats seriously, including those from students that threaten to inflict serious harm to themselves or others or to destroy property. Whoever hears or becomes aware of any threat made by a student should immediately report it to the Pastor, the Principal, or a teacher. The Principal should notify the police and the Department of Catholic Schools immediately.

The student who has made the threat should be kept in the school office under supervision until the police arrive. The parents/guardians of the student who has made the threat will be notified by the school. Any student or adult who has been identified as a potential victim, or mentioned in writing as a potential victim, should be notified immediately.

The student who has made the threat shall be suspended until the police and school investigation has been completed, and at that time the student may face other disciplinary sanctions, up to and including removal from school.

The school will take all actions of a threatening nature seriously, including practical jokes or offhand comments, and the school will investigate them. The school may suspend or remove a student from school while the investigation is pending.

On a case-by-case basis, the Pastor and Principal will make any decision to re-admit a student who has made a threat.

This student threat policy shall be communicated clearly to students, parents/guardians, faculty, staff, and volunteers.
Substance Abuse and Possession of Alcohol or Controlled Substances

Drugs and alcohol are not tolerated at St. Anthony High School. If students are found to be either in possession or under the influence, or there are grounds for reasonable suspicion that a student is using drugs, the parents or guardians must meet with the Assistant Principal of Student Affairs and Dean. At that time, a decision will be made on the course of action best suited to help the student while maintaining the good reputation of St. Anthony High School. Options may include drug testing, drug counseling or treatment; the school may opt to terminate the student’s enrollment.

Guidelines Related to Possession and Use

All school policies must comply with state and federal laws that prohibit the use, consumption, sale, or delivery of alcohol or tobacco to persons under 21 or of controlled substances (including cannabis and cannabis-containing products that could be physically or mentally impairing) to persons of any age, without a prescription. The policy should be clearly articulated in the parent/student handbook. The school should consult law enforcement agencies when an alcohol, tobacco, cannabis, cannabis-containing product that could be physically or mentally impairing, or other controlled substance violation occurs or the school learns of a violation, with each case judged individually.

The Archdiocesan "No Smoking" policy also applies to vaping and the use of e-cigarettes, which may not be sold or used by persons under age 21, except for active duty military personnel over age 18.

If students or their friends experience problems related to the use of alcohol, tobacco, cannabis, cannabis-containing products that could be physically or mentally impairing, or other controlled substances, the students should be encouraged to seek help from a school counselor for themselves or their friends. School personnel should have access to public or private resource agencies for substance abuse rehabilitation so that they can offer help to students and parents/guardians.

If a student is known to be dealing in controlled substances or providing alcohol, tobacco, cannabis or cannabis-containing products that could be physically or mentally impairing, on or off campus, or if a student is convicted in court for sale, possession, or use of controlled substances, the student may be asked to withdraw from the school or may be expelled.

Procedures in the Case of Suspected Possession or Use

In cases where school administrators suspect a student’s possession or use of alcohol, tobacco, cannabis, cannabis-containing products that could be physically or mentally impairing, vaping devices or other controlled substances on campus, school administrators should follow these procedures:

- Evaluate observable symptoms.
- Attempt to determine if the student is in possession of alcohol, tobacco, vaping devices, cannabis, cannabis-containing products that could be physically or mentally impairing, controlled substances, or other harmful substances.
- Interview the student in the presence of an adult witness.
- Request the student’s cooperation in conducting a search of his or her person and possessions (the search may include the locker, other locations on the school grounds, or the student's car, backpack, or purse if administrators suspect that controlled or other harmful substances may be hidden).
- Determine if the student needs medical attention; if the student requires emergency medical treatment, contact the parents/guardians and follow the instructions on the student's Emergency Card.
- Recommend that a physician examine the student.
• Provide information to parents/guardians regarding the availability of public or private resource agencies for rehabilitation.

In cases where school administrators verify a student's sale or possession of alcohol, tobacco, cannabis, cannabis-containing products that could be physically or mentally impairing, vaping devices or other controlled substances, school administrators should follow these procedures:

• The administrator should confiscate all physical evidence obtained as a result of the investigation: seal the evidence in a container bearing the date and time of confiscation, the name of the student from whom it was confiscated, and the signature of the person who confiscated it.
• The administrator should consult police. The degree of police involvement will be determined in each case.

If the student is arrested and removed from school, the law enforcement agency notifies the parents/guardians prior to the time that the student would normally return home from school. However, the school principal shall take immediate steps to notify the parents/guardians about the release of the student to the officer and where the student is reportedly being taken. See Removal of a Student from School during School Hours. Even if an arrest does not occur, the student may be suspended from school. The school should promptly arrange a conference with the parents/guardians and student.

**School Searches**

Students' legitimate expectation of privacy in their person and in the personal effects they bring to school must be balanced against the school's obligation to maintain discipline and provide a safe environment for the school community. School officials may conduct a search of a student's person and personal effects only upon a reasonable suspicion that the search will disclose evidence that the student is violating or has violated the law or a school rule.

If school officials have a reasonable suspicion that the student has violated or is violating the law or a school rule, school officials do not need a warrant or permission from parents/guardians to conduct the search.

A "reasonable suspicion" may be established in many ways, including but not limited to personal observations, information provided by third parties or other students, or tips provided by law enforcement. An alert from a trained and certified detection dog is sufficient to establish a reasonable suspicion and serve as the basis for a warrantless search of the student's person, locker, car, or personal property and effects.

Whenever a school official conducts a search of a student's person or personal effects, an adult witness should be present. The school should notify the student's parents/guardians of any search of a student's person or personal effects.

**Expectations of Privacy**

A student does not own a locker or other school property. The school makes lockers available to the student. The student does have some expectation of privacy in his or her locker from other students. However, a student does not have a high expectation of privacy in his or her locker from the school and may not prevent school officials from searching the locker if the school official has a reasonable suspicion that the student has violated or is violating a law or school rule.
A student has a greater expectation of privacy regarding his or her person and personal effects. A school official who conducts a search of a student's backpack, purse, clothing, cell phone, or other personal effects must have a reasonable suspicion that the student has violated or is violating a law or school rule. Strip searches or searches that include a student's underwear may only be conducted by law enforcement and may not be conducted by a school official.

Every student is subject to the Acceptable Use and Responsibility Policy for Electronic Communications ("Archdiocesan AUP") and Archdiocese of Los Angeles Privacy Policy of the archdiocese and school; these types of policies concern cell phones and other electronic devices, whether the devices belong to the student or the school.

Student Cooperation

If a student refuses to cooperate in a reasonable search of school or student property (including electronic devices), the school may call the student's parents/guardians and/or the police for assistance or referral.

Confiscating a Student's Personal Property

If any of the student's items are confiscated, the person in charge should document the confiscation and when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his or her possession at the time it was found.

9. LAW ENFORCEMENT

9.01 Interview and Removal from School of Students by Police Officers

Interview of a Student by a Police Officer

When they are investigating matters involving child abuse or neglect, law enforcement and child protective agencies are entitled under law to interview students and other minors at school or during parish activities. The person in charge must confirm that the person seeking the interview is properly authorized and presents appropriate identification and must also confirm that the interview is being conducted as part of his or her professional duties.

In the Archdiocese it is the policy to inform parents/guardians that such an interview will take place except when law enforcement or the agency has a specific reason to not inform the parents/guardians. In all events it is the policy of the archdiocese that an adult, either a parent/guardian or school or parish staff member, will be present for any interview unless the minor being interviewed elects otherwise.

Removal from School of Students by Police Officers

A properly identified representative of a law enforcement agency or Child Protective Services has the right to enter a school to take a student into temporary or protective custody or to make a lawful arrest of a student. In the case of an arrest, the person in charge shall request to see the warrant for the student's arrest or court order issued by the juvenile court. A warrant is not necessary if the officer has
reason to believe that the student has violated the law and makes an oral statement to this effect. The person in charge and at least one other staff member should be present to hear and witness the officer’s oral statements.

The officer or representative may also remove a student from school with the permission of the student’s parents/guardians or, in the case of exigent circumstances, without the permission of the parents/guardians.

9.02 INTERVIEW OF A STUDENT DURING SCHOOL HOURS BY A POLICE OFFICER

Interview of a Student during School Hours by a Police Officer
In performing their official duties and upon presenting proper identification to the principal or his or her designee, duly authorized representatives of law enforcement agencies and Child Protective Services shall be allowed to interview students in those cases where an interview outside of school hours is impossible or impractical or would duly interfere with the enforcement of law.

Law enforcement officers have the right during the school day to interview students who are suspects or witnesses. Child Protective Services representatives may conduct interviews to investigate reported child abuse or neglect.

Before releasing a student for an interview, the person in charge must confirm that the person seeking the interview is properly authorized and presents appropriate identification as well as confirm that the interview is being conducted as part of the interviewer's professional duties.

In the archdiocese it is the policy that the person in charge should inform the parents/guardians that such an interview will take place, except when law enforcement or the agency has a specific reason to not inform the parents/guardians. In all events, it is the policy of the archdiocese that an adult, either a parent/guardian or a school staff member, will be present for any interview unless the student being interviewed elects otherwise.

9.03 INFORMING THE PARENT OR GUARDIAN WHEN A STUDENT HAS BEEN REMOVED FROM SCHOOL BY A POLICE OFFICER

Informing the Parent or Guardian When a Student Has Been Removed from School by a Police Officer
While it is primarily the role of the law enforcement officer to notify the parents/guardians that a student has been taken into custody, the person in charge shall also take immediate steps to notify the parents/guardians about the release of the student to the officer and where the student has reportedly been taken. See Removal of a Student from School during School Hours. However, the person in charge shall not notify the parents/guardians when a student has been removed from school as a victim of suspected child abuse or the officer has specifically requested that the student’s parents/guardians not be notified. In the case of suspected child abuse, the officer will determine whether to notify the parents/guardians that the student has been removed from school. See Removal of a Student from School during School Hours. The person in charge shall provide the officer with the address and phone number of the student's parents/guardians.

The person in charge should always obtain the following information:
The name of the law enforcement officer or Child Protective Services representative.
The officer's badge or ID number.
The phone number of the police station.
Instructions from the officer regarding parent/guardian inquiries concerning the whereabouts of the student.

10. ELECTRONIC USAGE POLICIES

10.01 Electronic Devices

Use of School Internet Policy
The school provides student access to the Internet for educational purposes. We will continue to monitor the use and reserve the right to revoke anyone’s privilege that is found in violation of the signed agreement or school policy.

Individual users of the school’s computers are responsible for their behavior and communications over those computers. It is presumed that users will comply with school standards and will honor the agreements they sign. The signatures on this form are binding and indicate the parties have read the terms and conditions and understand them. Any storage of information on school computers is subject to review by network administrators to maintain system integrity. Users should not expect that files stored on school computers will be private.

Acceptable use:
Use of the school’s Internet is a privilege, not a right, which may be revoked at any time for abusive conduct. Based upon the acceptable use guidelines outlined in this document, members of the faculty will judge when use is inappropriate and their decision is final. Any user identified as a security risk or having a history of problems with this or other computer systems may be denied access to the Internet.

The following are not permitted:
- Unauthorized access into another user’s account or passwords.
- Receiving, sending, or displaying offensive messages or pictures.

appropriate consequences enforced. Students who have repeated or severe infractions of the AUP will be subject to disciplinary action by the supervising teacher or the Administration. Violations of federal and state regulations such as sending threatening email and accessing or distributing obscene material will be reported and dealt with by the governing law enforcement agency.

St. Anthony High School utilizes a Mobile Device Management (MDM) software known as AirWatch. This software allows the SAHS Technology Department to track and monitor all iPad downloads, configures policies and settings, distributes apps and secures access to school networks and resources. AirWatch ensures devices are compliant with school policies and monitors violations in real time. To learn more about AirWatch, please see http://youtu.be/EIU0wcGw8Zw.

If a student downloads an app that is not listed on the school’s website the consequences will be the following:

- 1st and 2nd offense = warning
- 3rd offense = detention
- 4th offense = meeting with the Deans and Director of Technology, Saturday Detention
- 5th offense = one-day out-of-school suspension.
- 6th offense = indefinite out-of-school suspension with possible dismissal.

Students should be aware that no matter where they are, on campus or off, download of an app to their iPad which is not approved by the school will result in the student’s inability to access the school’s wireless network. The Director of Technology automatically receives notification of this breach of policy.

The “Automatic Downloads” feature should be turned off on a school issued iPad. Instructions to turn this feature off are located on the school’s website. If you wish to have a particular app approved, you must email the Director of Technology before you download. Any other questions, please see the Director of Technology.

Disclaimer
St. Anthony High School is not responsible for any damages suffered including personal injury, loss of data resulting from delay, non-deliveries, service interruptions or inaccurate information. The person operating the iPad accepts personal responsibility for any information obtained via the Internet or other electronic sources. The person operating the iPad accepts personal responsibility for actions while operating the unit and while on the Internet.

Vandalism/Damage/Loss/Theft
Vandalism will result in immediate disciplinary action by the Administration. Vandalism is defined as any malicious attempt to harm or destroy any part of St. Anthony’s resources, which includes technological devices and equipment. This includes, but is not limited to, uploading, creating, transmitting computer viruses or “hacking” into any part of the St. Anthony High School system, as well as physical damage to the device.

If a student is withdrawing from St. Anthony High School and chooses not to purchase the damaged iPad and the iPad has screen or cosmetic damage, the parent/guardian is responsible for an iPad repair cost of $250.00.

ALL repairs must be coordinated through the St. Anthony High School Technology Department. Students may NOT repair the iPad independently.
Damaged iPads are sent out for repair as soon as they are returned to the Technology Office and the Director of Technology. Our local repair vendor will assess the damaged iPads and establish cost to repair. Repair cost ranges from $120.00 to $400.00 per incident. Families will be invoiced immediately once St. Anthony High School receives notice of repair diagnostics. Should the iPad be labeled as 'beyond repair' it is the parent/guardians responsibility to pay for a replacement iPad that is the same generation iPad that the student is currently using. For example, if a student has an iPad 2 they must pay the cost for an iPad 2, students are NOT allowed to upgrade their device.

**Cell Phones and Personal Electronic Devices**

The use of cell phones, personal electronic devices, smart watches, personal portable speakers, and earbuds/headphones on the main campus and in the school building is prohibited during school hours. Students may not use these devices from 7:55 AM until the end of the school day. Students may bring these devices to school, but they must be turned off and out of sight during the school day. Cell phones on “vibrate” or “silent” are never considered “off.” Students can make calls before and after school only when they are off the main campus. The church, the gym, and the cafeteria are extensions of the main campus during school hours. Use of cell phone, electronic devices, and earbuds/headphones for educational purposes in the classroom is allowed with permission of the teacher. School issued iPads must be used for educational purposes and under the guidelines of the iPad Acceptable Use Policy.

The use of cell phones, personal electronic devices, personal portable speakers, and earbuds/headphones during athletic practice is at the discretion of the coach.

**Consequences for Unauthorized Use of Cell Phone or Personal Device:**

- **First Offense:** If a cell phone or other electronic device is seen or used during school hours, it will be confiscated immediately and given to the Dean of Discipline. It will only be released after parent/guardian communication. A detention will be issued and a $25 fine will be assessed.
- **Second Offense:** Item will be confiscated and given to the Dean of Discipline. It will only be released after parent/guardian communication. A detention will be issued and a $50 fine will be assessed.
- **Third Offense:** Item will be confiscated and only released to parent/guardian. A detention will be issued and a $50 fine will be assessed.

**Acceptable Use and Responsibility Policy for Electronic Communications [“Archdiocesan AUP”]**

**Definitions and Coverage**

The Acceptable Use and Responsibility Policy for Electronic Devices ("Archdiocesan AUP") applies to all archdiocesan users of technology, whether adults, children, or youth, and whether they are students, parents, paid staff or volunteers, clergy, or members of religious orders in the Archdiocese or at any Location. All users are expected to adhere to the morals and values of the Catholic Church, to respect others, to consider the potential audience and their expectations, and to follow the Archdiocesan AUP and the other policies, standards and procedures of the Archdiocese. Electronic information and communications require particular safeguards and impose unique responsibilities on all users.

The Archdiocesan AUP covers:

- using devices appropriately from a social and moral perspective
- maintaining data confidentiality
• protecting proprietary, confidential, and privileged data, and personally identifiable information
• maintaining the integrity of security controls and passwords
• immediately reporting any suspicious conduct or actual violations, and
• other activities implicated in the use of electronic devices.

The Archdiocese prohibits the improper use or alteration of data and/or information technology. Systems of information security are required to protect proprietary data. All users must adhere to the Archdiocesan AUP.

All materials and information created and used, in any medium, in the course of activities for or on behalf of the Archdiocese or an Archdiocesan school, a parish, the seminary, a cemetery or mortuary, the Archdiocesan Catholic Center, or another archdiocesan department or operating unit ("Location") are assets of the Archdiocese and/or the Location, as appropriate.

Definitions
• Electronic communication systems include but are not limited to email, telecommunications systems (including telephone, voice mail, and video), stand-alone or networked computers, intranets, the Internet, and any other communication or data storage or transmission systems (including "the cloud" or cloud-based services) that may be created in the future.
• Electronic communication devices include but are not limited to wired and wireless telephones, smartphones, computers, laptops, tablets, photographic, audio and video equipment, flash drives, memory sticks, media players, facsimile machines, scanners, copiers, printers, two-way radios, and other communications equipment that may be created in the future.

Electronic Communication Systems, Devices, and Materials and the Users Covered
Electronic communication systems, devices, and materials and the users covered include:
• All electronic communication systems, devices, and materials used at any Location
• All electronic communication devices and materials taken from a Location for use away from the Location
• All personal devices and materials brought from home and used at a Location
• All personal devices and materials, regardless of where they are situated, that are used in such a manner that the Archdiocese and/or a Location may be implicated in their use
• All users of electronic communication systems, devices, and materials, including but not limited to volunteers, clergy and religious, students, parents, employees, staff, or contractors in connection with any activity of the Archdiocese and/or the Location
Ownership and Control of Communications
All electronic communication systems, devices, and materials, provided to users by the Archdiocese or the Location, are to be used primarily to conduct official Location and/or Archdiocese business, not personal business, whether during or outside regular business hours.

With permission from the person in charge of the Location, individuals may use archdiocesan systems, devices, and materials to access and use the Internet for personal business and web exploration outside regular business hours or during breaks. The Archdiocesan AUP applies to all uses.

The Archdiocese and Locations, as applicable, reserve the right to monitor, access, retrieve, read, edit, redact, remove and/or disclose all content created, sent, received, or stored on Archdiocese and/or Location systems, devices, and materials (including connections made and sites visited). The Archdiocese also cooperates with law enforcement officials or others, without prior notice. Users can have no reasonable expectation of privacy in use of archdiocesan systems, devices or materials. The Archdiocese reserves these rights with respect to systems, devices and materials not owned by the Archdiocese when they are used under circumstances that implicate the Archdiocese.

"Cloud" or Hosted Electronic Communications, Data Processing and Storage Services
All hosted or "cloud-based" services that provide line-of-business support to the Archdiocese or Locations or that publish publicly-accessible information on the Internet (e.g., Google Apps services, Microsoft Office 365, hosting of web sites or E-Commerce sites) must be approved and under contract by the Archdiocese or Location. To avoid the potential loss of control of the Location's electronic communications services, all services used must be in the name of the Archdiocese or Location, not in the name of any individual or volunteer group.

Domain Name Registration Policies
Domain name registrations must be in the name of the Archdiocese or the Location, not in the name of any individual or volunteer group. The registrant and administrative contacts for all domain names must use the Location's or Archdiocese's business street address and the phone number and email address of a person in charge at the Location or Archdiocese to manage domain name registrations. The archdiocesan administrative offices offer Locations delegated domain management services for free!

Internet Safety Policy (Compliant with the Children's Internet Protection Act)
The Children's Internet Protection Act applies to the use of any device accessed or used by minors at a school or library. All schools and libraries must use functioning and properly configured content filters to preclude access to prohibited content, including obscene, sexually explicit materials; adult or child pornography; and materials including applications that are otherwise harmful to minors or in violation of this Archdiocesan AUP.

Content filters for minors may NOT be disabled or turned off without obtaining prior permission from the person in charge at the school or library.

No unauthorized personal identifying information regarding minors may be disclosed, used, or disseminated without proper authorization by the person in charge at the school or library.

Minors' use of email, chat rooms, social networks, applications, and other forms of direct electronic communication on electronic devices at the school or library must be monitored.
No person may engage in unlawful activities online, including hacking any system while using Archdiocese or Location devices or while at any school or library.

- Access or manipulate devices, services, or networks without permission or express authority

Personally identifying information includes but is not limited to names or screen names; telephone numbers; work, home, or school addresses; email addresses; or web addresses/URLs of social networking sites or blogs

- Upload, download, view, or otherwise receive or transmit trademarked, patented, trade secrets, or other confidential, private, or proprietary information or other materials to which the user does not have access rights
- Transmit confidential, proprietary, or sensitive information unless the transmission falls within the scope of the user's job duties or the assignment as given by a responsible adult
- Damage, alter, disrupt, or gain unauthorized access to devices or systems (e.g., use another person's passwords; trespass on another person's folders, work, or files; or alter or forward email messages in a manner that misrepresents the original message or message chain)
• Give unauthorized persons access to Archdiocese or Location systems, provide access to confidential information, or otherwise jeopardize the security of the electronic communication systems (e.g., by unauthorized use or disclosure of passwords)
• When conducting business for a Location or the Archdiocese, use any email service, file storage/file-sharing services, or other communications and collaboration services that has not been explicitly approved and contracted by the Archdiocese or Location (e.g. do not use personal Yahoo, Gmail, Hotmail accounts for official Location or Archdiocesan business)
• Introduce or install any unauthorized software, virus, malware, tracking devices, or recording devices onto any device or system
• Bypass (via proxy servers or other means), defeat, or otherwise render inoperative any device or network security systems, firewalls, or content filters

• Allow any minor to use email, chat rooms, social networking sites, applications, or other forms of direct communications at the Location without monitoring (See Internet Safety Policy)
• Use electronic communication devices or systems to transmit any radio frequency signal that is not permitted and/or licensed by the Federal Communications Commission (FCC) or that would violate FCC rules or policies
• Violate any other applicable federal, state, or local laws or regulations

**Consequences of Violations of the Electronic Communications Policy**
Violations of this policy may result in suspension of electronic communication privileges, confiscation of any electronic communication device or materials, and disciplinary action up to and including termination of employment, removal from parish or school activities, expulsion from school, canonical review, referral to local or other law enforcement, and other appropriate action.

**General Security and Use Policies for Electronic Communications**
• All users of Archdiocese and Location communication systems and devices should use care in creating email, text, video, still images, instant or voice mail messages, or any postings on any social networking site. Even when a message has been deleted, it may still exist on a backup system; it may be restored, downloaded, recorded, or printed; or it may have been forwarded to someone else without its creator's knowledge. The contents of email and text messages are the same as other written documentation and cannot be considered private or confidential.
• As with paper records, proper care should be taken in creating and retaining electronic records for future use, reference, and disclosure, as applicable. See Document Retention.
• Postings to groups such as "All Employees," "All Parents/Guardians," "All Seminarians," "All Parishioners," and the like on intranets or the Internet must be approved by the person in charge of the Location before the postings are sent out.
• Archdiocese and Location systems, devices, and materials are not private and security cannot be guaranteed. User IDs and passwords are intended to enhance system security, not to provide users with personal privacy. User account passwords for systems that are not controlled by a centralized user directory or authentication system must be on record with the person in charge of the Location.
• Do not disclose User IDs and passwords to unauthorized parties or shared with other employees, students, or volunteers. User accounts are intended to be used only by the assigned party.
• Change Passwords to user accounts regularly. Avoid using the same password for user accounts with different providers.
• All information systems that create, store, transmit, or otherwise publish data or information (e.g., a website) must have authentication (ability to verify the identity of the user) and authorization systems (e.g., individualized user accounts) to prevent unauthorized use, access, and modification of data and applications.

• Any electronic medium that is intended for use by the general public may allow access as long as the medium does not allow unauthorized posting and modification of the official information.

• All files downloaded from the Internet, all data received from outside sources, and all content downloaded from portable memory devices must be scanned with current virus detection software. Immediately report any viruses, malware, tampering, or other system breaches to the person in charge of the Location.

• Back up critical information periodically onto backup storage. Store backed up information in a safe place that is available for recovery in case of a loss of the original information. Depending on the complexity of a Location's information systems, a detailed disaster recovery plan may need to be developed.

• Protect computer networks and physical hardware from unauthorized use. Both local physical access and remote access must be controlled.

• Complete archdiocesan information is accessible exclusively through ACES and all employees, clergy and similar users are encouraged to obtain and use an ACES account as their preferred business account.

Electronic or Digital Signatures
Locations wishing to reduce their use of paper forms may choose to rely on electronic forms for applications, registrations, acknowledgments of receipt, contractual agreements, etc. When deciding to use electronic forms, locations should keep in mind that editing software can enable users to make changes, which may compromise the integrity of the documents. Furthermore, although electronic communication devices have individual identifiers, those identifiers do not necessarily identify the person using the device.

Nonetheless, documents created and stored electronically, and "signed" electronic documents such as email messages may be legally binding, if the parties' communications demonstrate an intent to be bound. However, locations should exercise great caution in relying on electronic or digital signatures for documents that are intended to be binding, such as tuition agreements, employment contracts, health authorizations, or liability waivers. For such documents, locations must heed the following guidelines:

An electronic or digital signature can have the same force and effect as a handwritten signature provided that it is:
1. Unique to the person using it
2. Capable of verification
3. Under the sole control of the person using it
4. Linked to data in such a manner that if the data are changed, the digital signature is invalidated, and
5. Uses either Public Key Cryptography (PKC) or Signature Dynamics to encrypt the data.

All five requirements must be met for the electronic or digital signature to be considered authentic and legally binding by California courts. Commercial services are available that offer electronic/digital signature authentication.

Webmasters for locations must ensure that the "socket" used for linking to a signature portal is appropriately secure.
The use or acceptance of an electronic or digital signature is at the option of the parties to the transaction; in other words, one party or the other can insist on a "wet" handwritten signature. For documents that do not call for binding legal effect, such as sign-ups for Eucharistic adoration, co-curricular activity registrations or parent volunteer assignments, locations may choose simple accept and click "signatures" or email or other electronic responses, with the understanding that the authenticity and validity of such signatures can be challenged.

"Bring Your Own Device" (BYOD) Policies for Students
All parish elementary schools and parish and archdiocesan high schools are committed to assisting students in becoming responsible digital citizens. Schools can do so by giving students authentic experiences that build their skills in collaboration, creativity, communication, and critical thinking and that prepare them for their current and future educational experiences and careers. The Bring Your Own Device (BYOD) Policies are designed to meet this objective for students who bring or use their own electronic devices in school or as part of their student life.

Students may bring personal electronic devices to school for educational purposes with the approval of the school administration. While at school, students are required to connect to the school's filtered network connection that is compliant with the Internet Safety Policy.

Responsibility for Personal Devices and Their Use
- All students and their families are required to follow the Acceptable Use and Responsibility Policy for Electronic Communications ("Archdiocesan AUP").
- Students are solely responsible for their own personal devices and are to permanently label devices with identifying information.
- The school assumes no financial responsibility for personal devices if they are lost, loaned, damaged, or stolen.
- Personal devices are subject to investigation in accordance with the Archdiocesan AUP and the Archdiocesan Administrative Handbook (see School Searches).
- Students are expected to keep their devices secure at all times and not loan them to others unless required to do so for an educational assignment.
- Students are expected to protect their devices by bringing them to school in a case or cover to avoid damage.
- If a student uses a personal device or any of its functions in a manner that intentionally violates the school's policies or the Archdiocesan AUP, the student will be subject to consequences in accordance with the school's disciplinary policies and procedures.

Each school may develop its own additional BYOD guidelines to accommodate its individual situation, but all guidelines must be consistent with the policies in Communications Policies and Students and Families. Parents/guardians must sign the Bring Your Own Device Policy Acknowledgement Form indicating their agreement with the school's BYOD Policy.

"Bring Your Own Device" (BYOD) Policies for Clergy, Religious, Staff and Volunteers
This policy applies to any electronic communications devices not issued or owned by a Location or the Archdiocese and used on Location or Archdiocesan premises during business or school hours for business or school purposes; it also applies to any personal electronic communications device that is used in such a manner that the Archdiocese may be held responsible for its use.
Responsibility for Personal Devices and Their Use

- All users of personal electronic communications devices are required to follow the Acceptable Use and Responsibility Policy for Electronic Communications (“Archdiocesan AUP”).
- Use of personal devices on Location or Archdiocesan premises is by permission only.
- Users are solely responsible for their own personal devices. The Archdiocese of Location assumes no financial responsibility for personal devices if they are lost, loaned, damaged, or stolen.
- Personal devices are subject to investigation in accordance with the Archdiocesan AUP.
- Users are expected to keep their devices secure at all times.

Each Location may develop its own additional BYOD guidelines to accommodate its individual situation, but all guidelines must be consistent with the policies in Communications Policies.
